*In the opinion of Bond Counsel, assuming compliance by the District with certain covenants, under existing statutes, regulations, and judicial decisions, the interest on the Series 2018 Bonds will be excluded from gross income for federal income tax purposes of the holders thereof and will not be an item of tax preference for purposes of the federal alternative minimum tax. However, interest on the Series 2018 Bonds shall be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations for taxable years that begin prior to January 1, 2018. The alternative minimum tax on corporations was repealed for taxable years beginning on and after January 1, 2018. In addition, the Series 2018 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. ## INTRODUCTION

The purpose of this Official Statement, including the cover page and appendices hereto, is to set forth certain information concerning the Meadow Pointe II Community Development District (the "District") in connection with the offering and issuance by the District of its $8,425,000 Special Assessment Bonds, Series 2018 (the "Series 2018 Bonds"). The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and Ordinance No. 94-13, enacted by the Board of County Commissioners of Pasco County, Florida (the "Board") on October 5, 1994 (the "Ordinance"). The District was established for the purposes, among other things, of financing and managing the planning, acquisition, construction, maintenance and operation of the public infrastructure necessary for community development within the District. The Series 2018 Bonds are being issued pursuant to the Act and a Master Trust Indenture, dated as of October 1, 2018 (the "Master Indenture"), as supplemented and amended by, with respect to the Series 2018 Bonds, a First Supplemental Trust Indenture dated as of October 1, 2018 (the "First Supplement" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"), and resolutions of the District authorizing the issuance of the Series 2018 Bonds. All capitalized terms used in this Official Statement that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the forms of the Master Indenture and First Supplement, each of which are provided in APPENDIX C attached hereto.

THE SERIES 2018 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT,""BONDOWNERS' RISKS" AND "RATING" HEREIN).

The Act authorizes the District to issue bonds for the purpose, among others, of financing or refinancing the funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, street lights, parks and facilities for indoor and outdoor recreational, cultural, and educational uses, and other basic infrastructure projects within or without the boundaries of the District, as provided in the Act.

Consistent with the requirements of the Indenture and the Act, the Series 2018 Bonds are being issued to: (i) finance a portion of the cost of acquiring, constructing and equipping the Series 2018 Project (as described herein), (ii) pay certain costs associated with the issuance of the Series 2018 Bonds, including the premiums for the Series 2018 Insurance Policy and Series 2018 Reserve Policy to be deposited into the Series 2018 Reserve Account in partial satisfaction of the Series 2018 Debt Service Reserve Requirement, (iii) make a deposit into the Series 2018 Debt Service Reserve Account, to fund a portion of such account, to be held for the benefit of all of the Series 2018 Bonds, without privilege or priority of one Series 2018

Bond over another, and (iv) pay a portion of the interest to become due on the Series 2018 Bonds. See "SERIES 2018 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The scheduled payment of principal of and interest on the Series 2018 Bonds when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Series 2018 Bonds by ASSURED GUARANTY MUNICIPAL CORP. See "BOND INSURANCE" herein.

THE SERIES 2018 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, PASCO COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA (THE "STATE"), NOR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2018 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2018 SPECIAL ASSESSMENTS (AS DEFINED HEREIN) TO SECURE AND PAY THE SERIES 2018 BONDS. THE SERIES 2018 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

There follows in this Official Statement a brief description of the District, together with summaries of the terms of the Series 2018 Bonds, the Indenture, the Series 2018 Project, the Series 2018 Special Assessment Area and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and all references to the Series 2018 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture, the respective copies of and forms of which appear as composite Appendix C attached hereto.

## SUITABILITY FOR INVESTMENT

Investment in the Series 2018 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Official Statement. The Series 2018 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"). Prospective investors in the Series 2018 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2018 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

## THE DISTRICT

### General

The District was established pursuant to the Ordinance. The District was established for the purposes, among other things, of financing and managing the planning, acquisition, construction, maintenance and operation of the public infrastructure necessary for community development within the District. The District currently encompasses approximately 822 acres in the Wesley Chapel area of Pasco County, Florida (the "County").

### Legal Powers and Authority

The District is an independent unit of local government created by and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of community

development districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operations and maintenance of the major infrastructure for community development pursuant to its general law charter (Sections 190.006 through 190.041, Florida Statutes).

Among other provisions and powers, the Act gives the District's Board of Supervisors the authority to (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing roads that are owned by or conveyed to the local general-purpose government, the state, or the federal government; street lights; alleys; landscaping; hardscaping; and the undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the district; and with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; security, including, but not limited to, guardhouses, fences and gates, electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2018 Bonds.

**Board of Supervisors**

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Supervisors are elected (as their terms expire) by vote of the qualified electors of the District. A "qualified elector" is a registered voter, a resident of the District and the State and a citizen of the United States. Currently, all of the Supervisors on the Board are residents of the District and qualified electors elected by qualified electors or appointed by the Board.

The current members of the Board and their respective term expiration dates are set forth below:

| Name | Title | Current Term Commenced November | Term Expires November |
|---|---|---|---|
| Michael Cline | Chair | 2016 | 2020 |
| Dana Sanchez | Vice Chair | 2014 | 2018 |
| John Picarelli | Assistant Secretary | 2016 | 2020 |
| Glen Aleo | Assistant Secretary | 2014 | 2018 |
| James Bovis | Assistant Secretary | 2014 | 2018 |

The Act empowers the Board of Supervisors to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board of Supervisors to levy taxes under certain conditions, and to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

**District Manager and Other Consultants**

The Act requires the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (i) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (ii) maintaining and operating the equipment owned by the District, and (iii) performing such other duties as may be prescribed by the Board.

The District has retained Inframark, LLC (the "District Manager") to serve as the District Manager. The District Manager's office is located 210 N. University Drive, Suite 702, Coral Springs, Florida 33071 and its telephone number is (954) 603-0033.

The District Manager's typical responsibilities can briefly be summarized as overseeing directly and coordinating the planning, financing, purchasing, staffing, reporting and governmental liaison for the District. The District Manager's responsibilities include the accounting and reporting that is required by the Indenture to be performed by the District Manager.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Bryant Miller Olive P.A., Orlando, Florida, as Bond Counsel; Persson, Cohen & Mooney, P.A., Lakewood Ranch, Florida, as District Counsel; Lighthouse Engineering, Inc., as District Engineer; and Inframark, LLC, Tampa, Florida, as Assessment Consultant to prepare the Assessment Report (the "Assessment Report").

## DESCRIPTION OF THE SERIES 2018 BONDS

**General Description**

The Series 2018 Bonds are issuable as fully registered bonds, without coupons in current interest form, in denominations of $5,000 or any integral multiple thereof. The Series 2018 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing May 1, 2019 (each, an "Interest Payment Date") and shall be computed on the basis of a 360-day year of twelve 30-day months. The Series 2018 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the inside cover page of this Official Statement.

If any Interest Payment Date is not a Business Day, then all amounts due on such Interest Payment Date shall be payable on the first Business Day succeeding such Interest Payment Date, but shall be deemed paid on such Interest Payment Date. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Registered Owner thereof at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent to such person, who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the Registered Owner of the Bond. The Trustee will cause notice of the proposed payment of such defaulted interest and the special record date therefor to be mailed, first-class, postage-prepaid, to each Owner of record as of the fifth ($5^{th}$) day prior to such mailing, at his address as it appears in the Bond Register not less than ten (10) days prior to such special record date. Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank National Association, located in Orlando, Florida, or any alternate or successor paying agent; provided, however that no presentment shall be required during the period the Bond shall be registered in the name of Cede & Co., as nominee of DTC. Payment of interest shall be made by check or draft (or by wire transfer to the Registered Owner set forth on the face of the Bonds if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the Registered Owner set forth on the face of the Bond owns not less than $1,000,000 in aggregate principal amount of the Series 2018 Bonds). During any period that the Series 2018 Bonds are registered in the name of Cede & Co., as nominee of DTC, the provisions of the First Supplement relating to the book-entry only system shall apply, including, the payment provisions thereof.

Each Series 2018 Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or provided for, or, if no interest has been paid, from the Dated Date.

The Series 2018 Bonds will initially be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2018 Bonds and, so long as the Series 2018 Bonds are held in book-entry only form, Cede & Co., will be considered the Registered Owner for all purposes hereof. See "DESCRIPTION OF THE SERIES 2018 BONDS – Book-Entry Only System" below for more information about DTC and its book-entry only system.

(i) from Series 2018 Prepayments deposited into the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund following the payment in whole or in part of Series 2018 Special Assessments on any portion of the Series 2018 Lands in accordance with the provisions of Section 4.05(a) of the First Supplement, including any excess moneys transferred from the Series 2018 Debt Service Reserve Account to the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund resulting from such Series 2018 Prepayment pursuant to Section 4.01(f)(ii) of the First Supplement.

(ii) on or after the Completion Date of the Series 2018 Project, by application of moneys remaining in the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund not reserved by the District for the payment of any remaining part of the Cost of the Series 2018 Project, which has been transferred as specified in Section 4.01(a) of the First Supplement to the Series 2018 General Account of the Series 2018 Bond Redemption Fund, credited toward extinguishment of the Series 2018 Special Assessments and applied toward the redemption of the Series 2018 Bonds in accordance with the manner it has credited such excess moneys toward extinguishment of Series 2018 Special Assessments which the District shall describe to the Trustee in writing.

(iii) following condemnation or the sale of any portion of the Series 2018 Project to a governmental entity under threat of condemnation by such governmental entity and the payment of moneys which are not to be used to rebuild, replace or restore the taken portion of the Series 2018 Project to the

Trustee by or on behalf of the District for deposit into the Series 2018 General Account of the Series 2018 Bond Redemption Fund in order to effectuate such redemption and which moneys shall be applied by the District to redeem Series 2018 Bonds in accordance with the manner it has credited such moneys toward extinguishment of Series 2018 Special Assessments which the District shall describe to the Trustee in writing.

(iv) following the damage or destruction of all or substantially all of the Series 2018 Project to such extent that, in the reasonable opinion of the District, the repair and restoration thereof would not be economical or would be impracticable, to the extent of amounts paid by the District to the Trustee for deposit to the Series 2018 General Account of the Series 2018 Bond Redemption Fund which moneys shall be applied by the District to redeem Series 2018 Bonds in accordance with the manner it has credited such moneys toward extinguishment of Series 2018 Special Assessments; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the District shall cause to be delivered to the Trustee (x) notice setting forth the date of redemption and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Series 2018 Project would not be economical or would be impracticable, such certificate upon which the Trustee shall be entitled to rely.

(v) by application of moneys which have been transferred pursuant to Section 4.02 of the First Supplement from the Series 2018 Revenue Account to the Series 2018 General Account of the Series 2018 Bond Redemption Fund, in Authorized Denominations.

If less than all of the Series 2018 Bonds of a Series shall be called for redemption, the particular Series 2018 Bonds or portions of Series 2018 Bonds of a Series to be redeemed shall be selected in such amounts and having such maturities so as to result in Amortization Installments recalculated by the District as provided in the Indenture.

**Notice of Redemption**

The Trustee shall cause notice of redemption to be mailed at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all registered owners of Series 2018 Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Series 2018 Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Series 2018 Bonds shall be called for redemption, the notice of redemption shall specify the Series 2018 Bonds to be redeemed. On the redemption date, the Series 2018 Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Series 2018 Bonds shall cease to be entitled to any benefit under the Indenture and such Series 2018 Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Series 2018 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Series 2018 Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Series 2018 Bonds for which such funds are sufficient, selecting the Series 2018 Bonds to be redeemed by lot from among all such Series 2018 Bonds called for redemption on such date, and interest on any Series 2018 Bonds not paid shall continue to accrue, as provided in the Indenture.

As provided in the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

**Book-Entry Only System**

The information in this section concerning The Depository Trust Company, New York, New York, ("DTC") and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

DTC will act as securities depository for the Series 2018 Bonds. The Series 2018 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2018 Bond certificate will be issued for each maturity of the Series 2018 Bonds as set forth in the inside cover of this Official Statement, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2018 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2018 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2018 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2018 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2018 Bonds, except in the event that use of the book-entry system for the Series 2018 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2018 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2018 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2018 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2018 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2018 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2018 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2018 Bond documents. For example, Beneficial Owners of Series 2018 Bonds may wish to ascertain that the nominee holding the Series 2018 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2018 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2018 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2018 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, premium, if any, and interest payments on the Series 2018 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, premium, if any, and interest on the Series 2018 Bonds, as applicable, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2018 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2018 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In such event, Series 2018 Bonds will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2018 BONDS, AS NOMINEE OF DTC, REFERENCE HEREIN TO THE HOLDER OF THE SERIES 2018 BONDS OR REGISTERED OWNERS OF THE SERIES 2018 BONDS SHALL MEAN DTC AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2018 BONDS.

## SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2018 BONDS

### General

The principal of, redemption premium, if any, and interest on the Series 2018 Bonds will be payable from and secured by the Pledged Revenues. The Pledged Revenues is comprised of the revenues derived by the District from the Series 2018 Special Assessments (the "Pledged Revenues" or "Series 2018 Special Assessment Revenues") and the Funds and Accounts (except for the Series 2018 Rebate Account) established under the Indenture.

The Series 2018 Special Assessments represent an allocation of a portion of the costs of the Series 2018 Project, including bond financing costs, to the Series 2018 Special Assessment Area (as described herein) in accordance with the Assessment Report, as attached hereto as APPENDIX B.

"Special Assessments" is defined in the Master Indenture to mean the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act (except for any such special assessments levied and collected for maintenance purposes), against the District Lands that are subject to assessment as a result of a particular Project or any portion thereof, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the District Lands that are subject to assessment as a result of a particular Project or any portion thereof, and in the case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act.

NEITHER THE SERIES 2018 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2018 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2018 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2018

BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE PLEDGED REVENUES ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

**Funds and Accounts**

The Indenture requires that the Trustee establish the following funds and accounts: within the Acquisition and Construction Fund, a "Series 2018 Acquisition and Construction Account" and a "Series 2018 Costs of Issuance Subaccount"; within the Revenue Fund, a "Series 2018 Revenue Account"; within the Debt Service Fund, a "Series 2018 Sinking Fund Account, a "Series 2018 Principal Account," and a "Series 2018 Interest Account," within the Bond Redemption Fund", a "Series 2018 General Account," and a "Series 2018 Prepayment Account"; within the Debt Service Reserve Fund, a "Series 2018 Debt Service Reserve Account" to be held for the benefit of all of the Series 2018 Bonds, without privilege or priority of one Series 2018 Bond over another; within the Rebate Fund, a "Series 2018 Rebate Account".

**Reserve Account Requirements; Series 2018 Debt Service Reserve Account**

The Indenture creates a Series 2018 Debt Service Reserve Account. The "Series 2018 Debt Service Reserve Requirement" means an amount equal to fifty percent (50%) of the maximum annual Debt Service Requirement for the Series 2018 Bonds as of the date of initial issuance, which is equal to $303,210.94. The Series 2018 Debt Service Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2018 Debt Service Reserve Requirement.

Proceeds of the Series 2018 Bonds shall be deposited into the Series 2018 Debt Service Reserve Account in the amount set forth in Section 2.06(a) of the First Supplement (which is equal to $151,605.47) together with the Series 2018 Reserve Policy, which account will be held for the benefit of all of the Series 2018 Bonds, without privilege or priority of one Series 2018 Bond over another, and such moneys, together with any other moneys deposited into such Account pursuant to the Master Indenture, shall be applied for the purposes provided therein and in Section 4.01(f) of the First Supplement. On each March 15, June 15, September 16 and December 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amounts on deposit in the Series 2018 Debt Service Reserve Account and transfer any excess therein (except for excess resulting from interest earnings as provided in Section 4.01(f)(iii) of the First Supplement and excess resulting from Prepayments as provided in Section 4.01(f)(ii) of the First Supplement) above the Series 2018 Debt Service Reserve Requirement, as follows: (A) prior to the Completion Date of the Series 2018 Project, to the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund, and (B) on and after the Completion Date of the Series 2018 Project, such amounts shall be transferred to the Series 2018 Revenue Account of the Revenue Fund.

Except as otherwise provided in the First Supplement or in the Master Indenture and subject to the provisions in the First Supplement related to draws on the Series 2018 Reserve Policy, amounts on deposit in the Series 2018 Debt Service Reserve Account (including any draws under the Series 2018 Reserve Policy) shall be used only for the purpose of making payments into the Series 2018 Interest Account, the Series 2018 Principal Account and the Series 2018 Sinking Fund Account to pay Debt Service Requirements on the Series 2018 Bonds, when due, without distinction as to Series 2018 Bonds and without privilege or priority of one Series 2018 Bond over another, to the extent the moneys on deposit in such Accounts therein and available therefor are insufficient and for no other purpose. Such Account shall consist only of the Series 2018 Reserve Policy, cash, Investment Securities or a combination thereof. The District in the First Supplement covenants and agrees to abide by the terms and conditions of the Series 2018 Reserve Policy provisions attached to the First Supplement as Exhibit B.

Notwithstanding the foregoing paragraph, so long as no Event of Default has occurred and has not been cured, upon an optional prepayment by the owner of a lot or parcel of land of a Series 2018 Special

Assessment against such lot or parcel as provided in Section 4.05(a) of the First Supplement, the District, on each March 15, June 15, September 15 and December 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), shall determine the Series 2018 Debt Service Reserve Requirement, taking into account such optional prepayment and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2018 Debt Service Reserve Account in excess of the Series 2018 Debt Service Reserve Requirement (except for excess resulting from interest earnings) from the Series 2018 Debt Service Reserve Account to the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund, as a credit against the Series 2018 Prepayment otherwise required to be made by the owner of such lot or parcel.

Earnings on investments in the Series 2018 Debt Service Reserve Account shall be disposed of as follows:

(A) If as of the last date on which amounts on deposit in the Series 2018 Debt Service Reserve Account were valued by the Trustee there was a deficiency in the Series 2018 Debt Service Reserve Account or any amounts are owed to the Series 2018 Insurer as certified to the Trustee in writing by the Series 2018 Insurer, or if after such date withdrawals have been made from the Series 2018 Debt Service Reserve Account and have created such a deficiency, then earnings on investments in the Series 2018 Debt Service Reserve Account (I) shall first be paid to the Series 2018 Insurer in satisfaction of any amounts then owed to the Series 2018 Insurer, and then (II) shall be deposited to the credit of the Series 2018 Debt Service Reserve Account until the amounts on deposit therein equal the Series 2018 Debt Service Reserve Requirement; and

(B) As long as no notice of an Event of Default under the Indenture has been delivered to the Trustee or if such Event of Default described in a notice has been cured or waived as provided in the Master Indenture, and the amount in the Series 2018 Debt Service Reserve Account is not reduced below the then Series 2018 Debt Service Reserve Requirement, then earnings on investments in such Account shall be applied as follows: (x) prior to the Completion Date of the Series 2018 Project, to the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund, and (y) on and after the Completion Date of the Series 2018 Project, to the Series 2018 Revenue Account of the Revenue Fund. Upon the occurrence and continuance of an Event of Default, earnings on investments in the Series 2018 Debt Service Reserve Account shall remain therein.

**Flow of Funds**

Under the Indenture, the Trustee is authorized and directed to establish within the Revenue Fund a Series 2018 Revenue Account. Series 2018 Special Assessments (except for Series 2018 Prepayments which shall be identified as such by the District to the Trustee to be deposited in the Series 2018 Prepayment Account) shall be deposited by the Trustee into the Series 2018 Revenue Account which shall be applied as set forth in Article VI of the Master Indenture and Section 4.02 of the First Supplement.

The Trustee shall transfer from amounts on deposit in the Series 2018 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

The Trustee shall transfer from amounts on deposit in the Series 2018 Revenue Account of the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, not later than the fifth Business Day preceding each May 1 and November 1, to the Series 2018 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2018 Bonds

due on such May 1 or November 1, less any amounts on deposit in the Series 2018 Interest Account not previously credited;

SECOND, no later than the fifth Business Day next preceding each May 1, to the Series 2018 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2018 Bonds Outstanding and maturing on such May 1, if any, less any amounts on deposit in the Series 2018 Principal Account not previously credited;

THIRD, no later than the fifth Business Day next preceding each May 1, to the Series 2018 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2018 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2018 Sinking Fund Account not previously credited;

FOURTH, no later than the fifth Business Day next succeeding each Interest Payment Date, to the Series 2018 Debt Service Reserve Account, first, an amount equal to the amount, if any, which is necessary to repay any draws under the Series 2018 Reserve Policy and any amounts owed to the Series 2018 Insurer in connection therewith, and then, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2018 Debt Service Reserve Requirement;

FIFTH, notwithstanding the foregoing, at any time the Series 2018 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2018 Interest Account the amount necessary to pay interest on the Series 2018 Bonds subject to redemption on such date; and

SIXTH, subject to the following paragraph, the balance of any moneys remaining after making the foregoing deposits shall remain in the Series 2018 Revenue Account unless pursuant to the Arbitrage Certificate it is necessary to make a deposit into the Rebate Fund, in which case the District shall direct the Trustee in writing to make such deposit thereto.

On or after each November 2, the balance on deposit in the Series 2018 Revenue Account shall be applied (i) if withdrawals have been made from the Series 2018 Debt Service Reserve Account and a deficiency remains therein as of each November 1, (A) first, to pay the Series 2018 Insurer any Policy Costs then owed to the Series 2018 Insurer as of each such November 1, as certified to the Trustee in writing by the Series 2018 Insurer, and (B) then, to make deposits to the Series 2018 Debt Service Reserve Account necessary to make the amount on deposit therein equal the Series 2018 Debt Service Reserve Requirement, and then (ii) the balance, if any, shall be deposited into the Series 2018 General Account in the Series 2018 Bond Redemption Fund and applied to the extraordinary mandatory redemption of Series 2018 Bonds on the first Redemption Date upon which such redemption may occur as provided herein and in the Series 2018 Bonds.

**Series 2018 Acquisition and Construction Account**

Proceeds of the Series 2018 Bonds shall be deposited into the Series 2018 Acquisition and Construction Account in the amount set forth in Section 2.06(d) of the First Supplement, together with any excess moneys transferred to the Series 2018 Acquisition and Construction Account, and such moneys in the Series 2018 Acquisition and Construction Account shall be applied as set forth in Article V of the Master Indenture and Sections 4.01(a) and 3.01(b)(ii) of the First Supplement to pay for the Costs of the Series 2018 Project. After the Completion Date of the Series 2018 Project and after retaining in the Series 2018 Acquisition and Construction Account the amount, if any, of all remaining unpaid Costs of the Series 2018 Project set forth in the Consulting Engineer's certificate establishing such Completion Date, any funds remaining in the Series 2018 Acquisition and Construction Account shall be transferred to and deposited

into the Series 2018 General Account of the Series 2018 Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2018 Bonds, and the Series 2018 Acquisition and Construction Account shall be closed.

**Limitation on Additional Bonds and Other Indebtedness**

Under the First Supplement authorizing the Series 2018 Bonds, other than Refunding Bonds issued to refund Outstanding Series 2018 Bonds, the District covenants and agrees that, so long as there are any Series 2018 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Pledged Revenues.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2018 BONDS, THE DISTRICT, THE COUNTY, THE SCHOOL BOARD OF PASCO COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES, THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF THE ASSESSMENTS WHICH INCLUDES THE SERIES 2018 SPECIAL ASSESSMENTS SECURING THE SERIES 2018 BONDS. See "Enforcement and Collection of Series 2018 Special Assessments" below.

**Owner Direction and Consent with Respect to Series 2018 Acquisition and Construction Account Upon Occurrence of an Event of Default**

In accordance with the provisions of the Indenture, upon the occurrence of an Event of Default with respect to the Series 2018 Bonds, the Series 2018 Bonds are payable solely from the Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2018 Bonds, (i) the Pledged Revenues include, without limitation, all amounts on deposit in the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Pledged Revenues may not be used by the District (whether to pay Costs of the Series 2018 Project or otherwise) without the consent of the Majority Owners of the Series 2018 Bonds and (iii) the Pledged Revenues may be used by the Trustee, at the written direction or with the written approval of the Majority Owners of the Series 2018 Bonds, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture or as otherwise provided in the Master Indenture.

**Enforcement and Collection of Series 2018 Special Assessments**

The primary sources of payment for the Series 2018 Bonds are the Series 2018 Special Assessments imposed on each landowner within the District which is specially benefited by the Series 2018 Project. Series 2018 Special Assessments pledged under the Indenture to secure the Series 2018 Bonds shall be collected pursuant to the uniform method for the collection of special assessments set forth in the Act (the "Uniform Method"); provided, however, that the Series 2018 Special Assessments pledged under the Indenture to secure the Series 2018 Bonds may be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, upon the direction of the Trustee acting at the direction of the Series 2018 Insurer. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of Series 2018 Special Assessment payment and collection procedures appearing in the Florida Statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

**Prepayment**

Pursuant to the terms of the Assessment Proceedings, any owner of property subject to the Series 2018 Special Assessments may, at its option, require the District to release and extinguish the lien upon its property by virtue of the levy of the Series 2018 Special Assessments that relate to the Series 2018 Bonds by paying to the District the entire amount of such Series 2018 Special Assessment on such property, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five calendar days before an Interest Payment Date), attributable to the property subject to such Series 2018 Special Assessment owned by such owner. Upon receipt of a prepayment as described in the preceding sentence, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the District, to the effect that the Series 2018 Special Assessment has been paid and that such Series 2018 Special Assessment lien is thereby released and extinguished. Upon receipt of any such moneys from the District, the Trustee shall immediately deposit the same into the applicable Prepayment Subaccount and such funds are to be applied to the redemption of Series 2018 Bonds in accordance with the terms of the Indenture. See "DESCRIPTION OF THE SERIES 2018 BONDS -- Redemption Provisions" herein.

**Re-Assessment**

Pursuant to the Indenture, if any Series 2018 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2018 Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2018 Special Assessment when it might have done so, the District shall either: (i) take all necessary steps to cause a new Series 2018 Special Assessment to be made for the whole or any part of such improvement or against any property benefitted by such improvement; or (ii) in its sole discretion, make up the amount of such Series 2018 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2018 Revenue Account. In case any such subsequent Series 2018 Special Assessment shall also be annulled, the District shall obtain and make other Series 2018 Special Assessments until a valid Series 2018 Special Assessment shall be made.

**Additional Covenant of the District Regarding Special Assessments**

In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2018 Special Assessments, including the Assessment Resolution and the Assessment Methodology, and to levy the Series 2018 Special Assessments in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2018 Bonds, when due. The Assessment Methodology shall not be amended in a manner that materially impacts the methodology used therein without written consent of the Majority Owners of the Series 2018 Bonds.

**Covenant with Regard to Foreclosure of Assessment Lien**

Notwithstanding Section 9.06 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2018 Special Assessments and Series 2018 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2018 Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2018 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2018 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2018 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the Series 2018 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series 2018 Revenue Account. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2018 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Series 2018 Bonds.

**Events of Default and Remedies**

Each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2018 Bonds.

(a) if payment of any installment of interest on the Series 2018 Bonds is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2018 Bonds is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails to, or is rendered incapable of fulfilling its obligations under the Indenture or under the Act; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2018 Bonds issued pursuant to the Indenture and such default continues for sixty (60) days after written notice thereof that requires the same to be remedied shall have been given to the District by the Trustee, which notice may be given by the Trustee in its discretion and which notice shall be given by the Trustee at the written request of the Majority Owners of the Series 2018 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion;

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Series 2018 Bonds that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility District to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture;

(g) The Trustee withdraws more than twenty-five percent (25%) of the available funds from the Series 2018 Debt Service Reserve Account established to pay Debt Service Requirements for the Series 2018 Bonds and such amount is not replenished within twelve (12) months of the date of withdrawal (including from collections of delinquent Special Assessments); or

(h) More than twenty-five percent (25%) of the operation and maintenance assessments levied and collected directly by the District on District Lands subject to the Series 2018 Special Assessments securing the Series 2018 Bonds are not paid within ninety (90) days of the date such are due and payable ("Delinquent Direct Billed Operation and Maintenance Assessments").

An Event of Default with respect to the Series 2018 Bonds shall not be an Event of Default as to any other Series of Bonds, unless otherwise provided in a Supplemental Indenture.

If any Event of Default with respect to the Series 2018 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Owners of the Outstanding Series 2018 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2018 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2018 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2018 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2018 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2018 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series 2018 Bonds.

**Rights of Series 2018 Insurer**

Pursuant to the First Supplement, the Series 2018 Insurer is granted certain rights, including those set forth in Section 6.07 and Exhibits "A" and "B" of the First Supplement, certain of which are described hereinbelow. For so long as the Series 2018 Insurance Policy is in force and effect with respect to the Series 2018 Bonds and the Series 2018 Insurer is not in default under the Series 2018 Insurance Policy, the Series 2018 Insurer shall be deemed to be the Owner of all of the Outstanding Series 2018 Bonds (which includes the "Majority Owner" as defined in the Indenture") for purposes of controlling any rights and remedies upon the occurrence of any Event of Default. The First Supplement further provides that any amendment, supplement, modification to, or waiver of, the Indenture that requires the consent of Owners of the Series 2018 Bonds or adversely affects the rights and interests of the Series 2018 Insurer shall be subject to the prior written consent of the Series 2018 Insurer.

The Series 2018 Insurer shall be deemed to be the sole Owner of the Series 2018 Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Series 2018 Bonds are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. In furtherance thereof and as a term of the Indenture and each Series 2018 Bond, each Owner of the Series 2018 Bonds appoints the Series 2018 Insurer as its agent and attorney-in-fact with respect to the Series 2018 Bonds and agrees that the Series 2018 Insurer may at any time during the continuation of any proceeding by or against the District under the United States Bankruptcy Coe or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any adjustment. In addition, each Owner of the Series 2018 Bonds delegates and assigns to the Series 2018 Insurer, to the fullest extent permitted by law, the rights of each Owner of the Series 2018 Bond with respect to the Series 2018 Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any part to any adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. The Trustee acknowledges such appointment, delegation and assignment by each Owner of the Series 2018 Bonds for the Series 2018 Insurer's benefit, and agrees to cooperate with the Series 2018 Insurer in taking any action reasonably necessary or appropriate in connection with such appointment, delegation and assignment. Remedies granted to the Owners shall expressly include mandamus.

See "BONDOWNERS RISKS" herein and "APPENDIX A – FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENT" attached hereto.

## THE SERIES 2018 RESERVE POLICY

The Municipal Bond Debt Service Reserve Insurance Policy (the "Series 2018 Reserve Policy") will be in an initial amount equal to fifty percent (50%) of the Series 2018 Reserve Requirement ($151,605.47), and will terminate on the final maturity date of the Series 2018 Bonds or upon earlier payment in full of the Series 2018 Bonds. The Series 2018 Reserve Policy is provided by AGM and provisions relating to the Series 2018 Reserve Policy are attached to the First Supplement as Exhibit B. See

"BOND INSURANCE" herein for information regarding AGM and "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2018 BONDS - Reserve Account Requirements; Series 2018 Debt Service Reserve Account" herein for information regarding the Series 2018 Debt Service Reserve Account. See also "APPENDIX A – FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENT."

## ENFORCEMENT OF ASSESSMENT COLLECTIONS

### General

The primary sources of payment for the Series 2018 Bonds are the Series 2018 Special Assessments levied and imposed on benefitted parcels in the District specially benefitted by the Series 2018 Project or portions thereof pursuant to the assessment proceedings adopted by the District (the "Assessment Proceedings"). The determination, order, levy, and collection of Series 2018 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Pasco County Property Appraiser or the Pasco County Tax Collector to comply with such requirements could result in delay in the collection of, or the inability to collect some or all of the Series 2018 Special Assessments, during any year. Such delays in the collection of Series 2018 Special Assessments, or complete inability to collect Series 2018 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of debt service requirements on the Series 2018 Bonds. To the extent that landowners fail to pay the Series 2018 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2018 Bonds. The Act provides for various methods of collection of delinquent Series 2018 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes, but is qualified in its entirety by reference to such statutes.

### Structure of Series 2018 Special Assessments and Prepayment

The Series 2018 Special Assessments are payable in substantially equal annual installments of principal and interest. According to the District's Assessment Proceedings, a property owner may prepay the Series 2018 Special Assessment, in whole at any time or any portion of the remaining balance of the Series 2018 Special Assessments one (1) time if there is also paid in addition to the remaining principal balance of the Series 2018 Special Assessment an amount equal to the interest that would otherwise be due on such balance on the earlier of the next succeeding Interest Payment Date for the Series 2018 Bonds, or, if prepaid during the forty five day period preceding the Interest Payment Date, to the next succeeding Interest Payment Date.

The Series 2018 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2018 BONDS," from such Prepayments at the redemption price of par plus accrued interest to the date of such redemption. The prepayment of installments of Series 2018 Special Assessments does not entitle the owner of the property to a discount for early payment.

### Alternative Uniform Tax Collection Procedure for Series 2018 Special Assessments

The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2018 Special Assessments to be levied and then collected in this manner. Subject to certain exceptions identified in the Indenture, the District has

covenanted in the Indenture to collect the Series 2018 Special Assessments using the Uniform Method of collection. Under the Uniform Method, the Series 2018 Special Assessments will be collected, together with County, school, special district, and other ad valorem taxes and will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes provide that ad valorem taxes become due and payable on November 1 of the year when assessed or as soon thereafter as the certified tax roll is received by the Tax Collector and constitute a lien upon the land from the date of imposition until paid or barred by operation of law. Such taxes (together with any assessments, including the Series 2018 Special Assessments, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2018 Special Assessments. Upon receipt of moneys by the Tax Collector from the Series 2018 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2018 Special Assessments to the Trustee for deposit to the applicable accounts and subaccounts established for the Series 2018 Bonds in the Revenue Fund created under the Indenture and applied in accordance therewith.

Subject to certain limited exceptions, all County, school and special district ad valorem taxes, non-ad valorem special assessments and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, including the Series 2018 Special Assessments levied by the District, are payable at one time. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. A partial payment shall be distributed in equal proportion to all taxing districts and levying authorities applicable to that account. Therefore, in the event the Series 2018 Special Assessments are collected pursuant to the Uniform Method, any failure to pay any one line item, whether it be the Series 2018 Special Assessments or not, would cause the Series 2018 Special Assessments to not be collected to that extent on that parcel of property whose owner does not pay his bill in full, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service requirements on the Series 2018 Bonds. The latter notwithstanding, there has been at least one instance where a tax collector has accepted partial payment (less a special assessment), the validity of which was ultimately deemed to be acceptable in circuit court. Acceptance by a tax collector of less than full payment of a tax notice could result in the collection of less than the amount necessary to pay debt service on the Series 2018 Bonds.

Pursuant to Section 197.222, Florida Statutes, taxpayers may elect to pay estimated taxes, including the Series 2018 Special Assessments, in quarterly payments on June 30, September 30 and December 31 of the year levied and March 31 of the year following. The first three payments receive discounts of 6%, 4.5% and 3%, respectively.

Under the Uniform Method, if the Series 2018 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November (or at any time within 30 days after the original tax notice is mailed) and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments, including the Series 2018 Special Assessments collected pursuant to the Uniform Method, become delinquent on April 1 of the year following assessment, and the Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and after that date to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Collection of delinquent Series 2018 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2018 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates,

pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the applicable interest charge, costs and advertising charges on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County, as the county in which the assessed lands are located. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). During the pendency of any litigation arising from the contest of a landowner's tax assessment collected through the Uniform Method, which may possibly include non-ad valorem special assessments such as the Series 2018 Special Assessments, it is possible that the Tax Collector will not sell tax certificates with respect to such property. The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County until such certificate is redeemed or purchased. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2018 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2018 Special Assessments, which are the primary source of payment of the Series 2018 Bonds.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part, by the person owning or claiming an interest in the underlying land, or a creditor thereof, at any time before a tax deed is issued or the property is placed on the list of lands available for sale, at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at $5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest

thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholder and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

On County-held certificates for which there are no bidders at the public sale, the County may at any time within ninety (90) days from the date the land is placed on the lists of lands available for taxes, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the land was offered for public sale, unsold lands escheat to the County and all tax certificates, taxes and liens against the property are canceled and a deed is executed vesting title in the County Commission.

Pursuant to the Indenture, if any property shall be offered for sale for the nonpayment of any Series 2018 Special Assessment and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Series 2018 Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2018 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2018 Bonds to which such Series 2018 Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the Series 2018 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2018 Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as provided in the Indenture, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the Series 2018 Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the Owners of the Series 2018 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Outstanding Series 2018 Bonds.

**Foreclosure**

In the event the Uniform Method of collection is not available to the District or the District determines it is not in its best interest to use the Uniform Method, the District may, with the prior written

consent of the Series 2018 Insurer, directly levy and enforce the collection of the Series 2018 Special Assessments pursuant to Chapters 170 and 190 and Section 197.3631, Florida Statutes. In addition, the First Supplement requires that upon the occurrence of an Event of Default, if the Trustee, acting at the written direction of the Series 2018 Insurer, requests that the Issuer not use the Uniform Method, but instead collect and enforce Series 2018 Special Assessments pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Series 2018 Special Assessments in the manner and pursuant to the method so requested by the Trustee. Section 170.10, Florida Statutes, provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes, relating to foreclosure of municipal tax and special assessment liens. Any foreclosure proceedings to enforce payment of the Series 2018 Special Assessments may proceed under the provisions of Chapter 173, Florida Statutes, which provides that after the expiration of one year from the date any special assessment or installment thereof becomes due, the District may commence a foreclosure proceeding against the lands upon which the assessments are liens. Such a proceeding is in rem, meaning that it is brought against the land and not against the owner. Under certain circumstances, with respect to Series 2018 Special Assessments which the District has been collecting through the Uniform Method, the District may opt out of using the Uniform Method and utilize the foreclosure procedures described in this paragraph.

In general, after the District commences the suit, there is a period of notice to, and an opportunity for response by, affected persons. Ultimately a hearing will be held and, if the court decides in favor of the District, a judgment will be rendered in the amount of the Delinquent Assessments and costs of the proceeding. The judgment would also direct sale of the land subject to the Delinquent Assessments by public bid to the highest bidder, with proceeds of the sale being applied to payment of the Delinquent Assessments. If no bidder bids at least the amount of the Delinquent Assessments and applicable costs, the District may obtain title to the land.

## BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS"; however, certain additional risks are associated with the Series 2018 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2018 Bonds and prospective purchasers are advised to read this Official Statement, including all appendices hereto, in its entirety to identify investment considerations relating to the Series 2018 Bonds.

I. In the event of the institution of bankruptcy or similar proceedings with respect to an owner of property subject to the Series 2018 Special Assessments, delays and impairment could occur in the payment of debt service on the Series 2018 Bonds as such bankruptcy could negatively impact the ability of: (i) the land owner being able to pay the Series 2018 Special Assessments; (ii) the County to sell tax certificates in relation to such property; and (iii) the District's ability to enforce collection. In addition, the remedies available to the Owners of the Series 2018 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2018 Bonds, including, without limitation, enforcement of the obligation to pay Series 2018 Special Assessments and the ability of the District to foreclose the lien of the Series 2018 Special Assessments, may not be readily available or may

be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2018 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available respecting the Series 2018 Bonds could have a material adverse impact on the interest of the Owners hereof. Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years.

II. The principal security for the payment of the principal and interest on the Series 2018 Bonds is the timely collection of the Series 2018 Special Assessments. Series 2018 Special Assessments do not constitute a personal indebtedness of the owners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the owners will be able to pay the Series 2018 Special Assessments or that they will pay such Series 2018 Special Assessments even though financially able to do so. The assessment of the benefits to be received by the land within the District as a result of implementation of the Series 2018 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Series 2018 Project is lower than the assessment of benefits, the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2018 Bonds may be adversely affected. Such adverse effect could render the District unable to collect Delinquent Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2018 Bonds.

III. The District has not granted, and may not grant under Florida law, a mortgage or security interest in any portion of the Series 2018 Project. Furthermore, the District has not pledged the revenues from the operation of any portion of the Series 2018 Project as security for, or a source of payment of, the Series 2018 Bonds. The Series 2018 Bonds are payable solely from, and secured solely by, the Series 2018 Special Assessments.

IV. The willingness and/or ability of an owner of land within the District to pay the Series 2018 Special Assessments could be affected by the existence of other taxes and assessments imposed upon the property by the District, the County or other governmental entities with jurisdiction over the District. Public entities whose boundaries overlap those of the District, such as the County, the Pasco County School District and other special districts, could, without the consent of the owners of the land within the District, impose additional taxes or assessments on the property within the District. County, municipal, school, special district taxes and assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, including the Series 2018 Special Assessments, are payable at one time. As referenced above, if a taxpayer does not make complete payment, he or she cannot designate specific line items on the tax bill as deemed paid in full. In such case, the Tax Collector does not accept such partial payment. Therefore, any failure to pay any one line item, whether or not it is the Series 2018 Special Assessments, would cause the Series 2018 Special Assessments not to be collected to that extent, which could have a significant adverse impact on the District's ability to make full or punctual payment of debt service on the Series 2018 Bonds. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes or assessments on the property within the District. As referenced herein, the District may also impose additional assessments which could encumber the property burdened by the Series 2018 Special Assessments.

V. The Series 2018 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2018 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2018 Bonds. Even if a liquid secondary market exists, there can be no

assurance as to the price for which the Series 2018 Bonds may be sold. Such price may be lower than that paid by the current Owner of the Series 2018 Bonds, depending on existing market conditions and other factors.

VI. In addition to legal delays that could result from bankruptcy, the ability of the District to enforce collection of delinquent Series 2018 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2018 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. If the District has difficulty in collecting the Series 2018 Special Assessments, the Series 2018 Debt Service Reserve Account could be rapidly depleted and the ability of the District to pay debt service could be materially adversely affected.

VII. The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS recently concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions,

Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." On October 20, 2017, the IRS published an official notice withdrawing the proposed regulations.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years or when there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it would contain a sufficient number of residents to allow for a transition to control by a general electorate, and currently, all members of the Board of the District were elected by qualified electors. There can be no assurance that an audit by the IRS of the Series 2018 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2018 Bonds are advised that, if the IRS does audit the Series 2018 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2018 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2018 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2018 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2018 Bonds would adversely affect the availability of any secondary market for the Series 2018 Bonds. Should interest on the Series 2018 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2018 Bonds be required to pay income taxes on the interest received on such Series 2018 Bonds and related penalties, but because the interest rate on such Series 2018 Bonds will not be adequate to compensate Owners of the Series 2018 Bonds for the income taxes due on such interest, the value of the Series 2018 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2018 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2018 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2018 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2018 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2018 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

VIII. There is no assurance that the ratings on the Series 2018 Bonds will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely if circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2018 Bonds.

IX. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2018 Special

Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2018 Special Assessments even though the landowner is not contesting the amount of Series 2018 Special Assessment.

X. In the event of default of the payment of principal or interest with respect to the Series 2018 Bonds when all or some becomes due, any owner of the Series 2018 Bonds shall have a claim under the Series 2018 Insurance Policy for such payments. The payment of principal and interest in connection with mandatory or optional prepayment of the Series 2018 Bonds by the District, which is recovered by the District from the Bondholder as a voidable preference under applicable bankruptcy law, is covered by the Series 2018 Insurance Policy. However, such payments, other than a mandatory sinking fund redemption, will be made by the Series 2018 Insurer at such time and in such amounts as would have been due absent such prepayment by the District unless the Series 2018 Insurer chooses to pay such amounts at an earlier date.

The Series 2018 Insurer may direct and must consent to remedies and the Series 2018 Insurer's consent may be required in connection with amendments to the Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2018 Bonds – Rights of Series 2018 Insurer" and "APPENDIX A – FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENT."

In the event the Series 2018 Insurer is unable to make payment of principal and interest as such payments become due under the Series 2018 Insurance Policy, the Series 2018 Bonds are payable solely from the moneys received pursuant to the applicable bond documents. In the event the Series 2018 Insurer becomes obligated to make payments with respect to the Series 2018 Bonds, no assurance is given that such event will not adversely affect the market price of the Series 2018 Bonds or the marketability (liquidity) for the Series 2018 Bonds.

The long-term ratings on the Series 2018 Bonds that are based on the Series 2018 Insurance Policy are dependent in part on the financial strength of the Series 2018 Insurer and its claim paying ability. The Series 2018 Insurer's financial strength and claims paying ability are predicated upon a number of factors which could change over time. No assurance is given that the long-term ratings of the Series 2018 Insurer and of the ratings on the Series 2018 Bonds insured by the Series 2018 Insurer will not be subject to downgrade and such event could adversely affect the market price of the Series 2018 Bonds or the marketability (liquidity) for the Series 2018 Bonds. See "RATINGS" herein. The District has no obligation to replace the Series 2018 Insurance Policy or Reserve Series 2018 Insurance Policy in the event of a downgrade or withdrawal of the rating of the Series 2018 Insurer.

The obligations of the Series 2018 Insurer are contractual obligations and in an event of default by the Series 2018 Insurer, the remedies available may be limited by applicable bankruptcy law or state law related to insolvency of insurance companies.

## SERIES 2018 PROJECT

The District is issuing the Series 2018 Bonds primarily to fund improvement enhancements, which include, but are not limited to, clubhouse expansion/modernization, recreational land acquisition, roadway replacement, signage, gates, entry features, and other related improvements (collectively, the "Series 2018 Project"). The complete list of potential improvements comprising the Series 2018 Project is provided in the Report of the District engineer dated as of July 2018 (the "Engineer's Report"). The cost of all improvements listed therein is estimated at approximately $7.79 million. However, the District is not obligated to fund all potential improvements, and it is expected that net proceeds of the Series 2018 Bonds will fund approximately $7.3 million of the Series 2018 Project, with the remaining cost of improvements comprising the Series 2018 Project to be funded by the District directly with reserves on hand. See "APPENDIX A" attached hereto, which includes the Engineer's Report.

## SERIES 2018 SPECIAL ASSESSMENT AREA

### The District/General

The District was established in October, 1994 and is located in Wesley Chapel, Florida, approximately two (2) miles east of Bruce B. Downs Boulevard and south of State Road 54. It is part of the larger Meadow Pointe development, which encompasses five (5) community development districts, four (4) of which have previously issued bonds.

The residential component of the District encompasses 2,162 residential units and a clubhouse with a fitness facility, pool complex, and sport courts. Although the District also features some non-residential land uses, which include retail parcels and a daycare facility, only the 2,162 residential units will be encumbered with the Series 2018 Special Assessments securing the Series 2018 Bonds.

### Prior District Indebtedness

The District originally issued bonds in 1995, 1996, 1997, 1998, and 2000 to fund infrastructure improvements during the development stage of the community. Of those issuances, only the District's Series 1995 Bonds had a final maturity date occurring later than 2005. The Series 1995 Bonds were refunded in 2004 and were ultimately retired in May 2017. The District currently has no outstanding bonds.

### Series 2018 Special Assessment Area Data

The Series 2018 Bonds will be secured by Series 2018 Special Assessments levied on all 2,162 residential units in the District. The Series 2018 Special Assessments will be collected by the Pasco County Tax Collector. The estimated annual debt service assessments for the Series 2018 Bonds are depicted in the tables below and include estimated early payment discounts and collection costs.

**SERIES 2018 SPECIAL ASSESSMENTS**

In addition to debt service assessments, all residential units in the District are subject to annual ad valorem property taxes as well as non-ad valorem special assessments levied by the District for its operation, maintenance and administrative functions ("O&M Assessments"). The current millage rate for the area of Pasco County that the District is located is 16.5047 mills. The O&M Assessments levied by the District for fiscal year 2017/2018 ranged from $339 - $1,661 per unit. The O&M Assessments will vary annually based on the adopted budget of the District each year. Further, residential units in the District are subject to annual homeowner's association fees that vary by neighborhood and product type.

**Development Status**

The majority of assessed units in the District have been vertically complete for many years. The sole neighborhood in the District which is not vertically complete is an enclave previously known as Wellington at Meadow Pointe ("Wellington"). Although horizontal improvements within Wellington were substantially completed as of approximately 2007, the owner of the Wellington parcel failed to vertically construct the majority of the planned units within Wellington, eventually exiting the project in approximately 2015.

The Wellington property was ultimately acquired in 2016 by Anand Vihar, LLC, which has repositioned the neighborhood as "Anand Vihar", a 55+ age-restricted community with extensive planned amenities, including a clubhouse, fitness center, dining halls, pools, and media center. Current product offerings range in size from 1,621 to 2,759 square feet and in price from $179,000 to $379,000. Although recent sales were not yet reflected on the latest tax roll obtained from the District, representatives of Anand Vihar, LLC indicated that approximately fourteen (14) of the 155 planned single-family units had been closed with retail buyers, with another approximately eight (8) units under contract. The twenty-four (24) unit multi-family buildings, which were originally completed prior to the market downturn, are currently undergoing interior renovation. Full sellout of Anand Vihar is expected by the end of 2020.

## Value to Lien Ratios

Based upon information obtained from the Pasco County Property Appraiser, the total appraised (uncapped) market value for all assessable parcels located in the District is $340,466,124. This equates to an overall value to lien of approximately 40.4 to 1. The information in the tables below depict the estimated average appraised value to lien ratios for the individual product types associated with the Series 2018 Bonds.

**APPRAISED VALUE TO LIEN RATIOS –SERIES 2018 BONDS**

## SPECIAL ASSESSMENT METHODOLOGY

Inframark, LLC, prepared the First Supplemental Special Assessment Methodology Report, dated October 24, 2018 (the "Assessment Report"). The Assessment Report is included herein as Appendix B. The Assessment Report contains the method for allocating the Series 2018 Special Assessments relative to the special benefit conferred to the residential units in the District resulting from the financing of the Series 2018 Project. The Series 2018 Special Assessments will be allocated, in accordance with the Assessment Report, based on residential product type, all as set forth in the Assessment Report. See "APPENDIX B - ASSESSMENT REPORT" for a more detailed description of the Methodology and the property in the District subject to the Series 2018 Special Assessments.

## TAX MATTERS

### General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2018 Bonds in order that interest on the Series 2018 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2018 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2018 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2018 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture with respect to the Series 2018 Bonds to comply with such

requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2018 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2018 Bonds (including any original issue discount properly allocable to the owner thereof) is excluded from gross income for purposes of federal income taxation. Interest on the Series 2018 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. However, interest on the Series 2018 Bonds shall be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations for taxable years that begin prior to January 1, 2018. The alternative minimum tax on corporations was repealed for taxable years beginning on and after January 1, 2018.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2018 Bonds. Prospective purchasers of Series 2018 Bonds should be aware that the ownership of Series 2018 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2018 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2018 Bonds; (iii) the inclusion of interest on Series 2018 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2018 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2018 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

In addition, the Series 2018 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In rendering this opinion, Bond Counsel has relied on the designation of the Series 2018 Bonds in Resolution No. 2019-01 adopted by the District on October 3, 2018, as "qualified tax-exempt obligations" for purposes of the Code, in accordance with Section 265(b)(3)(B) thereof, and on the District's representations as to the current expectation that it and any entity issuing on behalf of the same will not issue in total more than $10,000,000 in tax-exempt obligations in calendar year 2018, except as would not count towards the issuance limit set forth in Section 265(b) of the Code. Any change in the findings and facts set forth in the Resolution and in the certifications of the District delivered at the closing with respect to the Series 2018 Bonds and relating to such designation could adversely affect the status of the Series 2018 Bonds as "qualified tax-exempt obligations."

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2018 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2018 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDOWNERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDOWNERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

**Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2018 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2018 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2018 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2018 Bonds and proceeds from the sale of Series 2018 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2018 Bonds. This withholding generally applies if the owner of Series 2018 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2018 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

**Other Tax Matters Relating to the Series 2018 Bonds**

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2018 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2018 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2018 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2018 Bonds.

Prospective purchasers of the Series 2018 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2018 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

On February 22, 2016, the Internal Revenue Service ("IRS") issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provide guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. If adopted, the Proposed Regulations would have affected certain State and local governments that issue tax-exempt bonds, including community development districts such as the District. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump (the "Executive Order"), the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (i) impose an undue financial burden on U.S. taxpayers; (ii) add undue complexity to the federal tax laws; or (iii) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that Treasury and the IRS believe that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that Treasury and the IRS will continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future.

Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Villages and the Villages TAM (each as defined below) may continue to be applicable in the absence of further guidance from the IRS. Bond Counsel will render its opinion regarding the exclusion from gross income of interest on the Series 2018 Bonds as described below.

On May 30, 2013, the IRS delivered to Village Center CDD, a Florida special district established under Chapter 190, Florida Statutes, a private ruling, called a technical advice memorandum (the "Villages TAM"), in connection with the examination by the IRS of bonds issued by the Village Center CDD (the "Audited Bonds"). The Villages TAM concluded that, despite having certain eminent domain powers, the Village Center CDD is not a political subdivision permitted to issue tax-exempt bonds based on a number of facts including that its governing board is elected by a small group of landowners, and that it "was organized and operated to perpetuate private control and avoid indefinitely responsibility to a public electorate, either directly or through another elected state or local governmental body."

The Villages TAM, as a private, non-precedential, ruling, binds only the IRS and the Village Center CDD, and only in connection with the Audited Bonds. Moreover, the cited legal basis for the Villages TAM is extremely limited, and, therefore, the value of the Villages TAM as guidance is also limited. Nonetheless, the breadth and force of the language used in the Villages TAM may reflect the disfavor of the IRS toward governmental entities with governing boards elected by landowners, and this position may lead the enforcement branch of the IRS to select bonds of other issuers with landowner-controlled boards for examination.

In July 2016, the IRS closed the examination of the Audited Bonds with no change to their tax-exempt status. Although the audit was closed with no adverse impact on the Audited Bonds, the IRS's motivations and rationale for closing the examination are unknown. The Village Center CDD refunded the Audited Bonds with taxable bonds in 2014.

Unlike the board of the Village Center CDD, the Board of Supervisors of the District is elected by the landowners residing in the District. The Act, which contains the uniform statutory charter for all community development districts and by which the District is governed, delegates to the District certain traditional sovereign powers including, but not limited to, eminent domain, ad valorem taxation and regulatory authority over rates, fees and charges for district facilities. It does not appear from the facts and circumstances that the District was organized to avoid indefinitely responsibility to a public electorate. On the basis of the foregoing and other factors, Bond Counsel has concluded that under current law the District is a political subdivision for purposes of Section 103 of the Code, notwithstanding that its Board of Supervisors is temporarily elected by landowners. Bond counsel intends to deliver its unqualified approving opinion in the form attached hereto as "APPENDIX D: PROPOSED FORM OF OPINION OF BOND COUNSEL."

The release of the Villages TAM may cause an increased risk of examination of the Series 2018 Bonds. Owners of the Series 2018 Bonds are advised that if the IRS does audit the Series 2018 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2018 Bonds may have limited rights to participate in such procedure. The Indenture does not provide for any adjustment to the interest rates borne by the Series 2018 Bonds in the event of a change in the tax-exempt status of the Series 2018 Bonds. The commencement of an audit or an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2018 Bonds could adversely impact both liquidity and pricing of the Series 2018 Bonds in the secondary market.

**Tax Treatment of Original Issue Discount**

Under the Code, the difference between the maturity amount of the Series 2018 Bonds maturing on 2020 through and including 2029 and the Series 2018 Bonds maturing on 2033 and on 2039 (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondowners of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

## DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder (the "Disclosure Act") requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has no outstanding bonds. The District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

## VALIDATION

The Bonds issued pursuant to the terms of the Master Indenture, which includes the Series 2018 Bonds, were validated by a Final Judgment of the Circuit Court in and for Pasco County, Florida entered on August 27, 2018 (the "Final Judgment"). The time for taking an appeal from such Final Judgment has expired without an appeal having been taken.

## LITIGATION

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2018 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization or existence of the District, nor the title of the present members of the Board of Supervisors has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs, and is currently involved with litigation related to a criminal incident at the activity center involving two youths. Insurance defense counsel is handling the litigation on behalf of the District pertaining to the latter. In the opinion of and to the knowledge of Counsel to the District, after due inquiry, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Pledged Revenues or the ability of the District to pay the Series 2018 Bonds from the Pledged Revenues.

## CONTINUING DISCLOSURE

In order to comply with the continuing disclosure requirements of Rule 15c2-12(b)(5) of the Securities and Exchange Commission (the "SEC Rule"), the District and Inframark, LLC, as dissemination agent (the "Dissemination Agent") will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the form of which is attached hereto as APPENDIX E. Pursuant to the Disclosure Agreement, the District has covenanted for the benefit of Bondholders to provide to the Dissemination Agent certain financial information and operating data relating to the District and the Series 2018 Bonds in each year (the "District Annual Report"), and to provide notices of the occurrence of certain enumerated material events. Such covenant by the District shall only apply so long as the Series 2018 Bonds remain Outstanding under the Indenture.

The District Annual Report will be filed by the Dissemination Agent with the Municipal Securities Rulemaking Board's Electronic Municipal Markets Access ("EMMA") repository described in the form of the Disclosure Agreement attached hereto as APPENDIX E. The notices of material events will also be filed by the District, through its Dissemination Agent, with EMMA. The specific nature of the information to be contained in the District Annual Report and the notices of material events are described in APPENDIX E. The Disclosure Agreement will be executed by the District and the Dissemination Agent at the time of issuance of the Series 2018 Bonds. The foregoing covenants have been made in order to assist the Underwriter in complying with the SEC Rule.

The District has previously entered into a continuing disclosure agreement in connection with the issuance of its Capital Improvement Revenue Refunding Bonds, Series 2004, (the "Series 2004 Bonds") for which it has provided continuing disclosure information during the last five years (the "2004 Undertaking"). The Series 2004 Bonds were redeemed in full in May of 2017, at which time the 2004 Undertaking ended.

With respect to the Series 2018 Bonds, no party other than the District is obligated to provide, nor is expected to provide, any continuing disclosure information with respect to the SEC Rule.

## UNDERWRITING

MBS Capital Markets, LLC (the "Underwriter"), has agreed, pursuant to a bond purchase agreement with the District, dated October 24, 2018, subject to certain conditions, to purchase all of the Series 2018 Bonds from the District. The aggregate purchase price for the Series 2018 Bonds is $8,177,121.05 (representing the aggregate par amount of the Series 2018 Bonds of $8,425,000, less aggregate original issue discount of $121,503.95, and less an Underwriter's discount on the Series 2018 Bonds of $126,375.00. See "ESTIMATED SOURCES AND USES OF FUNDS" herein. The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2018 Bonds if any are purchased.

The Underwriter intends to offer the Series 2018 Bonds at the offering prices set forth on the inside cover page of this Official Statement, which may subsequently change without prior notice. The Underwriter may offer and sell the Series 2018 Bonds to certain dealers (including dealers depositing the Series 2018 Bonds into investment trusts) at prices lower than the initial offering prices and such initial offering prices may be changed from time to time by the Underwriter.

## LEGAL MATTERS

The Series 2018 Bonds are offered for delivery when, as and if issued by the District and accepted by the Underwriter, subject to prior sale, withdrawal or modification of the offer without notice and the

receipt of the opinion of Bryant Miller Olive P.A., Orlando, Florida, Bond Counsel, as to the validity of the Series 2018 Bonds and the excludability of interest on the Series 2018 Bonds from gross income for federal income tax purposes. ## I. INTRODUCTION

Meadow Pointe II Community Development District (the "District") was created to provide and/or operate and maintain community infrastructure for the District. Located in Wesley Chapel, Florida (approximately 2 miles east of Bruce B Downs Blvd. and south of SR 54), the District operates and maintains community-wide infrastructure which includes but is not limited to the improvements of drainage facilities and landscaping within the street rights-of-way, the 6' wall or fence within the wall/landscape and buffer easements, gates to the entrance of the community, and tennis/basketball courts. The District plans and finances the community's infrastructure for the benefit of its residents. A Vicinity Map is located in Exhibit A.

The District currently plans to issue Series 2018 Bonds in order to fund some or all of the proposed improvements, as more specifically detailed herein. These items range from amenity improvements such as a new splash pad, awnings, and generators for the clubhouse, to proposed infrastructure improvements consisting of milling and resurfacing existing roadways, and replacing existing gates/cameras within the community. This report addresses the proposed community-wide improvements that may be financed in whole or in part with proceeds of the Series 2018 Bonds.

The implementation of the proposed improvements outlined in this report will need the approval of the CDD's Board of Supervisors. This approval includes which contractor(s) the project is awarded to, and which proposed item(s) will be approved or denied. The costs outlined in this Report are only an estimated cost prepared and based on the engineer's preliminary opinion. Final costs for the proposed improvements will be based on contractor's unit price, regulatory agencies, inflation, etc.

## II. DESCRIPTION OF EXISTING OR PROPOSED PUBLIC FACILITIES

The District plans to issue Series 2018 Bonds in order to finance all or a portion of the public infrastructure improvements described in this Report (the "Series 2018 Project"). These improvements include, but are not limited to, roadway improvements, gates/cameras, recreation center/clubhouse, and tree removal within the community. The improvements described herein will provide benefit to the residents living within the District. The following is a list and a brief description of the proposed improvements (refer to Exhibit B for proposed improvements cost estimates).

1. Announcement Board

   New installation of an LED message board to inform residents of activities and upcoming events.

2. Awnings

   Installation of new awnings on the existing Clubhouse.

3. Building expansion

   The recreation center/clubhouse is located at the northwest corner of the intersection of County Line Road and Mansfield Boulevard. The facility currently consists of a swimming pool, basketball courts, tennis courts, and many other recreational facilities. The proposed Series 2018 Bond may also fund, in whole or in part, a new (approximately 4,000 SF) building to accommodate the expanding services needed in the District. This will allow for the expansion of the facilities to provide social activities, a new workout facility, and additional District activity areas.

4. Existing Gates

   The existing gates, throughout each sub-division, require replacement. Over time, gates either get damaged by entering or exiting vehicles, or the motors opening and closing the gates simply cease to work and new gates need to be installed.

5. Cameras at Gates

   Cameras are proposed at the gate facilities to improve the safety of the community and to remotely monitor the ingress and egress within each community.

6. Generators at Clubhouse

   A backup generator system is proposed at the Clubhouse to ensure the continued operation of the Clubhouse and the existing amenities during periods of time when power may be lost. This may be during a major storm event, like a hurricane, or some type of power outage in the community.

7. Hurricane Shutters

   Hurricane shutters are proposed at the clubhouse to protect the existing facility during a major storm event.

8. Metal Roof (for existing clubhouse)

   The existing roof of the clubhouse is reaching the end of its life cycle and needs replacement. Replacing the existing asphalt shingle roof with a longer lasting metal roof is recommended.

9. Roadway Improvements

   The condition of all the sub-divisions roads owned by the District were inspected and evaluated based on pavement stress, ridability, smoothness,

cracks, and rutting. Each of the sub-divisions were then ranked based on the condition of the existing roadway. The ranking will determine which sub-division(s) is/are in the greatest need of repairs. The roadway improvements will require milling and resurfacing of the existing roadway to eliminate most of the cracks and rutting to provide the residents with a smoother ride within their own community.

10. Splash Pad

    A new splash park (approximately 20' x 20') is proposed near the existing pool facility. This new facility will expand the existing pool amenities and provide a recreation area for children to play during the summer months.

11. Tree Removal

    Roots from existing trees along the CDD's rights-of-way are damaging the existing sidewalk, curb and driveways. The sidewalk, curb and driveway panels are being lifted at various locations which creates a hazard for residents in these sub-divisions. Therefore, trees will be removed where needed.

12. Purchase of land for expansion of public recreational facilities

    New property for the future use by the CDD for the expansion of recreational facilities, courts, buildings, storage, etc.

13. Lap Pool

    A new lap pool to be used for fitness and health purposes. The lap pool will be at least 50 meters (164 feet) in length and 25 meters (82 feet) wide with a depth of 8 feet.

14. Lettingwell Driveway Apron and Sidewalk (ADA upgrades)

    Remove the exiting concrete facilities in Lettingwell that currently do not meet the American's with Disabilities Act (ADA) to bring the facilities into compliance with current ADA standards. This will include the removal and replacement of concrete curb and gutter, sidewalk and driveway aprons that are substandard. The CDD will be reimbursed all costs associated for the work that has been performed by the CDD

The decision whether to construct and/or bond finance any or all of the improvements listed above is at the discretion of the CDD's Board of Supervisors.

## III. CONCLUSION AND ENGINEER'S OPINION

The estimated costs presented in Exhibit B are the estimated costs required to construct the Series 2018 Project. These estimated construction costs are based on current unit prices

from similar projects in Pasco County, Florida. The estimated construction costs do not guarantee that each infrastructure improvement project(s) will be constructed at that price due to future costs of equipment and materials, regulatory actions, and many other factors beyond the Engineer's control.

Although the final cost to construct each infrastructure improvement may be more or less than what is stated in this Report, it is our opinion that the project costs will be close to our estimates. Statewide averages, along with unit prices from other consultants and contractors were used in the preparation of this report.

**MEADOW POINTE II COMMUNITY DEVELOPMENT DISTRICT**

**First Supplemental Special Assessment Methodology Report**

**October 24, 2018**

## PURPOSE

This report provides the first supplement to the Amended Master Special Assessment Methodology for Meadow Pointe II Community Development District (the "District") dated June 29, 2018. The purpose of this supplement is to describe how the master methodology is applied in the case of the Meadow Pointe II Community Development District Special Assessment Bonds, Series 2018 (the "Series 2018 Bonds").

## BACKROUND

The District was established by the Pasco County Board of County Commissioners in October 1994 for the purposes of financing and managing the acquisition, construction, maintenance and operations of a portion of the infrastructure necessary for community development within the District. At that time the District issued $16,090,000 of Capital Improvement Revenue Bonds, Series 1995 to finance the acquisition and construction of certain master infrastructure improvements and subdivision improvements. A Special Assessment Allocation Report was prepared by Rizzetta and Company and adopted by the Board of Supervisors of the Meadow Pointe II Community Development District to allocate the debt to the benefitted property. The bonds were refinanced in 2004 and have since been paid in full.

The District consists of approximately 822 acres within Meadow Pointe (the "Development") and is planned for 2,274 residential units as well as office and commercial land uses.

## 2018 PROJECT

The District Engineer's Report prepared by Lighthouse Engineering, Inc., dated July 2018, outlines the current Capital Improvements anticipated to be built or acquired by the District. These improvements are known as the 2018 Project and are divided between master improvements (the "Overall Improvements") and subdivision improvements (the "Neighborhood Improvements"). They include, but are not limited to, roadway improvements, gates/cameras, recreation center/clubhouse, land purchase, lap pool and tree removal within the community and are estimated to cost approximately 7,799,423 (Table 1). The District's $8,425,000 2018 Bonds will fund the all the Neighborhood Improvements and a majority of the Overall Improvements of the 2018 Project. This bond sizing includes the cost of the Capital Improvements, issuance costs, and interest on the bonds during the construction period, a debt service reserve fund and cost of issuance and underwriter's discount costs. Table 2 outlines the estimated bond sizing. The District will fund the remainder of the 2018 Project not financed with the Series 2018 Bonds from reserves on hand.

## BENEFIT ALLOCATION

According to the Amended Master Assessment Methodology the debt incurred by the District to fund the Overall Improvements is allocated to the properties receiving special benefits on the basis of development intensity and density. The special assessment lien will be allocated based on an Equivalent Residential Unit (ERU) factor. An ERU represents a typical value applied to the base unit of measurement. The base unit used in this report is the Single Family Lot. It has been assigned an ERU value of 1. Based on the relative density for all other residential and non-residential land use categories as compared to the Single Family Lot, a fair and equitable allocation of benefit is then calculated. These ERU values are outlined on Table 3.

The total Debt per Unit and Annual Assessment per Unit of Overall Improvements is calculated for each product type and shown in Table 4. The commercial property within the District will not receive benefit from the Overall Improvements and therefore will not be allocated any Overall Improvement debt.

The debt incurred by the District to fund the Neighborhood Improvements is allocated to each individual subdivision and then divided by the number of units in the subdivision to calculate the per unit assessment. The total Debt per Unit and Annual Assessment per Unit of Neighborhood Improvements is calculated for each subdivision and shown in Table 5. The Engineer's Report does not identify any Neighborhood Improvements for the subdivision of Anand Vihar and therefore will not be allocated any Neighborhood Improvement debt.

Included in the neighborhood improvements for Lettingwell are $85,000 of sidewalk improvements incurred by the District. The District adopted Resolution 2017-4 on March 15, 2017 declaring the intent of the District to include these capital expenditures in a future tax-exempt financing and be reimbursed to the district upon the issuance of debt.

Table 6 summarizes both the Overall Improvement Debt and Neighborhood Improvement Debt for each subdivision.

The 2018 Bonds will amortize over 20 years with semi-annual interest payments beginning May 1, 2019 and semi-annual principal payments beginning May 1, 2020.

## SPECIAL ASSESSMENT ROLL

Table 7 provides the Series 2018 Special Assessment Roll allocating the District's debt associated with the total amount of bonds to all tax parcels within the District presently on the Pasco County Property Appraiser's tax roll.

**SECTION 2.01. AMOUNTS AND TERMS OF BONDS; DETAILS OF BONDS**. The Issuer is hereby authorized to issue in one or more Series pursuant to the terms and conditions of this Master Indenture, its obligations to be known as "Meadow Pointe II Community Development District Special Assessment Bonds, Series [to be designated]" (the "Bonds"). The total principal amount of Bonds that may be issued under this Master Indenture is expressly limited to $10,000,000 exclusive of any refunding bonds. The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as **Exhibit C**, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee

shall, at the Issuer's written request, authenticate such Bonds and deliver them as specified in such request.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Unless otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, the principal of all Bonds shall be payable at the designated corporate trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

Except to the extent otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, interest on any Bond is payable on any Interest Payment Date by check or draft mailed on the Interest Payment Date to the person in whose name that Bond is registered at the close of business on the Regular Record Date for such Interest Payment Date, at his address as it appears on the Bond Register. The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called "Defaulted Interest") shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given by Electronic Means or mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to giving such notices, at his address as it appears in the Bond Register not less than ten (10) days prior to such Special Record Date. The foregoing notwithstanding, but subject to the provisions of Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least $1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the

Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds.

**SECTION 2.02. EXECUTION**. The Bonds shall be executed by the manual or facsimile signature of the Chair or Vice Chair of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon written request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

**SECTION 2.03. AUTHENTICATION; AUTHENTICATING AGENT**. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, as Authenticating Agent, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authenticating Agent and shall be authorized to authenticate the Bonds.

**SECTION 2.04. REGISTRATION AND REGISTRAR**. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the "Bond Register" or "Register") in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. Initially, and until the Trustee provides notice as provided in the immediately preceding sentence, the Bond Register shall be kept at the Trustee's designated corporate trust office in Orlando, Florida.

**SECTION 2.05. MUTILATED, DESTROYED, LOST OR STOLEN BONDS**. If any Bond shall become mutilated, the Issuer shall execute and the Trustee or Authenticating Agent, as the case may be, shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee or Authenticating Agent, as the case may be, of such mutilated Bond for cancellation, and the Issuer and the Trustee or Authenticating Agent, as the case may be, may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be

submitted to the Issuer and the Trustee or Authenticating Agent, as the case may be; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee or Authenticating Agent, as the case may be, shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee or Authenticating Agent, as the case may be, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of the Indenture equally and proportionately with any and all other Bonds of such same series duly issued hereunder.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

**SECTION 2.06. TEMPORARY BONDS**. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its written request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon written request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

**SECTION 2.07. CANCELLATION AND DESTRUCTION OF SURRENDERED BONDS**. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent or Authenticating Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect. The Trustee shall upon written request deliver to the Issuer a certificate of destruction in respect of all Bonds destroyed in accordance with this Section.

**SECTION 2.08. REGISTRATION, TRANSFER AND EXCHANGE**. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee, as Registrar and Authenticating Agent, shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee, as Registrar and Authenticating Agent shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under the Indenture as the Bonds of such same Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of giving a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of giving such notice, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

**SECTION 2.09. PERSONS DEEMED OWNERS**. The Issuer, the Trustee, any Paying Agent, the Registrar, or the Authenticating Agent shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent, the Registrar or the Authenticating Agent) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, the Registrar and the Authenticating Agent shall not be affected by any notice to

the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

**SECTION 2.10. LIMITATION ON INCURRENCE OF CERTAIN INDEBTEDNESS**. The Issuer will not issue Bonds, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

**SECTION 2.11. QUALIFICATION FOR THE DEPOSITORY TRUST COMPANY**. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York ("DTC") and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee in writing) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless otherwise provided in a Supplemental Indenture, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, the Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the Beneficial Owners.

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references to DTC or Cede & Co. shall be deemed to be references to its respective successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

(3) an opinion of Counsel to the Issuer, which shall also be addressed to the Trustee (for items a, d, e and f only), to the effect that: (a) the Issuer has good right and lawful authority under the Act to undertake the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body; (b) that the Special Assessment proceedings have been taken in accordance with Florida law and that the Issuer has taken all action necessary to levy and impose the Special Assessments; (c) that the Special Assessments are legal, valid, and binding liens upon the property against which the Special Assessments are made, coequal with the lien of all State, City, County and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; (d) the related Indenture has been duly and validly authorized, approved, and executed by the Issuer; (e) the issuance of the Series of Bonds has been duly authorized and approved by the Board; and (f) the related Indenture (assuming due authorization, execution and delivery by the Trustee) constitutes a binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms except as enforcement thereof may be affected by bankruptcy, reorganization, insolvency, moratorium and other similar laws relating to creditors' rights generally and subject

to equitable principles, whether in a proceeding at law or in equity (clauses (a), (b) and (c) shall not apply in the case of the issuance of a refunding Series of Bonds);

(6) a copy of the Supplemental Indenture for such Bonds, certified by the Secretary or Assistant Secretary of the Issuer as being a true and correct copy thereof;

(7) the proceeds of the sale of such Bonds.

(8) any Credit Facility authorized by the Issuer in respect to such Bonds;

(9) one or more Certified Resolutions of the Issuer relating to the levy of Special Assessments in respect of the Project, and evidencing that the Issuer has undertaken and, to the extent then required under applicable law, completed all necessary proceedings, including, without limitation, the approval of assessment rolls, the holding of public hearings, the adoption of resolutions and the establishment of all necessary collection procedures, in order to levy and collect Special Assessments upon the District Lands in an amount sufficient to pay the Debt Service Requirement on the Bonds to be issued (the foregoing shall not be applicable in the case of the issuance of a refunding Series of Bonds);

(14) in the case of the issuance of a refunding Series of Bonds, a written opinion of Bond Counsel to the effect that the issuance of such Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds issued pursuant to the Indenture (to the extent that upon original issuance thereof such Bonds were issued as Bonds the interest on which is excludable from gross income for federal income tax purposes); and

(15) such other documents, certifications and opinions as shall be required by the Supplemental Indenture or by the Issuer or the Trustee upon advice of counsel.

At the option of the Issuer, any or all of the matters required to be stated in the Certified Resolution described in (1) above may instead be stated in a Supplemental Indenture, duly approved by a Certified Resolution of the Issuer. **ARTICLE IV**
**ACQUISITION OF PROJECT**

**SECTION 4.01. PROJECT TO CONFORM TO PLANS AND SPECIFICATIONS; CHANGES**. The Issuer will proceed to complete any Project or portion thereof for which any Series of Bonds is being issued in accordance with the plans and specifications therefor, as such plans and specifications may be amended from time to time, and subject to the specific requirements of the Supplemental Indenture for such Series of Bonds.

**SECTION 4.02. COMPLIANCE REQUIREMENTS**. The Issuer will comply with all present and future laws, acts, rules, regulations, orders and requirements lawfully made and applicable in fact to any acquisition or construction hereby undertaken and shall obtain all necessary approvals under federal, state and local laws, acts, rules and regulations necessary for the completion and operation of any Project or portion thereof for which any Series of Bonds is being issued and shall complete any Project or portion thereof in conformity with such approvals, laws, rules and regulations.

**ARTICLE V**
**ACQUISITION AND CONSTRUCTION FUND**

**SECTION 5.01. ACQUISITION AND CONSTRUCTION FUND**. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon written request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate written accounting in respect of the Costs of any designated portion of a Project. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid costs of issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the applicable Project or portion thereof.

(a) *Deposits*. In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) Subject to Section 9.24 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof; and

(ii) Subject to Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof.

Amounts in the Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of a Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of such Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) *Disbursements*. All payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition substantially in the form of **Exhibit D** attached hereto signed by a Responsible Officer and except for payment of costs of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also substantially in the form of **Exhibit D** attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section.

(c) *Completion of Project*. On the date of completion of a Project, as evidenced by the delivery to the Trustee of a certificate of the Consulting Engineer and adoption of a resolution by the Board accepting a Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project, shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

**ARTICLE VI**
**SPECIAL ASSESSMENTS;**
**APPLICATION THEREOF TO FUNDS AND ACCOUNTS**

**SECTION 6.01. SPECIAL ASSESSMENTS; LIEN OF INDENTURE ON PLEDGED REVENUES**. The Issuer hereby covenants that it shall levy Special Assessments, and collect

such Special Assessments in accordance with Section 9.04 hereof, unless otherwise provided in a Supplemental Indenture for a Series of Bonds, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall, within five (5) Business Days of receipt thereof pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as prepayments of Special Assessments and any amounts received under a "true-up" or similar agreement shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as prepayments of Special Assessments and shall identify the related Series of Bonds.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

**SECTION 6.02. FUNDS AND ACCOUNTS RELATING TO THE BONDS**. The Funds and Accounts specified in this Article VI shall be established under the Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds issued pursuant to such Supplemental Indenture and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto. Subject to the foregoing sentence, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to

the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

**SECTION 6.03. REVENUE FUND**. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Special Assessment prepayments, including amounts constituting accrued interest on such prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, on a parity basis with THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, on a parity basis with SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an

amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding principal payment date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall remain therein.

The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the written direction of the Issuer, and if no Event of Default is continuing, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section or the related Supplemental Indenture and deposit such moneys as directed in writing to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Special Assessment prepayments (including any portion thereof comprising interest thereon) pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

**SECTION 6.04. DEBT SERVICE FUND**. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and a Series Sinking Fund Account for each Series of Bonds, which accounts shall be separate and apart

from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee in writing that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture, purchases, Sinking Fund Installments and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the Sinking Fund Installment date in each of the years set forth in a Supplemental Indenture to the redemption of Bonds of a Series in the amounts, manner and maturities and on the dates set forth in a Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased or redeemed Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of a Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of

such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds (and the interest applicable thereto) so presented.

**SECTION 6.05. DEBT SERVICE RESERVE FUND**. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee for the benefit of each related Series of Bonds; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall be transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. Unless otherwise provided in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of a Special Assessment against such lot or parcel, which Special Assessment is pledged for the payment and security of such Series of Bonds, the excess amount shall be transferred from the Series Account of the Debt Service Reserve Fund to the Bond Redemption Fund established for such Series of Bonds, as a credit against the principal amount of the prepayment otherwise required to be made by the owner of such lot or parcel. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall be

transferred from the Series Account of the Debt Service Reserve Fund to the related Series Account of the Revenue Fund.

Whenever for any reason on an Interest Payment Date or principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay amounts due with respect to a Series of Bonds secured by the Series Account of the Debt Service Reserve Fund on such date.

Notwithstanding the foregoing, in lieu of the required deposits into the related Series Account of the Debt Service Reserve Fund, the Issuer may cause to be deposited into the Series Account of the Debt Service Reserve Fund a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit either in lieu of any cash amount required to be deposited therein in connection with the issuance of any Series of Bonds or in substitution for the full amounts then on deposit therein or in an amount equal to the difference between the amount required to be deposited and the sum, if any, then on deposit in the Series Account of the Debt Service Reserve Fund, which Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit shall be payable (upon the giving of notice as required thereunder) on any Interest Payment Date or principal payment date on which a deficiency exists which cannot be remedied by moneys in any other Fund or Account held pursuant to the Indenture and available for such purpose. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if any such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit is substituted for moneys on deposit in the Series Account of the Debt Service Reserve Fund, or if at any time there are excess moneys in the Series Account of the Debt Service Reserve Fund, the excess moneys in the Series Account of the Debt Service Reserve Fund shall be transferred to and deposited in the related Series Account of the Revenue Fund. If a disbursement is made from a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, the Issuer shall be obligated to either reinstate the maximum limits of such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit immediately following such disbursement or to deposit into the Series Account of the Debt Service Reserve Fund, as provided in the Indenture for restoration of withdrawals from the Series Account of the Debt Service Reserve Fund, funds in the amount of the disbursement made under such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit.

In the event that upon the occurrence of any deficiency in a Series Interest Account, a Series Principal Account or a Series Sinking Fund Account, the Series Account of the Debt Service Reserve Fund is then funded with a Debt Service Reserve Letter of Credit or Debt

Service Reserve Insurance Policy, the Trustee shall, on an Interest Payment Date or principal payment date or mandatory redemption date to which such deficiency relates, draw upon the Debt Service Reserve Letter of Credit or cause to be paid under the Debt Service Reserve Insurance Policy an amount sufficient to remedy such deficiency, in accordance with the terms and provisions of the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy as applicable, and any corresponding reimbursement or other agreement governing the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy; provided, however, that if at the time of such deficiency the Series Account of the Debt Service Reserve Fund is only partially funded with a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, prior to drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, the Trustee shall first apply any cash and securities on deposit in the Series Account of the Debt Service Reserve Fund to remedy the deficiency in accordance with the second paragraph of this Section 6.05 and, if after such application a deficiency still exists, the Trustee shall make up the balance of the deficiency by drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as provided in this sentence. Amounts drawn on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy shall be applied as set forth in the second paragraph of this Section 6.05. Any amounts drawn under a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy shall be reimbursed to the issuer thereof in accordance with the terms and provisions of the reimbursement or other agreement governing such Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy.

**SECTION 6.06. BOND REDEMPTION FUND**. The Trustee is hereby authorized and directed to establish a Series Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(c) and 9.14(c) of this Master Indenture. The Series Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Bond Redemption Fund (including all earnings on investments held in the Series Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for prepayments of Special Assessments) to make such deposits into the Series Rebate Fund, if any, as the Issuer may direct in writing in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Bond Redemption Fund to the Series Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices, including interest due thereon, provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the written direction of a Responsible Officer, to call for redemption, the Bonds of the applicable Series which are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds (including interest thereon) of the applicable Series as, with the redemption premium, may be practicable; provided, however, that not less than Five Thousand Dollars ($5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture. The Issuer shall pay all expenses in connection with such redemption.

**SECTION 6.07. DRAWINGS ON CREDIT FACILITY**. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

**SECTION 6.08. PROCEDURE WHEN FUNDS ARE SUFFICIENT TO PAY ALL BONDS OF A SERIES**. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds and Accounts (other than the Rebate Fund) hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, and Credit Facility Issuer, the Trustee, at the written direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

**SECTION 6.09. CERTAIN MONEYS TO BE HELD FOR SERIES BONDOWNERS ONLY**. Each Series of Bonds issued pursuant to this Master Indenture and a Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental

Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

**SECTION 6.10. UNCLAIMED MONEYS** In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the Owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due, such amounts shall, upon the written request of the Issuer, if the Issuer is not at the time to the actual knowledge of the Trustee in default with respect to any covenant in the Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

## ARTICLE VII
## SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

**SECTION 7.01. DEPOSITS AND SECURITY THEREFOR**. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under the Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by the Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. All deposits of moneys received by the Trustee under the Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof; provided, however, investments of the type specified in (3) of the definition of Investment Securities shall not be required to be so insured or secured. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than $50,000,000.

**SECTION 7.02. INVESTMENT OR DEPOSIT OF FUNDS**. Except to the extent otherwise provided in a Supplemental Indenture with respect to a specific Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account in the Debt Service Fund and any Series Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraph (3) or (7), of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a specific Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than $50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a specific Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon the written request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided hereinafter. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid, all moneys in the Funds and Accounts established under the Indenture shall be held uninvested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this Section 7.02 through its own bond department or investment department.

The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined at the time of purchase of such

investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments.

**SECTION 7.03. VALUATION OF FUNDS**. Except for the assets on deposit in the Debt Service Reserve Fund, the Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture within five (5) Business Days following each November 1 Interest Payment Date. With respect to the assets in the Debt Service Reserve Fund, including all accounts established therein, the Trustee shall value such assets forty-five (45) days prior to each Interest Payment Date, and, in either case, as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

**SECTION 7.04. BROKERAGE CONFIRMATIONS**. The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer the right to receive individual confirmations of security transactions at no additional cost, as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Issuer monthly transaction statements that include detail for all investment transactions made by the Issuer hereunder.

**SECTION 7.05. PATRIOT ACT REQUIREMENTS OF THE TRUSTEE**. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

## ARTICLE VIII
## REDEMPTION AND PURCHASE OF BONDS

**SECTION 8.01. REDEMPTION DATES AND PRICES**. The Bonds may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in a Supplemental Indenture.

(a) Optional Redemption. Bonds of a Series shall be subject to optional redemption at the written direction of the Issuer, at the times and upon payment of the Redemption Price plus the accrued interest to the redemption date, as provided in a Supplemental Indenture.

(b) Extraordinary Mandatory Redemption in Whole or in Part. Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08(a) hereof; (ii) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands as a result of any prepayment of Special Assessments in accordance with Section 9.08(b) hereof; (iii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than the Rebate Fund and any other Fund or Account expressly pledged to a different Series of Bonds as provided in a Supplemental Indenture with respect to a Series of Bonds or any money required to pay Costs of the Project) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iv) unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds from moneys in excess of the Debt Service Reserve Requirement in the Series Account of the Debt Service Reserve Fund transferred to the Series Bond Redemption Fund pursuant to Section 6.05 hereof; (v) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (vi) from moneys, if any, on deposit in the Series Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vii) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) Mandatory Sinking Fund Redemption. Bonds of a Series shall be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled Sinking Fund Installments shall be reduced as specified by the Issuer in writing or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any purchase or redemption of Bonds other than in accordance with scheduled Sinking Fund Installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised Sinking Fund Installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The Sinking Fund Installments as so recalculated shall not result in an increase in the aggregate of the Sinking Fund Installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a Sinking Fund Installment is due, the foregoing recalculation shall not be made to Sinking Fund Installments due in the year in which such redemption or purchase occurs, but shall be made to Sinking Fund Installments for the immediately succeeding and subsequent years.

**SECTION 8.02. NOTICE OF REDEMPTION AND OF PURCHASE**. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses and also to any Credit Facility Issuer, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

(a) the redemption or purchase date;

(b) the redemption or purchase price;

(c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;

(d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the redemption or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date;

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and

(g) any condition or conditions to be met prior to the redemption of the Bonds of such Series, including, but not limited to receipt of funds sufficient to accomplish the redemption of the Bonds.

If at the time of mailing of notice of an optional redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

If any required (a) unconditional notice of redemption has been duly given, mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so given, mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

**SECTION 8.03. PARTIAL REDEMPTION OF BONDS**. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date.

## ARTICLE IX
## COVENANTS OF THE ISSUER

**SECTION 9.01. POWER TO ISSUE BONDS AND CREATE LIEN**. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute the Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Bondholders and any Credit Facility Issuer under the Indenture against all claims and demands of all other Persons whomsoever.

**SECTION 9.02. PAYMENT OF PRINCIPAL AND INTEREST ON BONDS**. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THE INDENTURE AND THE OBLIGATION EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE CAPITAL IMPROVEMENT PROGRAM OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THE INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THE INDENTURE OR IN THE INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, OR THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, OR THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

**SECTION 9.03. SPECIAL ASSESSMENTS; RE-ASSESSMENTS.**

(a) Unless otherwise provided by Supplemental Indenture, the Issuer shall levy Special Assessments, and evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from

any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

**SECTION 9.04. METHOD OF COLLECTION**. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Unless otherwise provided by Supplemental Indenture, the Issuer shall use its best efforts to adopt the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto, as soon as practicable, or a comparable alternative method afforded by Section 197.3631, Florida Statutes. If using such uniform method, the Issuer shall use its best efforts to enter into one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall use its best efforts to ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under the Indenture. To the extent that it is not in the best interests of the Issuer to collect Special Assessments, all or in part, pursuant to the "uniform tax roll collection" method under Chapter 197, Florida Statutes, the Issuer may elect to collect and enforce Special Assessments, all or in part, pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto. The election to collect and enforce Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the Issuer from electing to collect and enforce Special Assessments pursuant to any other method permitted by law in any subsequent year.

Notwithstanding the immediately preceding paragraph or any other provision in this Master Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the written direction of the Majority Owners of a Series of Bonds, requests in writing that the Issuer not use the uniform method, but instead collect and enforce the Special Assessments securing such Series of Bonds pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Special Assessments in the manner and pursuant to the method so requested by the Trustee.

**SECTION 9.05. DELINQUENT SPECIAL ASSESSMENTS**. Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer may, to the extent

permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, Florida Statutes, and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law.

**SECTION 9.06. SALE OF TAX CERTIFICATES AND ISSUANCE OF TAX DEEDS; FORECLOSURE OF SPECIAL ASSESSMENT LIENS**. If the Special Assessments levied and collected under the uniform method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes, and related statutes. Alternatively, if the uniform method of levy and collection is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any) from any legally available funds of the Issuer, and the Issuer shall thereupon receive in its corporate name (or in the name of a special purpose entity) the title to the property for the benefit of the Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Owners within thirty (30) days after the receipt of the request therefor signed by the Majority Owners of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property.

**SECTION 9.07. BOOKS AND RECORDS WITH RESPECT TO SPECIAL ASSESSMENTS**. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an

estimate of time for the conclusion of such legal proceedings. A copy of such report shall, upon written request, be mailed by the Issuer to any Owner.

**SECTION 9.08. REMOVAL OF SPECIAL ASSESSMENT LIENS**. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds the following procedures shall apply in connection with the removal of Special Assessment liens.

(a) At any time from the date of levy of Special Assessments on a parcel of District Lands through the date that is thirty (30) days after the related Project has been completed and the Board of the Issuer has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments that relate to a Series of Bonds by paying to the Issuer the entire amount of such Special Assessment on such property, without interest. The Issuer may require all landowners to waive such right.

(b) At any time subsequent to thirty (30) days after the related Project has been completed and the Board of the Issuer has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. The Issuer may require all landowners to waive such right, or to limit the number of prepayments that may be made.

(c) Upon receipt of a prepayment as described in (a) or (b) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) or (ii) hereof, as the case may be.

**SECTION 9.09. DEPOSIT OF SPECIAL ASSESSMENTS**. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the applicable Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer in writing as such upon delivery to the Trustee and shall be deposited directly into the related Series Bond Redemption Fund).

**SECTION 9.10. CONSTRUCTION TO BE ON ISSUER LANDS**. Except for certain off site mitigation, roadway, utility connections, landscaping improvements or additional improvements required by the County pursuant to Interlocal Agreement or other applicable law which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of a Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

**SECTION 9.11. OPERATION, USE AND MAINTENANCE OF PROJECT**. The Issuer shall establish and enforce reasonable rules and regulations governing the use of a Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

**SECTION 9.12. OBSERVANCE OF AND COMPLIANCE WITH VALID REQUIREMENTS**. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon the Capital Improvement Program or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Capital Improvement Program. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

**SECTION 9.13. PAYMENT OF OPERATING OR MAINTENANCE COSTS BY STATE OR OTHERS**. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating any Project out of funds other than Pledged Revenues.

**SECTION 9.14. PUBLIC LIABILITY AND PROPERTY DAMAGE INSURANCE; MAINTENANCE OF INSURANCE; USE OF INSURANCE AND CONDEMNATION PROCEEDS.**

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of any Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies

authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth herein below.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations which are to be provided in an annual report, as required by Section 9.21 hereof. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to such Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with the Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of a Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may

desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain from the District Manager an evaluation of the proposed plan together with an opinion to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves. The Trustee shall have no duty to review such evaluation.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations. The Trustee shall be under no duty to evaluate the accuracy or sufficiency of any Qualified Self Insurance plan nor determine compliance by the Issuer with the requirements of this Section.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

Within the first six (6) months of each Fiscal Year, the District Manager shall prepare a complete report of the status of the insurance coverages relating to all Projects, such report to include, without being limited thereto, a schedule of all insurance policies required by the

Indenture which are then in effect, stating with respect to each policy the name of the insurer, the amount, number and expiration date, and the hazards and the risks covered thereby. The Issuer shall maintain a copy of such report and shall, upon written request, provide a copy to any Owner.

**SECTION 9.15. COLLECTION OF INSURANCE PROCEEDS**. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of $1,000,000 or more in aggregate principal amount of the related Series of Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be reasonably necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it, subject to the payment of its and its counsel's fees and expenses and indemnification to its satisfaction.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager approved by the Consulting Engineer. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage.

**SECTION 9.16. USE OF REVENUES FOR AUTHORIZED PURPOSES ONLY**. None of the Pledged Revenues shall be used for any purpose other than as provided in the Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of the Indenture.

**SECTION 9.17. BOOKS, RECORDS AND ANNUAL REPORTS**. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Governmental Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

**SECTION 9.18. OBSERVANCE OF ACCOUNTING STANDARDS**. The Issuer covenants that all the accounts and records of the Issuer relating to any Project will be kept according to Generally Accepted Governmental Accounting Principles consistently applied and consistent with the provisions of the Indenture.

**SECTION 9.19. EMPLOYMENT OF CERTIFIED PUBLIC ACCOUNTANT**. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and the Indenture.

**SECTION 9.20. ESTABLISHMENT OF FISCAL YEAR, ANNUAL BUDGET**. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under the Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

**SECTION 9.21. EMPLOYMENT OF CONSULTING ENGINEER; CONSULTING ENGINEER'S REPORT.**

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by the Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of the portions of the Capital Improvement Program owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Capital Improvement Program owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to:

(1) the proper maintenance, repair and operation of any Project owned by the Issuer during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purposes; and

(2) the insurance to be carried under the provisions of Section 9.14 hereof and the amount that should be set aside monthly for the purpose of paying insurance premiums which fall due less often than monthly.

Promptly after the receipt of such reports by the Issuer, copies thereof shall be mailed by the Issuer to all Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

**SECTION 9.22. AUDIT REPORTS**. The Issuer covenants that, no later than the date required by State law, which is currently nine (9) months after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose. If the material required to be in such audit also appears in the annual report of the Issuer provided for in Section 9.17 hereof in a manner that can be readily identified, then the filing of a copy of such annual audit shall satisfy the requirement of this Section.

**SECTION 9.23. [RESERVED]**.

**SECTION 9.24. COVENANT AGAINST SALE OR ENCUMBRANCE; EXCEPTIONS**. Subject to Section 9.28 hereof, the Issuer covenants that, (a) except for those improvements comprising the Capital Improvement Program that are to be conveyed by the Issuer to the County, the State, or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber the Capital Improvement Program, or any part thereof. The Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the Project financed with such Series of Bonds, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to a Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars ($50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

The Issuer may lease or grant easements, franchises or concessions for the use of any part of the Capital Improvement Program not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the

making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

**SECTION 9.25. FIDELITY BONDS**. Every officer, agent or employee of the Issuer having custody or control of any of the Pledged Revenues shall be bonded by a responsible corporate surety in an amount not less than the greatest amount reasonably anticipated to be within the custody or control of such officer, agent or employee at one time. The premiums on such surety bonds shall be paid by the Issuer as an expense of operation and maintenance of a Project.

**SECTION 9.26. NO LOSS OF LIEN ON PLEDGED REVENUES**. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

**SECTION 9.27. COMPLIANCE WITH OTHER CONTRACTS AND AGREEMENTS**. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Capital Improvement Program and the issuance of the Bonds.

**SECTION 9.28. ISSUANCE OF ADDITIONAL OBLIGATIONS**. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues except as provided in Section 6.01 hereof with respect to the reimbursement due any Credit Facility Issuer.

**SECTION 9.29. EXTENSION OF TIME FOR PAYMENT OF INTEREST PROHIBITED**. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under the Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

**SECTION 9.30. FURTHER ASSURANCES**. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be

impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of the Indenture.

**SECTION 9.31. USE OF BOND PROCEEDS TO COMPLY WITH INTERNAL REVENUE CODE**. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code section and related regulations throughout the term of such Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement executed in connection with the issuance of each Series of Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Bonds.

**SECTION 9.32. CORPORATE EXISTENCE AND MAINTENANCE OF PROPERTIES**. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require the Capital Improvement Program, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**SECTION 9.33. CONTINUING DISCLOSURE**. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of a Continuing Disclosure Agreement. Notwithstanding any other provision of the Indenture, failure of the Issuer or any other party obligated pursuant to a Continuing Disclosure Agreement to comply with such Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any participating underwriter or the Majority Owners of a Series of Bonds and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33.

**SECTION 9.34. PROVISIONS RELATING TO BANKRUPTCY OR INSOLVENCY OF LANDOWNER.** The provisions of this Section 9.34 shall apply both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least five percent (5%) of the Special Assessments securing a Series of Bonds (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"), except where such tax parcel shall be homestead property. For as long as any Series of Bonds remain outstanding, in any

Proceeding involving the Issuer, any Insolvent Taxpayer, any Series of Bonds or any Special Assessments securing a Series of Bonds, the Issuer shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Series of Bonds or for as long as any such Series of Bonds remain Outstanding.

The Issuer further acknowledges and agrees that, although a Series of Bonds may be issued by the Issuer, the Owners of the Series of Bonds are categorically a party with a financial stake in the transaction and, consequently, a party with a vested interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer:

(a) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments securing a Series of Bonds, such Series of Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; provided, however, that the Trustee shall be deemed to have consented, on behalf of the Majority Owners of Outstanding Bonds of a Series, to the proposed action if the Issuer does not receive a written response from the Trustee within forty-five (45) days following written request for consent;

(b) the Trustee shall have the right, but is not obligated to (unless directed by the Majority Owners of Outstanding Bonds of a Series and receipt by Trustee of indemnity satisfactory to the Trustee), (i) vote in any such Proceeding any and all claims of the Issuer, except for any claims the Issuer may have related to the Issuer's operation and maintenance assessments or other claims unrelated to the Special Assessments securing a Series of Bonds or such Series of Bonds and (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, except for any claims the Issuer may have related to the Issuer's operation and maintenance assessments or other claims unrelated to the Special Assessments securing a Series of Bonds or such Series of Bonds, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing; and, if the Trustee chooses to exercise any such rights (or is directed in writing by the Majority Owners of Outstanding Bonds of a Series and receipt by Trustee of indemnity satisfactory to the Trustee), the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the United States Bankruptcy Code; and

(c) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any

Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the Issuer claim with respect to the Special Assessments securing a Series of Bonds or receipt of adequate protection (as that term is defined in the United States Bankruptcy Code).

Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments securing a Series of Bonds, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of paragraph (a) above, nothing in this Section 9.34 shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the Issuer shall be free to pursue such a claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or directions with respect to the Special Assessments securing a Series of Bonds whether such claim is pursued by the Issuer or the Trustee.

## ARTICLE X
## EVENTS OF DEFAULT AND REMEDIES

**SECTION 10.01. EVENTS OF DEFAULT AND REMEDIES**. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

**SECTION 10.02. EVENTS OF DEFAULT DEFINED**. Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails to, or is rendered incapable of fulfilling its obligations under the Indenture or under the Act; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced

any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice thereof that requires the same to be remedied shall have been given to the Issuer by the Trustee, which notice may be given by the Trustee in its discretion and which notice shall be given by the Trustee at the written request of the Majority Owners of the Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion;

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture;

(g) The Trustee withdraws more than twenty-five percent (25%) of the available funds from a Series Account of the Debt Service Reserve Fund established to pay Debt Service Requirements for a Series of Bonds and such amount is not replenished within twelve (12) months of the date of withdrawal (including from collections of delinquent Special Assessments); or

(h) More than twenty-five percent (25%) of the operation and maintenance assessments levied and collected directly by the Issuer on District Lands subject to the Special Assessments securing such Series of Bonds are not paid within ninety (90) days of the date such are due and payable ("Delinquent Direct Billed Operation and Maintenance Assessments").

An Event of Default with respect to a Series of Bonds shall not be an Event of Default as to any other Series of Bonds, unless otherwise provided in a Supplemental Indenture.

**SECTION 10.03. NO ACCELERATION**. No Series of Bonds issued under this Master Indenture shall be subject to acceleration.

**SECTION 10.04. LEGAL PROCEEDINGS BY TRUSTEE.** If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Owners of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

**SECTION 10.05. DISCONTINUANCE OF PROCEEDINGS BY TRUSTEE**. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

**SECTION 10.06. BONDHOLDERS MAY DIRECT PROCEEDINGS**. The Majority Owners of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

**SECTION 10.07. LIMITATIONS ON ACTIONS BY BONDHOLDERS**. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Owners of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities (including reasonable counsel fees, costs and expenses), and (d) the Trustee shall have failed to comply with such request within a reasonable time.

**SECTION 10.08. TRUSTEE MAY ENFORCE RIGHTS WITHOUT POSSESSION OF BONDS**. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

**SECTION 10.09. REMEDIES NOT EXCLUSIVE**. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture is intended to be

exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

**SECTION 10.10. DELAYS AND OMISSIONS NOT TO IMPAIR RIGHTS**. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

**SECTION 10.11. APPLICATION OF MONEYS IN EVENT OF DEFAULT**. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following priority:

(a) to the payment of the costs of the Trustee, the Registrar and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including reasonable counsel fees, costs and expenses and any disbursements of the Trustee, the Registrar and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee, the Registrar and the Paying Agent.

(b) unless the principal of all the Bonds of such Series shall have become due and payable:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

(c) If the principal of all Bonds of a Series shall have become due and payable, to the payment of principal or Redemption Price (as the case may be) and interest then owing on the Bonds of such Series and in case such moneys shall be insufficient to pay the same in full, then to the payment of principal or Redemption Price and interest ratably, without preference or priority of one Bond of such Series over another or of any installment of interest over any other installment of interest.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

**SECTION 10.12. TRUSTEE'S RIGHT TO RECEIVER; COMPLIANCE WITH ACT**. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

**SECTION 10.13. TRUSTEE AND BONDHOLDERS ENTITLED TO ALL REMEDIES UNDER ACT**. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.12 hereof.

**SECTION 10.14. CREDIT FACILITY ISSUER'S RIGHTS UPON EVENTS OF DEFAULT**. Anything in the Indenture to the contrary notwithstanding, if any Event of Default has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

**SECTION 10.15. ISSUER COVENANTS AFTER EVENT OF DEFAULT.**. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture and the applicable Supplemental Indenture, the provisions for the collection of delinquent Special Assessments, the provisions for the foreclosure of liens of delinquent Special Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the written direction of, and on behalf of, the Majority Owners, from time to time, of the applicable Series of Bonds. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners and allowed pursuant to Federal or State law, the Issuer acknowledges and agrees that (i) upon failure of any property owner to pay an installment of Special Assessments collected directly by the Issuer when due, that the entire Special Assessments related to the applicable Series of Bonds on the tax parcel as to which such delinquent Special Assessment pertains, with interest and penalties thereon, shall immediately become due and payable and the Issuer shall cause to be commenced the necessary legal proceedings for the foreclosure of liens of delinquent Special Assessments related to the applicable Series of Bonds with respect to such tax parcel, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. Notwithstanding anything to the contrary herein, the Issuer shall be entitled to first recover from any foreclosure before such proceeds are applied to the payment of principal or interest on the Bonds, all fees and costs expended in connection with such foreclosure, regardless of whether such fees and costs are included as part of the Special Assessments, as defined herein.

## ARTICLE XI
## THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

**SECTION 11.01. ACCEPTANCE OF TRUST**. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

**SECTION 11.02. NO RESPONSIBILITY FOR RECITALS**. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

**SECTION 11.03. TRUSTEE MAY ACT THROUGH AGENTS; ANSWERABLE ONLY FOR WILLFUL MISCONDUCT OR NEGLIGENCE**. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder and the advice of such Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and reliance

thereon. The Trustee shall not be answerable for the default or misconduct of any attorney or agent selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under the Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder.

The Trustee shall not be accountable for the use or application of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee so long as it does so in accordance with the provisions of this Master Indenture. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. None of the provisions of this Master Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Master Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

**SECTION 11.04. COMPENSATION AND INDEMNITY**. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law and specifically without waiving its sovereign immunity protection, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct, negligence or breach of its obligations hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee, or coming into its hands and payable to the Issuer (but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility), which right of payment shall be prior to the right of the Holders of the Bonds. The provision for indemnity shall survive the termination of the Indenture and, as to any Trustee, its removal or resignation as Trustee. Notwithstanding anything herein to the contrary, no provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

**SECTION 11.05. NO DUTY TO RENEW INSURANCE**. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

**SECTION 11.06. NOTICE OF DEFAULT; RIGHT TO INVESTIGATE**. The Trustee shall give written notice by Electronic Means or first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under the Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Majority Owners of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

**SECTION 11.07. OBLIGATION TO ACT ON DEFAULTS**. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Owners of the Outstanding Bonds which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture, and if in the Trustee's opinion such action may tend to involve expense or liability, unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Owners.

**SECTION 11.08. RELIANCE BY TRUSTEE**. The Trustee may act on any requisition, resolution, notice, telegram, Electronic Means, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of the Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**SECTION 11.09. TRUSTEE MAY DEAL IN BONDS**. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to the Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under the Indenture, it shall eliminate the conflict or resign as Trustee.

**SECTION 11.10. CONSTRUCTION OF AMBIGUOUS PROVISIONS**. The Trustee may construe any ambiguous or inconsistent provisions of the Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

**SECTION 11.11. RESIGNATION OF TRUSTEE**. The Trustee may resign and be discharged of the trusts created by the Indenture by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent if not also the Trustee, Registrar if not also the Trustee, Authenticating Agent and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

**SECTION 11.12. REMOVAL OF TRUSTEE**. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under the Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Majority Owners of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar, Authenticating Agent and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of the Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Majority Owners of the Bonds then Outstanding or the Trustee may petition a court of competent jurisdiction for appointment of a successor trustee.

**SECTION 11.13. APPOINTMENT OF SUCCESSOR TRUSTEE**. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Authenticating Agent, Credit Facility Issuer,

if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Owners of all Bonds then Outstanding may appoint a successor Trustee.

**SECTION 11.14. QUALIFICATION OF SUCCESSOR**. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least $50,000,000.

**SECTION 11.15. INSTRUMENTS OF SUCCESSION**. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon written request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

**SECTION 11.16. MERGER OF TRUSTEE**. Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under the Indenture, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

**SECTION 11.17. EXTENSION OF RIGHTS AND DUTIES OF TRUSTEE TO PAYING AGENT AND REGISTRAR**. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.16 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of the Indenture applicable to the Paying Agent and Registrar, respectively.

**SECTION 11.18. RESIGNATION OF PAYING AGENT OR REGISTRAR**. The Paying Agent or Registrar may resign and be discharged of the duties created by the Indenture by executing an instrument in writing resigning such duties and specifying the date when such

resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

**SECTION 11.19. REMOVAL OF PAYING AGENT OR REGISTRAR**. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

**SECTION 11.20. APPOINTMENT OF SUCCESSOR PAYING AGENT OR REGISTRAR**. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

**SECTION 11.21. QUALIFICATIONS OF SUCCESSOR PAYING AGENT OR REGISTRAR**. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by the Indenture and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least $50,000,000.

**SECTION 11.22. JUDICIAL APPOINTMENT OF SUCCESSOR PAYING AGENT OR REGISTRAR**. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

**SECTION 11.23. ACCEPTANCE OF DUTIES BY SUCCESSOR PAYING AGENT OR REGISTRAR**. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. The fact and date of the execution by any person of any such instrument may be provided by acknowledgment before a notary public or other officer empowered to take acknowledgments or by an affidavit of a witness to such execution. ## ARTICLE XIII
## AMENDMENTS AND SUPPLEMENTS

**SECTION 13.01. AMENDMENTS AND SUPPLEMENTS WITHOUT BONDHOLDERS' CONSENT**. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

(b) for any purpose not inconsistent with the terms of the Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;

(c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any Project to the State, the County or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders; and

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of counsel to the Issuer, such changes either: (i) do not have an adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

**SECTION 13.02. AMENDMENTS WITH BONDHOLDERS' CONSENT**. Subject to the provisions of Section 13.03 hereof, this Master Indenture may be amended from time to time by a Supplemental Indenture and any Supplemental Indenture approved by the Majority Owners of the Bonds then Outstanding in the case of the Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Bonds to be so amended.

**SECTION 13.03. TRUSTEE AUTHORIZED TO JOIN IN AMENDMENTS AND SUPPLEMENTS; RELIANCE ON COUNSEL**. The Trustee is authorized to join in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article XIII and in so doing may conclusively rely on a written opinion of Counsel at the expense of the Issuer that such Supplemental Indenture or amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement have been done. The Trustee shall not be obligated to enter into any Supplemental Indenture or amendment that imposes additional obligations on the Trustee or adversely affects the Trustee's rights and remedies hereunder.

## ARTICLE XIV
## DEFEASANCE

**SECTION 14.01. DEFEASANCE**. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the "Escrow Agent") moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys, remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds and Accounts established under the Indenture shall be defeased and discharged, and the Trustee, on written demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Series Funds and Accounts upon the defeasance in whole of all of the Bonds of a Series.

**SECTION 14.02. DEPOSIT OF FUNDS FOR PAYMENT OF BONDS**. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance

with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the Escrow Agent a verification from a firm of independent certified public accountants stating that the principal of and interest on the Defeasance Securities, together with the stated amount of any cash remaining on deposit with the Escrow Agent, will be sufficient without reinvestment to pay the remaining principal of, redemption premium, if any, and interest on such defeased Bonds.

Money so deposited with the Escrow Agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon written request of the Issuer, if the Issuer is not at the time to the knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of such Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Escrow Agent, before making payment to the Issuer, may, at the expense of the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

Principal of this Bond is payable at the designated corporate trust office of the Paying Agent in lawful money of the United States of America. Interest on this Bond is payable by check or draft of the

Paying Agent made payable to the registered owner and mailed on each Interest Payment Date to the address of the registered owner as such name and address shall appear on the registry books of the Issuer maintained by U.S. Bank National Association, as Registrar (and any successor Registrar being herein called the "Registrar") at the close of business on the fifteenth day of the calendar month preceding each interest payment date or the date on which the principal of a Bond is to be paid (the "Record Date"). Such interest shall be payable from the most recent interest payment date next preceding the date of authentication hereof to which interest has been paid, unless the date of authentication hereof is a May 1 or November 1 to which interest has been paid, in which case from the date of authentication hereof, or unless such date of authentication is prior to _____, 20___, in which case from the date of original issuance identified on the face of this Bond, or unless the date of authentication hereof is between a Record Date and the next succeeding interest payment date, in which case from such interest payment date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner on such Record Date and may be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Paying Agent, notice whereof shall be given to Bondholders of record as of the fifth (5th) day prior to such mailing, at their registered addresses, not less than ten (10) days prior to such Special Record Date, or may be paid, at any time in any other lawful manner, as more fully provided in the Indenture (defined below). Capitalized terms used herein and not otherwise defined shall be as defined in the Indenture.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY OUT OF THE PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE ISSUER, PASCO COUNTY, FLORIDA, THE STATE OF FLORIDA, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE BONDS, EXCEPT THAT THE ISSUER IS OBLIGATED UNDER THE INDENTURE TO LEVY AND COLLECT SPECIAL ASSESSMENTS (AS DEFINED IN THE INDENTURE) TO SECURE AND PAY THE BONDS. THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, PASCO COUNTY, FLORIDA, THE STATE OF FLORIDA, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by execution of the Trustee, or such other authenticating agent as may be appointed by the Trustee under the Indenture, of the certificate of authentication attached hereto.

This Bond is one of an authorized issue of Bonds of the Issuer, a community development district duly created, organized and existing under Chapter 190, Florida Statutes (the Uniform Community Development District Act of 1980), as amended (the "Act") and Ordinance No. 94-13 of the Board of County Commissioners of Pasco County, Florida, adopted on October 5, 1994, designated as "Meadow Pointe II Community Development District Special

Assessment Bonds, Series _____" (the "Bonds"), in the aggregate principal amount of _____ Dollars ($_____) of like date, tenor and effect, except as to number. The Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay a portion of the costs of the design, acquisition and construction of facilities and basic infrastructure comprising the Issuer Capital Improvement Program. The Bonds shall be issued as fully registered Bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of October 1, 2018, (the "Master Indenture"), as amended and supplemented by a _____ Supplemental Trust Indenture dated as of _____ 1, 20__ (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Orlando, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds issued under the Indenture, the operation and application of the Debt Service Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of, premium, if any, and the interest on the Bonds, the levy and the collection of Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Owners of the Bonds Outstanding, and as to other rights and remedies of the registered owners of the Bonds.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the registered owner of this Bond that such registered owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, Pasco County, Florida, the State of Florida or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, Pasco County, Florida, the State of Florida or any other political subdivision thereof, for the payment of the principal of, premium, if any, and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the registered owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy

and the evidencing and certifying, of non-ad valorem assessments in the form of Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Bonds shall be made on the dates specified below. Upon any redemption of Bonds other than in accordance with scheduled Sinking Fund Installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised Sinking Fund Installments recalculated so as to amortize the Outstanding principal amount of Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds. The Sinking Fund Installments as so recalculated shall not result in an increase in the aggregate of the Sinking Fund Installments for all Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a Sinking Fund Installment is due, the foregoing recalculation shall not be made to Sinking Fund Installments due in the year in which such redemption or purchase occurs, but shall be made to Sinking Fund Installments for the immediately succeeding and subsequent years.

**Optional Redemption**

The Bonds are subject to redemption at the option of the Issuer in whole or in part at any time on or after _____ 1, ____, at the redemption prices (expressed as percentages of principal amount to be redeemed) set forth below, plus accrued interest to the redemption date, upon notice from the Issuer to the Trustee as set forth in the Indenture.

| **Redemption Period (Both Dates Inclusive)** | **Redemption Price** |
|---|---|
| _____ 1, ____ to _____ 31, ____ | $ |
| _____ 1, ____ to _____ 31, ____ | |
| _____ 1, ____ and thereafter | |

**Mandatory Sinking Fund Redemption**

The Bonds are subject to mandatory sinking fund redemption on May 1 in the years and in the principal amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption. Such principal amounts shall be reduced as specified by the Issuer by the principal amount of any Bonds redeemed pursuant to optional or extraordinary mandatory redemption as set forth above or purchased and cancelled pursuant to the provisions of the Indenture.

| Year | Principal Amount of Bonds to be Paid | Year | Principal Amount of Bonds to be Paid |
|---|---|---|---|

**Extraordinary Mandatory Redemption in Whole or in Part**

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands in accordance with the provisions of the Section 9.08(a) of the Indenture; (ii) from moneys deposited into the Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands as a result of any prepayment of Special Assessments in accordance with the provisions of Section 9.08(b) of the Indenture; (iii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iv) unless otherwise provided in the applicable Supplemental Indenture from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (v) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

**Notice of Redemption**

The Trustee shall cause notice of redemption to be mailed at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds

shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

**Partial Redemption of Bonds.**

If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee or such other authenticating agent as may be appointed by the Trustee under the Indenture shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business

on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar may deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the "Series 2018 Acquisition and Construction Account." Proceeds of the Series 2018 Bonds shall be deposited into the Series 2018 Acquisition and Construction Account in the amount set forth in Section 2.06(d) of this First Supplemental Indenture, together with any excess moneys transferred to the Series 2018 Acquisition and Construction Account, and such moneys in the Series 2018 Acquisition and Construction Account shall be applied as set forth in Article V of the Master Indenture and Sections 4.01(a) and 3.01(b)(ii) of this First Supplemental Indenture. After the Completion Date of the Series 2018 Project and after retaining in the Series 2018 Acquisition and Construction Account the amount, if any, of all remaining unpaid Costs of the Series 2018 Project set forth in the Consulting Engineer's certificate establishing such Completion Date, any funds remaining in the Series 2018 Acquisition and Construction Account shall be transferred to and deposited into the Series 2018 General Account of the Series 2018 Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2018 Bonds, and the Series 2018 Acquisition and Construction Account shall be closed.

There is hereby established within the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund held by the Trustee a "Series 2018 Costs of Issuance Subaccount." Amounts in the Series 2018 Costs of Issuance Subaccount shall be applied by the Trustee to pay the costs relating to the issuance of the Series 2018 Bonds. Six months after the date of issuance of the Series 2018 Bonds, any moneys remaining in the Series

2018 Costs of Issuance Subaccount which have not been requisitioned by the Issuer to pay costs relating to the issuance of the Series 2018 Bonds shall be deposited into the Series 2018 Acquisition and Construction Account and applied as set forth in Article V of the Master Indenture and Section 4.01(a) of this First Supplemental Indenture, and the Series 2018 Costs of Issuance Subaccount shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2018 Revenue Account." Series 2018 Special Assessments (except for Series 2018 Prepayments which shall be identified as such by the Issuer to the Trustee to be deposited in the Series 2018 Prepayment Account) shall be deposited by the Trustee into the Series 2018 Revenue Account which shall be applied as set forth in Article VI of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2018 Principal Account." Moneys shall be deposited into such Account as provided in Article VI of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2018 Interest Account." Proceeds of the Series 2018 Bonds shall be deposited into such Account in the amount set forth in Section 2.06(c) of this First Supplemental Indenture. Moneys deposited into such Account pursuant to the Master Indenture and Section 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2018 Sinking Fund Account." Moneys shall be deposited into such Account as provided in Article VI of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Sections 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish an Account within the Debt Service Reserve Fund designated as the "Series 2018 Debt Service Reserve Account."

(i) Proceeds of the Series 2018 Bonds shall be deposited into the Series 2018 Debt Service Reserve Account in the amount set forth in Section 2.06(a) of this First Supplemental Indenture together with the Series 2018 Reserve Policy, which account will be held for the benefit of all of the Series 2018 Bonds, without privilege or priority of one Series 2018 Bond over another, and such moneys, together with any other moneys deposited into such Account pursuant to the Master Indenture, shall be applied for the purposes provided therein and in this Section 4.01(f). On each March 15, June 15,

September 16 and December 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amounts on deposit in the Series 2018 Debt Service Reserve Account and transfer any excess therein (except for excess resulting from interest earnings as provided in Section 4.01(f)(iii) below and excess resulting from Prepayments as provided in Section 4.01(f)(ii) below) above the Series 2018 Debt Service Reserve Requirement, as follows: (A) prior to the Completion Date of the Series 2018 Project, to the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund, and (B) on and after the Completion Date of the Series 2018 Project, such amounts shall be transferred to the Series 2018 Revenue Account of the Revenue Fund.

Except as otherwise provided herein or in the Master Indenture and subject to the provisions hereof related to draws on the Series 2018 Reserve Policy, amounts on deposit in the Series 2018 Debt Service Reserve Account (including any draws under the Series 2018 Reserve Policy) shall be used only for the purpose of making payments into the Series 2018 Interest Account, the Series 2018 Principal Account and the Series 2018 Sinking Fund Account to pay Debt Service Requirements on the Series 2018 Bonds, when due, without distinction as to Series 2018 Bonds and without privilege or priority of one Series 2018 Bond over another, to the extent the moneys on deposit in such Accounts therein and available therefor are insufficient and for no other purpose. Such Account shall consist only of the Series 2018 Reserve Policy, cash, Investment Securities or a combination thereof. The District hereby covenants and agrees to abide by the terms and conditions of the Series 2018 Reserve Policy provisions attached hereto as Exhibit B.

(ii) Notwithstanding the foregoing paragraph, so long as no Event of Default has occurred and has not been cured, upon an optional prepayment by the owner of a lot or parcel of land of a Series 2018 Special Assessment against such lot or parcel as provided in Section 4.05(a) of this First Supplemental Indenture, the District, on each March 15, June 15, September 15 and December 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), shall determine the Series 2018 Debt Service Reserve Requirement, taking into account such optional prepayment and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2018 Debt Service Reserve Account in excess of the Series 2018 Debt Service Reserve Requirement (except for excess resulting from interest earnings) from the Series 2018 Debt Service Reserve Account to the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund, as a credit against the Series 2018 Prepayment otherwise required to be made by the owner of such lot or parcel.

(iii) Earnings on investments in the Series 2018 Debt Service Reserve Account shall be disposed of as follows:

(A) If as of the last date on which amounts on deposit in the Series 2018 Debt Service Reserve Account were valued by the Trustee there was a

deficiency in the Series 2018 Debt Service Reserve Account or any amounts are owed to the Series 2018 Insurer as certified to the Trustee in writing by the Series 2018 Insurer, or if after such date withdrawals have been made from the Series 2018 Debt Service Reserve Account and have created such a deficiency, then earnings on investments in the Series 2018 Debt Service Reserve Account (I) shall first be paid to the Series 2018 Insurer in satisfaction of any amounts then owed to the Series 2018 Insurer, and then (II) shall be deposited to the credit of the Series 2018 Debt Service Reserve Account until the amounts on deposit therein equal the Series 2018 Debt Service Reserve Requirement; and

(B) As long as no notice of an Event of Default under the Indenture has been delivered to the Trustee or if such Event of Default described in a notice has been cured or waived as provided in the Master Indenture, and the amount in the Series 2018 Debt Service Reserve Account is not reduced below the then Series 2018 Debt Service Reserve Requirement, then earnings on investments in such Account shall be applied as follows: (x) prior to the Completion Date of the Series 2018 Project, to the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund, and (y) on and after the Completion Date of the Series 2018 Project, to the Series 2018 Revenue Account of the Revenue Fund. Upon the occurrence and continuance of an Event of Default, earnings on investments in the Series 2018 Debt Service Reserve Account shall remain therein.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Fund designated as the "Series 2018 Bond Redemption Fund" and within such Fund, a "Series 2018 General Account," and a "Series 2018 Prepayment Account." Except as otherwise provided in this First Supplemental Indenture, moneys to be deposited into the Series 2018 Bond Redemption Fund, as provided in Article VI of the Master Indenture, shall be deposited to the Series 2018 General Account of the Series 2018 Bond Redemption Fund. Series 2018 Prepayments shall be identified as such by the Issuer to the Trustee to then be deposited directly into the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund, as provided in the Indenture.

(h) (i) Moneys in the Series 2018 General Account (including all earnings on investments held therein) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to make such deposits into the Rebate Fund for the Series 2018 Bonds, if any, as the Issuer may direct in writing in accordance with the Arbitrage Certificate, such moneys thereupon to be used solely for the purposes specified in the Arbitrage Certificate. Any moneys so transferred from the Series 2018 General Account to the Rebate Fund shall thereupon be free from the lien and pledge of the Indenture;

SECOND, to be used to call for redemption pursuant to Section 3.01(b)(ii), (iii), (iv) and (v) hereof an amount of Series 2018 Bonds equal to the amount of money transferred to the Series 2018 General Account pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the written direction of a Responsible Officer, to call for redemption such Series 2018 Bonds that are subject to optional redemption pursuant to Section 3.01(a) hereof such amount of Series 2018 Bonds as, with the redemption premium, if any, may be practicable; provided, however, that not less than $5,000 principal amount of Bonds shall be called for redemption at one time.

(ii) Moneys in the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund (including all earnings on investments therein) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2018 Bonds equal to the amount of money transferred to the Series 2018 Prepayment Account pursuant to the aforesaid provision, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in Section 3.01(b)(i) hereof.

SECTION 4.02. Series 2018 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2018 Revenue Account of the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, not later than the Fifth Business Day preceding each May 1 and November 1, to the Series 2018 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2018 Bonds due on such May 1 or November 1, less any amounts on deposit in the Series 2018 Interest Account not previously credited;

SECOND, no later than the Fifth Business Day next preceding each May 1, to the Series 2018 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2018 Bonds Outstanding and maturing on such May 1, if any, less any amounts on deposit in the Series 2018 Principal Account not previously credited;

THIRD, no later than the Fifth Business Day next preceding each May 1, to the Series 2018 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2018 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2018 Sinking Fund Account not previously credited;

FOURTH, no later than the Fifth Business Day next succeeding each Interest Payment Date, to the Series 2018 Debt Service Reserve Account, first, an amount equal to the amount, if any, which is necessary to repay any draws under the Series 2018 Reserve Policy and any amounts owed to the Series 2018 Insurer in connection therewith, and then, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2018 Debt Service Reserve Requirement;

FIFTH, notwithstanding the foregoing, at any time the Series 2018 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2018 Interest Account the amount necessary to pay interest on the Series 2018 Bonds subject to redemption on such date; and

SIXTH, subject to the following paragraph, the balance of any moneys remaining after making the foregoing deposits shall remain in the Series 2018 Revenue Account unless pursuant to the Arbitrage Certificate it is necessary to make a deposit into the Rebate Fund, in which case the Issuer shall direct the Trustee in writing to make such deposit thereto.

On or after each November 2, the balance on deposit in the Series 2018 Revenue Account shall be applied (i) if withdrawals have been made from the Series 2018 Debt Service Reserve Account and a deficiency remains therein as of each November 1, (A) first, to pay the Series 2018 Insurer any Policy Costs then owed to the Series 2018 Insurer as of each such November 1, as certified to the Trustee in writing by the Series 2018 Insurer, and (B) then, to make deposits to the Series 2018 Debt Service Reserve Account necessary to make the amount on deposit therein equal the Series 2018 Debt Service Reserve Requirement, and then (ii) the balance, if any, shall be deposited into the Series 2018 General Account in the Series 2018 Bond Redemption Fund and applied to the extraordinary mandatory redemption of Series 2018 Bonds on the first Redemption Date upon which such redemption may occur as provided herein and in the Series 2018 Bonds.

SECTION 4.03. Power to Issue Series 2018 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2018 Bonds, to execute and deliver the Indenture and to pledge the Pledged Revenues for the benefit of the Series 2018 Bonds to the extent set forth herein. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2018 Bonds, except for Bonds issued to refund all or a portion of the Series 2018 Bonds. The Series 2018 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2018 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2018 Project to Conform to Plans and Specifications; Changes. The Issuer will proceed to complete the Series 2018 Project, as described in the Engineer's Report, in accordance with the plans and specifications therefor, as such plans and specifications may be amended by the Issuer from time to time; provided that prior to any such amendment of the plans and specifications for the Series 2018 Project, the Consulting Engineer shall have delivered its certificate approving the proposed amendment to such plans and specifications.

SECTION 4.05. Prepayments; Removal of Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2018 Special Assessments may, at its option, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2018 Special Assessments by paying to the Issuer all or a portion of the Series 2018 Special Assessment which shall constitute Series 2018 Prepayments as directed in writing by the Issuer pursuant to the provisions of Section 4.01(h)(ii) of this First Supplemental Indenture, plus accrued interest to the next succeeding Redemption Date (or the second succeeding Redemption Date if such prepayment is made within forty-five (45) calendar days before a Redemption Date), attributable to the property subject to Series 2018 Special Assessment owned by such owner; provided, however, to the extent that such payments are to be used to redeem Series 2018 Bonds in the event the amount in the Series 2018 Debt Service Reserve Account will exceed the Series 2018 Debt Service Reserve Requirement as a result of a Series 2018 Prepayment in accordance with this Section 4.05(a) and the resulting redemption in accordance with Section 3.01(b)(i) of this First Supplemental Indenture of Series 2018 Bonds, the excess amount above the Series 2018 Debt Service Reserve Requirement shall be transferred from the Series 2018 Debt Service Reserve Account to the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund, as a credit against the Series 2018 Prepayment otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer together with a certificate of a Responsible Officer of the Issuer stating that, after giving effect to such transfers, sufficient moneys will be on deposit in the Series 2018 Debt Service Reserve Account to equal or exceed the Series 2018 Debt Service Reserve Requirement and accompanied by cash flows which demonstrate that, after giving effect to the proposed redemption of Series 2018 Bonds, there will be sufficient Pledged Revenues to pay the principal and interest, when due, on all Series 2018 Bonds that will remain Outstanding. The written instructions shall be delivered to the Trustee on the 46th day prior to a Redemption Date.

(b) Upon receipt of Series 2018 Prepayments as described in paragraph (a) above, which includes accrued interest to the next succeeding Redemption Date (or the second succeeding Redemption Date if such prepayment is made within forty-five (45) calendar days before a Redemption Date), subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee and clearly identify in writing such amounts as a Series 2018 Prepayment and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by the District Manager, to the effect that the Series 2018 Special Assessment has been

paid in whole or in part and that such Series 2018 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Series 2018 Prepayment Account of the Series 2018 Bond Redemption Fund to be applied in accordance with Section 4.01(h)(ii) of this First Supplemental Indenture, to the redemption of Series 2018 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2018 Bonds pursuant to Section 3.01(b)(i) of this First Supplemental Indenture on each March 15, June 15, September 15 and December 15.

**ARTICLE V**

**ADDITIONAL COVENANTS OF THE ISSUER**

SECTION 5.01. Collection of Series 2018 Special Assessments. The Series 2018 Special Assessments pledged hereunder to secure the Series 2018 Bonds will be collected pursuant to the Uniform Method pursuant to Section 9.04 of the Master Trust Indenture. The Issuer covenants to enter into a Property Appraiser and Tax Collector Agreement with the County in order to comply with the provisions of this Section.

Notwithstanding the immediately preceding paragraph or any other provision in the Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the written direction of the Series 2018 Insurer, requests that the Issuer not use the Uniform Method, but instead collect and enforce Series 2018 Special Assessments pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Series 2018 Special Assessments in the manner and pursuant to the method so requested by the Trustee.

Any Series 2018 Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Additional Covenant Regarding Series 2018 Special Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in the Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2018 Special Assessments, including the Assessment Resolution and the Assessment Methodology, and to levy the Series 2018 Special Assessments in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2018 Bonds, when due. The Assessment Methodology shall not be amended in a manner that materially impacts the methodology used therein without written consent of the Majority Owners of the Series 2018 Bonds.

SECTION 5.03. Foreclosure of Assessment Lien. Notwithstanding Section 9.06 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2018 Special Assessments and Series 2018 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2018 Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2018 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2018 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2018 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the Series 2018 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series 2018 Revenue Account. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2018 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Series 2018 Bonds.

SECTION 5.04. No Parity Bonds. The Issuer covenants and agrees that so long as there are any Series 2018 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Pledged Revenues, except for refunding bonds.

SECTION 5.05. Reserved.

SECTION 5.06. Acknowledgment Regarding Series 2018 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, upon the occurrence of an Event of Default with respect to the Series 2018 Bonds, the Series 2018 Bonds are payable solely from the Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2018 Bonds, (i) the Pledged Revenues include, without limitation, all amounts on deposit in the Series 2018 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Pledged Revenues may not be used by the Issuer (whether to pay Costs of the Series 2018 Project or otherwise) without the consent of the Majority Owners of the Series 2018 Bonds and (iii) the Pledged Revenues may be used by the Trustee, at the written direction or with the written approval of the Majority Owners of the Series 2018 Bonds, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture or as otherwise provided in the Master Indenture.

**SERIES 2018 INSURANCE POLICY PROVISIONS**

Notwithstanding anything in the Indenture to the contrary, so long as the Series 2018 Insurance Policy is in full force and effect and the Series 2018 Insurer has not defaulted in its payment obligations under the Series 2018 Insurance Policy, the following provisions shall apply; provided further that, to the extent the Series 2018 Insurer has made a payment under the Series 2018 Insurance Policy, the Series 2018 Insurer shall retain its rights of subrogation:

(a) The prior written consent of the Series 2018 Insurer shall be a condition precedent to the deposit of any Debt Service Reserve Insurance Policy or Debt Service Letter of Credit (other than the Series 2018 Reserve Policy) provided in lieu of a cash deposit into the Series 2018 Debt Service Reserve Account. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Series 2018 Debt Service Reserve Account shall be applied solely to the payment of debt service due on the Series 2018 Bonds, subject to the provisions of Section 4.01(f) of the First Supplemental Indenture relating to transfers of certain excess amounts in the Series 2018 Debt Service Reserve Account.

(b) The Series 2018 Insurer shall be deemed to be the sole Owner of the Series 2018 Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Series 2018 Bonds are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. In furtherance thereof and as a term of the Indenture and each Series 2018 Bond, each Owner of the Series 2018 Bonds appoints the Series 2018 Insurer as its agent and attorney-in-fact with respect to the Series 2018 Bonds and agrees that the Series 2018 Insurer may at any time during the continuation of any proceeding by or against the Issuer under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, each Owner of the Series 2018 Bonds delegates and assigns to the Series 2018 Insurer, to the fullest extent permitted by law, the rights of each Owner of the Series 2018 Bonds with respect to the Series 2018 Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. The Trustee acknowledges such appointment, delegation and assignment by each Owner of the Series 2018 Bonds for the Series 2018 Insurer's benefit, and agrees to cooperate with the Series 2018 Insurer in taking any action reasonably necessary or appropriate in connection with such appointment, delegation and assignment. Remedies granted to the Owners shall expressly include mandamus. Nothing herein shall be deemed to

supersede the rights and obligations of the Trustee pursuant to Article XI of the Master Indenture.

(c) No grace period for a covenant default with respect to the Series 2018 Bonds under Section 10.04(e) of the Master Indenture shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Series 2018 Insurer. No grace period shall be permitted for payment defaults with respect to the Series 2018 Bonds.

(d) The Series 2018 Insurer is a third party beneficiary of the Indenture.

(e) The exercise of any provision of the Indenture which permits the purchase of Series 2018 Bonds in lieu of redemption shall require the prior written approval of the Series 2018 Insurer if any Series 2018 Bond so purchased is not cancelled upon purchase.

(f) As more fully provided in paragraph (b) of this Exhibit A, any amendment, supplement, modification to, or waiver of, the Indenture that requires the consent of Owners of the Series 2018 Bonds or adversely affects the rights and interests of the Series 2018 Insurer shall be subject to the prior written consent of the Series 2018 Insurer.

(g) The rights granted to the Series 2018 Insurer under the Indenture to request, consent to or direct any action are rights granted to the Series 2018 Insurer in consideration of its issuance of the Series 2018 Insurance Policy. Any exercise by the Series 2018 Insurer of such rights is merely an exercise of the Series 2018 Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Owners of the Series 2018 Bonds and such action does not evidence any position of the Series 2018 Insurer, affirmative or negative, as to whether the consent of the Owners of the Series 2018 Bonds or any other person is required in addition to the consent of the Series 2018 Insurer.

(h) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Series 2018 Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Series 2018 Insurer, securities eligible for "AAA" defeasance under then existing criteria of S&P or any combination thereof, shall be used to effect defeasance of the Series 2018 Bonds unless the Series 2018 Insurer otherwise approves.

To accomplish defeasance of the Series 2018 Bonds, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Series 2018 Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Series 2018 Bonds in full on the maturity or

redemption date ("Verification"), (ii) an escrow deposit agreement (which shall be acceptable in form and substance to the Series 2018 Insurer), and (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2018 Bonds are no longer "Outstanding" under the Indenture; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, the Trustee and the Series 2018 Insurer. The Series 2018 Insurer shall be provided with final drafts of the above referenced documentation not less than five Business Days prior to the funding of the escrow.

Series 2018 Bonds shall be deemed "Outstanding" under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Series 2018 Insurer under the Series 2018 Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2018 Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Series 2018 Insurer have been paid in full or duly provided for.

(j) The following provisions shall apply to claims upon the Series 2018 Insurance Policy and payments by and to the Series 2018 Insurer.

If, on the fifth Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2018 Bonds due on such Payment Date, the Trustee shall give notice to the Series 2018 Insurer and to its designated agent (if any) (the "Series 2018 Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2018 Bonds due on such Payment Date, the Trustee shall make a claim under the Series 2018 Insurance Policy and give notice to the Series 2018 Insurer and the Series 2018 Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2018 Bonds and the amount required to pay principal of the Series 2018 Bonds, confirmed in writing to the Series 2018 Insurer and the Series 2018 Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Series 2018 Insurance Policy.

The Trustee shall designate any portion of payment of principal on Series 2018 Bonds paid by the Series 2018 Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2018 Bonds registered to the then current Owner of the Series 2018 Bonds, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2018 Bond to the Series

2018 Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2018 Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Series 2018 Bond or the subrogation rights of the Series 2018 Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Series 2018 Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2018 Bond. The Series 2018 Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Series 2018 Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners of the Series 2018 Bonds referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Series 2018 Insurance Policy in trust on behalf of Owners of the Series 2018 Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners of the Series 2018 Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2018 Bonds under the sections of the Indenture regarding payment of Series 2018 Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything in the Indenture to the contrary, the Issuer agrees to pay to the Series 2018 Insurer (i) a sum equal to the total of all amounts paid by the Series 2018 Insurer under the Series 2018 Insurance Policy (the "Series 2018 Insurer Advances"); and (ii) interest on such Series 2018 Insurer Advances from the date paid by the Series 2018 Insurer until payment thereof in full, payable to the Series 2018 Insurer at the Late Payment Rate per annum (collectively, the "Series 2018 Insurer Reimbursement Amounts"). The Issuer hereby covenants and agrees that the Series 2018 Insurer Reimbursement Amounts are secured by a lien on and pledge of the Pledged Revenues and payable from such Pledged Revenues on a parity basis with debt service due on the Series 2018 Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Series 2018 Insurer.

(k) The Series 2018 Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2018 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Series 2018 Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency

Proceeding). Each obligation of the Issuer to the Series 2018 Insurer under the Indenture shall survive discharge or termination of such Indenture.

(l) Subject to the provisions of paragraph (w) of this Exhibit A and after making the required deposits pursuant to Section 4.02 of the First Supplemental Indenture, the Issuer shall pay or reimburse the Series 2018 Insurer any and all charges, fees, costs and expenses that the Series 2018 Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in the Indenture; (ii) the pursuit of any remedies under the Indenture or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or the transactions contemplated thereby, other than costs resulting from the failure of the Series 2018 Insurer to honor its obligations under the Series 2018 Insurance Policy. The Series 2018 Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture.

(m) After payment of reasonable fees and expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Series 2018 Bonds and amounts required to restore the Series 2018 Debt Service Reserve Account to the Series 2018 Debt Service Reserve Account Requirement.

(n) The Series 2018 Insurer shall be entitled to pay principal or interest on the Series 2018 Bonds that shall become Due for Payment but shall *be* unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Series 2018 Insurance Policy), whether or not the Series 2018 Insurer has received a Notice of Nonpayment (as such terms are defined in the Series 2018 Insurance Policy) or a claim upon the Series 2018 Insurance Policy.

(o) The notice address of the Series 2018 Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director — Surveillance, Re: Policy No. _____-N, Telephone: (212) 974-0100; Telecopier: (212) 339 3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(p) The Series 2018 Insurer shall be provided with the following information by the Issuer or, to the extent it has such documents or knowledge of such events, the Trustee, as the case may be:

(1) In addition to the information provided by the dissemination agent under the Continuing Disclosure Agreement to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access (EMMA) website, including the Issuer's annual audited financial statements, which are required to be provided within the time frame

required by Florida law, which currently requires such audited financial statements to be provided up to, but no later than, nine (9) months after the close of the Issuer's Fiscal Year, the Issuer shall provide the Series 2018 Insurer with such other information, data or reports as the Series 2018 Insurer shall reasonably request from time to time;

(2) The Trustee shall give notice of any draw upon the Series 2018 Debt Service Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2018 Debt Service Reserve Account Requirement, (ii) withdrawals in connection with a refunding of Series 2018 Bonds and (iii) withdrawals in connection with the extraordinary mandatory redemption in full of the Series 2018 Bonds;

(3) The Trustee shall provide notice of any default under the Indenture with respect to the Series 2018 Bonds known to the Trustee and the Issuer shall provide notice of any default under the Indenture with respect to the Series 2018 Bonds known to the Issuer, in each case, within five Business Days after knowledge thereof;

(4) The Issuer will give prior notice of the advance refunding of any of the Series 2018 Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(5) The Issuer or the Trustee will give notice of the commencement of any Insolvency Proceeding;

(6) The Issuer or the Trustee will give notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2018 Bonds;

(7) The Issuer will provide a full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Indenture; and

(8) The Trustee will provide all reports, notices and correspondence to be delivered to Owners of the Series 2018 Bonds under the terms of the Indenture.

(q) The Series 2018 Insurer shall have the right to receive such additional information relating to the Issuer, the Series 2018 Special Assessments and the Series 2018 Bonds as it may reasonably request.

(r) The Issuer will permit the Series 2018 Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Series 2018 Insurer may reasonably request regarding the security for the Series 2018 Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable the Series 2018 Insurer to have access to the facilities, books and records of the Issuer on any business day upon reasonable prior notice.

(s) The Trustee shall notify the Series 2018 Insurer of any known failure of the Issuer to provide notices, certificates and other information under the Indenture.

(t) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2018 Bonds or the rights of the Owners of the Series 2018 Bonds, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Series 2018 Insurance Policy.

(u) No contract shall be entered into or any action taken by which the rights of the Series 2018 Insurer or security for or sources of payment of the Series 2018 Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Series 2018 Insurer.

(v) The Issuer shall not enter into any interest rate exchange agreement or any other interest rate maintenance agreement secured by and payable from the Pledged Revenues without the prior written consent of the Series 2018 Insurer.

(w) Nothing contained in this Exhibit A or elsewhere in the Indenture shall be construed as a pledge of the full faith and credit of the Issuer or a general obligation of the Issuer and all obligations of the Issuer under the Indenture shall be payable solely from the Pledged Revenues in the manner set forth in the Indenture, including the priority of payment provisions set forth in Section 4.02 of the First Supplemental Indenture.

**EXHIBIT B**

**SERIES 2018 RESERVE POLICY PROVISIONS**

Notwithstanding anything in the Indenture to the contrary, so long as the Series 2018 Reserve Policy is in full force and effect and the Series 2018 Insurer has not defaulted in its payment obligations under the Series 2018 Reserve Policy, the following provisions shall apply:

(i) The Issuer shall repay any draws under the Series 2018 Reserve Policy and pay all related reasonable expenses incurred by the Series 2018 Insurer. Interest shall accrue and be payable on such draws and expenses from the date of payment by the Series 2018 Insurer at the Late Payment Rate. If the interest provisions of this subparagraph (i) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Series 2018 Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Series 2018 Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of Policy Costs shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs (which Policy Costs shall be certified in writing by the Series 2018 Insurer to the Trustee) paid to the Series 2018 Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Series 2018 Insurer on account of principal due, the coverage under the Series 2018 Reserve Policy will be increased by a like amount, subject to the terms of the Series 2018 Reserve Policy.

In the event cash (as a result of transfers from the Series 2018 Debt Service Reserve Account) and Investment Securities credited to the Series 2018 Debt Service Reserve Account are ever on deposit in the Series 2018 Reserve Account established for the Series 2018 Bonds, the same shall be transferred to the Debt Service Fund for payment of the Debt Service Requirements on the Series 2018 Bonds before any drawing may be made on the Series 2018 Reserve Policy or any other Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit on deposit to the credit of the Series 2018 Debt Service Reserve Account in lieu

[THIS PAGE INTENTIONALLY LEFT BLANK]

of cash. Payment of any Policy Costs shall be made prior to replenishment of any cash amounts. In the event another Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit and/or cash is ever on deposit in the Series 2018 Debt Service Reserve Account, draws on all Debt Service Reserve Insurance Policies and Debt Service Reserve Letters of Credit on deposit in the Series 2018 Debt Service Reserve Account (including the Series 2018 Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Series 2018 Debt Service Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to such Debt Service Reserve Insurance Policies and Debt Service Reserve Letters of Credit shall be made on a pro-rata basis (calculated by reference to the relative percentages by which draws were made on such Debt Service Reserve Insurance Policies and Debt Service Reserve Letters of Credit) prior to replenishment of any cash drawn from the Series 2018 Debt Service Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(ii) Draws under the Series 2018 Reserve Policy may only be used to make payments on Series 2018 Bonds.

(iii) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (i) above, the Series 2018 Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under this Indenture other than remedies which would adversely affect owners of the Series 2018 Bonds.

(iv) The Indenture shall not be discharged until all Policy Costs owing to the Series 2018 Insurer shall have been paid in full as certified in writing by the Issuer to the Trustee. The Issuer's obligation to pay such amount shall expressly survive payment in full of the Series 2018 Bonds.

(v) The Trustee shall ascertain the necessity for a claim upon the Series 2018 Reserve Policy in accordance with the provisions of subparagraph (i) hereof and provide notice to the Series 2018 Insurer at least four Business Days prior to each date upon which interest or principal is due on the Series 2018 Bonds.

(vi) The Series 2018 Reserve Policy shall expire on the earlier of the date the Series 2018 Bonds are no longer outstanding and the final maturity date of the Series 2018 Bonds.

(vii) During an Event of Default, the reimbursement of Policy Costs under this Exhibit B shall be subordinate only to the payment of debt service due to the Owners of the Series 2018 Bonds under Section 10.11 of the Master Indenture and rights of the Trustee to be paid its fees and expenses with respect to the Series 2018 Bonds.

We have not undertaken an independent audit, examination, investigation or inspection of such matters and have relied solely on the facts, estimates and circumstances described in such proceedings and certifications. We have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

The Series 2018 Bonds are payable from the Pledged Revenues which consist of (a) all revenues received by the Issuer from the Series 2018 Special Assessments levied and collected on that portion of the District Lands benefited by the Series 2018 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2018 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2018 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture (except for the Rebate Fund) in the manner and to the extent provided in the Indenture.

The Series 2018 Bonds do not constitute a general obligation or indebtedness of the Issuer within the meaning of any constitutional, statutory or other limitation of indebtedness and the holders thereof shall never have the right to compel the exercise of any ad valorem taxing power of the Issuer or taxation in any form on any real or personal property for the payment of the principal of or interest on the Series 2018 Bonds.

The opinions set forth below are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America.

Based on our examination, we are of the opinion that, under existing law:

1. The Indenture constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms.

2. The Series 2018 Bonds are valid and binding limited obligations of the Issuer enforceable in accordance with their respective terms, and payable from and secured solely by the Pledged Revenues in the manner and to the extent provided in the Indenture.

3. The Indenture creates a valid lien upon the Pledged Revenues for the security of the Series 2018 Bonds.

4. Interest on the Series 2018 Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. However, interest on the Series 2018 Bonds will be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations for taxable years that began prior to January 1, 2018. The alternative minimum tax on corporations was repealed for taxable years beginning on and after January 1, 2018. The opinions set forth in this paragraph 4 are subject to the condition that the Issuer complies with all requirements of the Internal Revenue Code of 1986, as amended, (the "Code") that must be satisfied subsequent to the issuance of the Series 2018 Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted in the Indenture to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Series 2018 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2018 Bonds.

5. The Series 2018 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

It is to be understood that the rights of the owners of the Series 2018 Bonds and the enforceability thereof may be subject to the exercise of judicial discretion in accordance with general principles of equity, to the valid exercise of the sovereign police powers of the State of Florida and of the constitutional powers of the United States of America and to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted.

For purposes of this opinion, we have not been engaged or undertaken to review and, therefore, express no opinion herein regarding the accuracy, completeness or adequacy of the Limited Offering Memorandum or any other offering material relating to the Series 2018 Bonds. This opinion should not be construed as offering material, an offering circular, prospectus or

official statement and is not intended in any way to be a disclosure statement used in connection with the sale or delivery of the Series 2018 Bonds. Furthermore, we are not passing on the accuracy or sufficiency of any CUSIP numbers appearing on the Series 2018 Bonds. In addition, we have not been engaged to and, therefore, express no opinion as to compliance by the Issuer or the underwriter or underwriters with any federal or state statute, regulation or ruling with respect to the sale and distribution of the Series 2018 Bonds or regarding the perfection or priority of the lien on the Pledged Revenues created by the Indenture. Further, we express no opinion regarding federal income or state tax consequences arising with respect to the Series 2018 Bonds other than as expressly set forth herein.

Our opinions expressed herein are predicated upon present law, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof. Delivery of this opinion to the Trustee or any party other than the Issuer does not create an attorney-client relationship with such parties.

Respectfully submitted,

BRYANT MILLER OLIVE P.A.

No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Issuer Disclosure Representative or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

12. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement.

13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Trustee, the Participating Underwriter and Beneficial Owners of the Series 2018 Bonds, and shall create no rights in any other person or entity.

14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

# INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
*Meadow Pointe II Community Development District*

## Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, and each major fund of the *Meadow Pointe II Community Development District* (the "District"), as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

## Management's Responsibility for the Financial Statements

The District's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, and each major fund of the District as of September 30, 2017, and the respective changes in financial position thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis starting on page 3, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards,* we have also issued a report dated June 21, 2018, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

## MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of *Meadow Pointe II Community Development District's* (the "District") financial accomplishments provide an overview of the District's financial activities for the year ended September 30, 2017. Please read it in conjunction with the District's Independent Auditor's Report, financial statements and accompanying notes.

This information is being presented to provide additional information regarding the activities of the District and to meet the disclosure requirements of Government Accounting Standards Board Statement (GASB) No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments* issued June 1999.

### Financial Highlights

- The assets of the District exceeded its liabilities at September 30, 2017 by $18,961,089, an increase in net position of $474,618 in comparison with the prior year.
- At September 30, 2017, the District's governmental funds reported a fund balance of $2,899,324, a decrease of $727,602 in comparison with the prior year.

### Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the *Meadow Pointe II Community Development District's* financial statements. The District's financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements.

### Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the District's assets, liabilities, and deferred inflows/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by special assessment revenues. The District does not have any business-type activities. The governmental activities of the District include general government, physical environment, culture and recreation, transportation, and public safety related functions.

## Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: Governmental Funds.

**Governmental Funds** - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains two individual governmental funds. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances for the general fund and debt service fund, which are considered to be major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

## Notes to Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

## Government-Wide Financial Analysis

## Financial Analysis of the Government's Funds

As noted on the previous page and in the statement of activities, the cost of all governmental activities during the year ended September 30, 2017 was $2,485,100. The majority of these costs are comprised of physical environment and culture and recreation expense.

The District uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. The focus of the District's governmental funds is to provide information on near - term inflows, outflows and balances of spendable resources. Such information is useful in assessing the District's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. At September 30, 2017, the District's governmental funds reported combined ending fund balances of $2,899,324. Of this total, $29,950 is nonspendable, $1,571,974 is assigned and the remainder of $1,297,400 is unassigned.

The general fund balance increase of $274,389 in the current year was used to fund the operating and replacement reserves. The debt service fund was closed in the current year.

## General Fund Budgetary Highlights

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. There were no amendments to the September 30, 2017 general fund budget. The legal level of budgetary control is at the fund level.

## Capital Asset and Debt Administration

**Capital Assets** - At September 30, 2017, the District had $16,061,765 invested in assets, net of accumulated depreciation. More detailed information about the District's capital assets is presented in the notes to the financial statements.

**Capital Debt** - At September 30, 2017, the District has no bonds outstanding. More detailed information about the District's capital debt is presented in the notes to the financial statements.

## RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

Year Ended September 30, 2017

Amounts reported for Governmental Activities in the Statement of Activities are different because:

| | | |
|---|---|---|
| Net change in fund balances - total governmental funds (page 10) | | $ (727,602) |
| Governmental funds report outlays for capital assets as expenditures because such outlays use current financial resources; however, in the statement of net position the cost of those assets is recorded as capital assets. Depreciation on capital assets is not recognized in the governmental fund statement; however, it is reported as an expense in the statement of activities. | | |
| Depreciation expense | | (593,823) |
| Repayments of bond principal are expenditures in governmental funds while repayments reduce liabilities in the statement of net position. Also, governmental funds report the effect premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. | | |
| Repayment of bonds payable | 1,770,000 | |
| Amortization of bond discount | (7,882) | |
| | | 1,762,118 |
| Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. | | |
| Change in accrued interest | | 33,925 |
| Change in Net Position of Governmental Activities (page 8) | | $ 474,618 |

# NOTES TO FINANCIAL STATEMENTS

## Note 1 - Summary of Significant Accounting Policies:

### Reporting Entity

The *Meadow Pointe II Community Development District*, (the "District") was established on October 7, 1994 by Pasco County Ordinance 94-13 pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190 Florida Statutes. The Act provides, among other things, the power to manage basic services for community development, the power to borrow money and issue bonds, and the power to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure. The District was established for the purpose of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors (the Board), which is composed of five members. The Supervisors are elected on an at large basis by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes.

The Board has the final responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements 14, 39, and 61. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District Board of Supervisors is considered to be financially accountable, and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

**Note 1 - Summary of Significant Accounting Policies (Continued):**

**Government-Wide and Fund Financial Statements**

The financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the District. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants, contributions and investment income that are restricted to meeting the operational or capital requirements of a particular function or segment and 3) operating-type special assessments that are treated as charges for services (including assessments for maintenance and debt service). Other items not included among program revenues are reported instead as *general revenues*.

**Measurement Focus, Basis of Accounting and Financial Statement Presentation**

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the modified *accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting; however, debt service expenditures are recorded only when payment is due.

Assessments, including debt service assessments and operation and maintenance assessments, are non-ad valorem assessments imposed on all lands located within the District and benefited by the District's activities. Operation and maintenance special assessments are levied by the District prior to the start of the fiscal year which begins October 1st and ends on September 30th. These assessments are imposed upon all benefited lands located in the District. Debt service special assessments are imposed upon certain lots and lands as described in each resolution imposing the special assessment for each series of bonds issued by the District.

**Note 1 - Summary of Significant Accounting Policies (Continued):**

**Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued):**

Assessments and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Only the portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the District.

The District reports the following governmental funds, which are considered to be major funds:

**General Fund** - is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

**Debt Service Fund** - accounts for the accumulation of resources for the annual payment of principal and interest on long-term debt.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

**Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance**

**Restricted Assets** - These assets represent cash and investments set aside pursuant to bond covenants.

**Deposits and Investments** - The District's cash and cash equivalents are considered to be cash on hand and demand deposits.

Investments of the District are reported at fair value and are categorized within the fair value hierarchy established in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*. The District's investments consist of investments authorized in accordance with Section 218.415, Florida Statutes.

**Prepaid Items** - Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

**Note 1 - Summary of Significant Accounting Policies (Continued):**

**Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance (Continued):**

**Capital Assets** - Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, sidewalks and similar items), are reported in the applicable governmental activities column in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than $5,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the District are depreciated using the straight-line method over the following estimated useful lives:

| Assets | Years |
|---|---|
| Buildings | 10 - 20 |
| Infrastructure | 10 - 30 |
| Equipment | 3 - 20 |
| Vehicles | 10 - 15 |

**Long Term Obligations** - In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of premiums or discounts.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums and discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as expenditures.

**Deferred Outflows/Inflows of Resources** - In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The District does not have any item that qualifies for reporting in this category for the year ended September 30, 2017.

**Note 1 - Summary of Significant Accounting Policies (Continued):**

**Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance (Continued):**

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The District does not have any item that qualifies for reporting in this category for the year ended September 30, 2017.

**Net Position Flow Assumption** - Sometimes the District will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted- net position and unrestricted- net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the District's policy to consider restricted – net position to have been depleted before unrestricted-net position is applied.

**Fund Balance Flow Assumptions** - Sometimes the District will fund outlays for a particular purpose from both restricted and unrestricted resources (total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the District's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

**Fund Balance Policies** - Fund balance of governmental funds is reported in various categories based on the nature of any limitations requiring the use of resources for specific purposes. The District itself can establish limitations on the use of resources through either commitment (committed fund balance) or an assignment (assigned fund balance).

The committed fund balance classification includes fund balance amounts that can be used only for the specific purposes determined by a formal action of the government's highest level of decision-making authority. The Board of Supervisors is the highest level of decision-making authority for the government that can, by adoption of an ordinance or resolution prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the ordinance or resolution remains in place until a similar action is taken to remove or revise the limitation.

**Note 1 - Summary of Significant Accounting Policies (Continued):**

**Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance (Continued):**

Amounts in the assigned fund balance classification are intended to be used by the government for specific purposes but do not meet the criteria to be classified as committed. The Board of Supervisors has authorized the District Manager to assign amounts for specific purposes. The Board of Supervisors may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's appropriated budget. Unlike commitments, assignments generally only exist temporarily. In other words, an additional action does not normally have to be taken for the removal of an assignment. Conversely, as discussed above and additional action is essential to either remove or revise a commitment.

**Other Disclosures**

**Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

**Note 2 - Stewardship, Compliance and Accountability**:

**Budgetary Information**

The District is required to establish a budgetary system and an approved annual budget for the General Fund. Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America. All annual appropriations lapse at the fiscal year end. The legal level of budgetary control is at the fund level. Any budget amendments that increase the aggregate budgeted appropriations, at the fund level, must be approved by the Board of Supervisors.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.

2. Public hearings are conducted to obtain taxpayer comments.

3. Prior to October 1, the budget is legally adopted by the District Board.

4. All budget changes must be approved by the District Board.

5. The budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

**Note 3 - Deposits and Investments:**

**Deposits**

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

Cash balances of $22,475 are held as deposits for fitness facility member access cards. This cash is considered restricted as it is refundable to the members.

**Investments**

The District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset.

Under GASB 72, assets or liabilities are classified into one of three levels. Level 1 is the most reliable and is based on quoted prices for identical assets, or liabilities, in an active market. Level 2 uses significant other observable inputs when obtaining quoted prices for identical or similar assets, or liabilities, in markets that are not active. Level 3 is the least reliable, and uses significant unobservable inputs that uses the best information available under the circumstances, which includes the District's own data in measuring unobservable inputs.

**Note 3 - Deposits and Investments (Continued):**

**Investments (Continued):**

Instead of establishing a written investment policy, the District elected to limit investments to those approved by Florida Statutes and the District Trust Indenture. Authorized District investments include, but are not limited to:

1. The Local Government Surplus Funds Trust Fund (SBA);
2. Securities and Exchange Commission Registered Money Market Funds with the highest credit quality rating from a nationally recognized rating agency;
3. Interest-bearing time deposits or savings accounts in qualified public depositories;
4. Direct obligations of the U.S. Treasury;

Investments made by the District at September 30, 2017 are summarized below. In accordance with GASB 31, investments are reported at fair value.

| Investment Type | Fair Value | Credit Rating | Weighted Average Maturity |
|---|---|---|---|
| Money Market Funds | $ 2,470,881 | NA | NA |
| Certificates of Deposit | 363,386 | NA | 6-17 months |
| | $ 2,834,267 | | |

**Note 3 - Deposits and Investments (Continued):**

**Investments (Continued):**

Credit Risk:
The District's limits credit risk by restricting authorized investments to those described which are either backed by the full faith and credit of the United States Government or maintain the highest credit quality ratings of Moody's or S&P.

Custodial Credit Risk:
In the case of deposits, this is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District's requires that bank deposits be secured as provided by Chapter 280, Florida Statutes. This law requires local governments to deposit funds only in financial institutions designated as qualified public depositories by the Chief Financial Officer of the State of Florida, and creates the Public Deposits Trust Fund, a multiple financial institution pool with the ability to assess its member financial institutions for collateral shortfalls if a default or insolvency has occurred. At September 30, 2017, all of the District's bank deposits were in qualified public depositories.

For an investment, this is the risk that, in the event of the failure of the counterparty, the government will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. At September 30, 2017, none of the investments listed are exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

Concentration of Credit Risk:
There is no limit on the amount the District may invest in any one issuer.

Interest Rate Risk:
The District does not specifically address interest rate risk; however, their practice is to apply the prudent-person rule: Investments are made as a prudent person would be expected to act, with discretion and intelligence, to seek reasonable income, preserve capital, and in general, avoid speculative investments. The District invests to provide sufficient liquidity to pay obligations as they come due.

**Note 5 - Long-Term Liabilities:**

Series 2004 Capital Improvement Revenue Refunding Bonds

In April, 2004, the District issued $10,050,000 of Series 2004 Capital Improvement Revenue Refunding Bonds for the purpose of refunding the Series 1995 Capital Improvement Revenue Bonds and to finance the acquisition and construction of certain improvements for the benefit of the property within the District. The $10,050,000 Series 2004 Bonds are comprised of 1) Serial Bonds of $5,855,000 payable in annual principal installments commencing May 1, 2005 through May 1, 2013 at interest rates starting at 2% and rising to 4% and 2) Term Bonds of $4,195,000 payable in annual principal installments commencing May 1, 2014 through May 1, 2018 at 4.6%. Interest is paid on the Series 2004 Bonds semiannually on each May 1 and November 1, commencing November 1, 2004.

The Bonds may, at the option of the District, be called for redemption in whole or in part on any interest payment date on or after May 1, 2012 at a redemption price set in the Bond Indenture. The Bonds are also subject to extraordinary mandatory redemption prior to maturity in the manner determined by the Bond Registrar if certain events occur as outlined in the Bond Indenture.

The Bond Indenture requires that the District maintain adequate funds in a reserve account to meet the debt service reserve requirement as defined in the indenture. The requirement was met as of September 30, 2017.

The Bond Indenture has certain restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agreed to levy special assessments in annual amounts adequate to provide payment of debt service. Payment of principal and interest on the 2004 Bonds is secured by a pledge of and a first lien upon the pledged special assessment revenue. The District is in compliance with the requirements of the Bond Indenture.

The Series 2004 Revenue Bonds were paid off during the fiscal year ended September 30, 2017. For the year ended September 30, 2017, principal and interest paid was $1,851,420 and total special assessment revenue pledged was $965,738.

# COMPLIANCE SECTION

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Supervisors
*Meadow Pointe II Community Development District*

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, and each major fund of the *Meadow Pointe II Community Development District* (the "District") as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated June 21, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
