Board of Supervisors
Meadow Pointe II Community Development District
210 N. University Drive, Suite 702
Coral Springs, FL 33071

The following represents our understanding of the services we will provide *Meadow Pointe II Community Development District*.

You have requested that we audit the governmental activities, each major fund, and the aggregate remaining fund information of *Meadow Pointe II Community Development District*, as of September 30, 2023, and for the year then ended and the related notes, which collectively comprise *Meadow Pointe II Community Development District*'s basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with Government Auditing Standards, will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Accounting principles generally accepted in the United States of America, (U.S. GAAP,) as promulgated by the Governmental Accounting Standards Board (GASB) require that certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America, (U.S. GAAS). These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures but will not be audited:

1. Management's Discussion and Analysis

Auditor Responsibilities
We will conduct our audit in accordance with GAAS and in accordance with *Government Auditing Standards*, and Chapter 10.550, *Rules of the Auditor General*. As part of an audit in accordance with GAAS, Government Auditing Standards, and Chapter 10.550, *Rules of the Auditor* General, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS and Government Auditing Standards.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

Compliance with Laws and Regulations
As previously discussed, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of *Meadow Pointe II Community Development District*'s compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities
Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the basic financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
3. To provide us with:
    a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the basic financial statements such as records, documentation, and other matters;
    b. Additional information that we may request from management for the purpose of the audit;
    c. Unrestricted access to persons within the entity and others from whom we determine it necessary to obtain audit evidence.
4. For including the auditor's report in any document containing basic financial statements that indicates that such basic financial statements have been audited by us;
5. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities;
6. For adjusting the basic financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period under audit are immaterial, both individually and in the aggregate, to the basic financial statements as a whole; and
7. For acceptance of nonattest services, including identifying the proper party to oversee nonattest work;
8. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
9. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant role in internal control and others where fraud could have a material effect on the financials; and
10. For the accuracy and completeness of all information provided.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Nonattest Services
With respect to any nonattest services we perform, such as drafting the financial statements, we will not assume management responsibilities on behalf of the District. However, we will provide advice and recommendations to assist management of the District in performing its responsibilities.

The District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Our responsibilities and limitations of the nonattest services are as follows:

- We will perform the services in accordance with applicable professional standards, including Government Auditing Standards
- The nonattest services are limited to the drafting of financial statements as previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of the preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

Reporting
We will issue a written report upon completion of our audit of *Meadow Pointe II Community Development District's* basic financial statements. Our report will be addressed to the governing body of *Meadow Pointe II Community Development District*. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance will not be an objective of the audit and, therefore, no such opinion will be expressed.

We also will issue a written report on the District's compliance with the requirements of Section 218.415, Florida Statutes upon completion of our audit.

Other
We understand that your employees will prepare all confirmations we request and will locate any documents or support for any other transactions we select for testing.

If you intend to publish or otherwise reproduce the basic financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Regarding the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

Provisions of Engagement Administration, Timing and Fees
During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

We expect to begin our audit in January 2024 and the audit reports and all corresponding reports will be issued no later than March 31, 2024.

Tamara Campbell is the engagement partner for the audit services specified in this letter. Her responsibilities include supervising McDirmit Davis, LLC's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fee for these services described in this letter will be $4,400 for the year ended September 30, 2023, unless the scope of the engagement is changed; the assistance that *Meadow Pointe II Community Development District* has agreed to furnish is not provided, or unexpected conditions are encountered, in which case we will discuss the situation with you before proceeding.

Our invoices for fees shall be rendered upon completion of the work, shall provide sufficient detail to demonstrate that fees charged are solely for the specified services as actually rendered and shall demonstrate compliance with the terms of this agreement.

This Agreement provides for the agreement period of one (1) year, unless terminated earlier in accordance with this Agreement. This agreement may be renewed for one additional year subject to the mutual agreement by both parties to the terms and fees for such renewal. The District agrees that Auditor may terminate this Agreement with or without cause by providing sixty (60) days' written notice of termination to the District; provided, however, that the District shall be provided a reasonable opportunity to cure any failure under this Agreement. Auditor agrees that the District may terminate this Agreement immediately with cause. Auditor further agrees that the District may terminate this Agreement by providing thirty (30) days' written notice of termination to Auditor. Upon any termination of this Agreement, Auditor shall be entitled to payment for all work and/or services rendered up until the effective termination date, subject to whatever claims or off-sets the District may have against Auditor.

Whenever possible, we will attempt to use *Meadow Pointe II Community Development District's* personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit. Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

You agree to inform us of facts that may affect the basic financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

Public Records
Auditor understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and. Accordingly, Auditor agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, *Florida Statutes*. Auditor acknowledges that the designated public records custodian for the District is INFRAMARK ("Public Records Custodian"). Among other requirements and to the extent applicable by law, Auditor shall 1) Keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Auditor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Auditor's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Auditor, Auditor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District, in a format that is compatible with Microsoft Word or Adobe PDF formats.

IF THE AUDITOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, *FLORIDA STATUTES*, TO THE AUDITOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT 954-603-0033, SANDRA.DEMARCO@INFRAMARK.COM, OR AT 210 N. UNIVERSITY DRIVE, SUITE 702, CORAL SPRINGS, FL 33071.

The CONTRACTOR and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees. The CONTRACTOR agrees and acknowledges that the OWNER is a public employer subject to the E-Verify requirements as set forth in Section 448.095, Florida Statutes, and that the provisions of Section 448.095, Florida Statutes apply to this Agreement. If the OWNER has a good faith belief that the CONTRACTOR has knowingly hired, recruited or referred an alien who is not authorized to work by the immigration laws or the Attorney General of the United States for employment under this Agreement, the OWNER shall terminate this Agreement. If the OWNER has a good faith belief that a subcontractor performing work under this Agreement knowingly hired, recruited or referred an alien who is not duly authorized to work by the immigration laws or the Attorney General of the United States for employment under this Agreement, the OWNER shall promptly notify the CONTRACTOR and order the CONTRACTOR to immediately terminate the contract with the subcontractor. The CONTRACTOR shall be liable for any additional costs incurred by the OWNER as a result of the termination of a contract based on CONTRACTOR'S failure to comply with E-Verify requirements evidenced herein.

At the conclusion of our audit engagement, we will communicate to the Board of Supervisors the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

The audit documentation for this engagement is the property of McDirmit Davis, LLC and constitutes confidential information. However, we may be requested to make certain audit documentation available to a federal or state agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities, pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of McDirmit Davis, LLC's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

In accordance with the requirements of *Government Auditing Standards,* we have attached a copy of our latest external peer review report of our firm for your consideration and files.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the basic financial statements including our respective responsibilities.

We appreciate the opportunity to be your financial statement auditors and look forward to working with you and your staff.

Respectfully,

McDirmit Davis, LLC
Orlando, FL

Special Assessment Bonds, Series 2018

For the October 31, 2023 Computation Date

We have completed our engagement to prepare certain computations relating to the above-captioned issue (the "Bonds"). The Rebate Amount, as shown in this report, is cumulative for the period from October 31, 2018, the delivery date of the Bonds, to October 31, 2023 (the "Computation Period"). All nonpurpose payments and receipts are future valued to the Computation Date.

The scope of our engagement consisted of preparation of the computations as shown in the attached schedules to determine the Rebate Amount as described in Section 148(f)(2) of the Internal Revenue Code of 1986, as amended (the "Code"), and related Sections 1.148-1 through 1.148-11 of the Treasury Regulations issued June 18, 1993, as amended (the "Regulations"). Certain computational methods used in the preparation of the schedules are described in the Summary of Computational Information and Definitions.

Our engagement was limited to the computation of the Rebate Amount based upon information furnished to us. The scope of our engagement did not include the rendering of advice as such term is defined in Section 15B of the Securities Exchange Act of 1934 and amended by Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. In accordance with the terms of our engagement, we did not audit the information provided to us, and we express no opinion as to the completeness, accuracy, or suitability of such information for purposes of calculating the Rebate Amount.

Meadow Pointe II Community Development District

Our computations in the attached schedules are summarized as follows:

Yields	
Investment:	0.528970%
Bond:	4.319376%

Rebate Summary	
Actual Earnings:	$116,941.28
Allowable Earnings:	1,061,996.60
Current Period Rebate Amount:	(945,055.32)
Future Value of Computation Credits:	(9,861.96)
Total Rebate Amount:	$(954,917.28)

The Rebate Amount has been calculated as of October 31, 2023. The actual amount due as of the next required Installment Rebate Payment Date is subject to change due to bond and investment activity, if any, occurring after October 31, 2023. Pursuant to the Regulations, the next required Installment Rebate Payment must be paid no later than 60 days after October 31, 2028.

The terms of our engagement are such that we have no obligation to update this report because of events occurring, or data or information coming to our attention, subsequent to the date of this report. This report is intended solely for the information and use of the parties identified in this letter and is not intended to be and should not be used by anyone other than these specified parties.

Meadow Pointe II Community Development District - Special Assessment Bonds, Series 2018
SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

COMPUTATIONAL INFORMATION

1. The delivery date of the Bonds was October 31, 2018.
2. Computations are based upon a 30/360 day year and semi-annual compounding.
3. Purchase prices of investments are assumed to be at fair market value representing an arm's length transaction.
4. For investment cash flow, debt service and yield computation purposes, all payments and receipts are assumed to be paid or received, respectively, as shown in the attached schedules. Furthermore, it is assumed that disbursements from accounts provided, unless clearly stated as transfers to another fund, represent expenditures of proceeds.
5. For purposes of computing the Rebate Amount, we assume no transactions have occurred during the Computation Period that would result in the creation of additional replacement proceeds.
6. The Interest, Prepayment, and Sinking Funds have been excluded from the calculation of the Rebate Amount for the periods in which they operate as a bona fide debt service fund and qualify for exclusion from the rebate requirement.
7. For purposes of computing the Bond Yield, the insurance premium shown on the schedule entitled "Total Debt Service Requirements and Yield on the Bonds" is included in the determination of Issue Price paid for the Bonds. It is assumed that the insurance premium includes only a reasonable charge for the transfer of credit risk and is less than the additional interest that would have been paid if the Bonds were not secured by the insurance policy.
8. For purposes of computing interest earnings and yield, investments outstanding at the end of the Computation Period were assumed to mature at their present value at the end of the Computation Period.
9. Certain gross proceeds of the Bonds are subject to the yield restriction requirements of the Code and Regulations. These proceeds have generated negative arbitrage for the period they have been yield restricted.
10. For purposes of computing the Rebate Amount, we have assumed that any proceeds allocated to a reimbursement for expenditures incurred prior to the delivery of the Bonds comply with the reimbursement requirements of Treasury Regulations Section 1.150-2.

Meadow Pointe II Community Development District - Special Assessment Bonds, Series 2018
SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

11. Sections 141-147 of the Internal Revenue Code of 1986, as amended (the "Code") and related regulations set forth requirements with respect to the amount of bond proceeds that may be used for the benefit of a private person or entity. Treasury Regulations Section 1.141-6(a) requires that allocations of expenditures of bond proceeds for purposes of computing the Rebate Amount must be the same as the allocations of expenditures used to test the private use of projects financed with proceeds of the Bonds. For purposes of calculating the Rebate Amount, our calculations assume that the allocations of expenditures of the Bond proceeds as provided to us are the same for both purposes of Sections 141-147 and Section 148 of the Code. The scope of this engagement did not include procedures to analyze the private use limitations associated with this bond issue.

REBATE DEFINITIONS

Computation Date:

Each date on which the rebate amount for an issue is computed. For a fixed yield issue, an issuer may treat any date as a computation date. For a variable yield issue, an issuer may treat the last day of any bond year as a computation date.

Installment Rebate Payment:

An Installment Rebate Payment must be in an amount that, when added to the future value, as of the computation date, of previous payments made for the issue, equals at least 90 percent of the Rebate Amount as of that date.

Installment Rebate Payment Date:

The first Installment Rebate Payment must be made for a Computation Date that is not later than five years after the issue date. Subsequent Installment Rebate Payments must be made for a Computation Date that is not later than five years after the previous computation date for which an installment payment was made.

Rebate Amount:

As of any date, the rebate amount for an issue is the excess of the future value, as of that date, of all receipts on nonpurpose investments over the future value of all payments on nonpurpose investments. The future value is computed using the Bond Yield.

Bond Yield:

For fixed yield issues, the discount rate that, when used in computing the present value of all the unconditionally payable payments of principal and interest, fees for a qualified guarantee, and payments properly allocable to a qualified hedge paid and to be paid with respect to the Bonds, produces an amount equal to the present value of the Issue Price of the Bonds. Present value is computed as of the delivery date of the Bonds.

Meadow Pointe II Community Development District - Special Assessment Bonds, Series 2018
SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

For variable yield issues, it is the discount rate for each yield computation period that, when used in computing the present value as of the first day of the yield computation period of all the payments of principal, interest, qualified guarantee and qualified hedge fees attributable to the yield computation period produces an amount equal to the present value of the Bonds as of the first day of the yield computation period.

Investment Yield:

The discount rate that, when used in computing the present value as of the date an investment is first allocated to the issue of all unconditionally payable receipts from the investment, produces an amount equal to the present value of all unconditionally payable payments for the investment. For this purpose, payments means amounts to be actually or constructively paid to acquire the investment, and receipts means amounts to be actually or constructively received from the investment, such as earnings and return of principal. The Investment Yield stated herein is cumulative for all includable investments contained in this report.

Issue Price:

The price determined on the basis of the initial offering price to the public at which price a substantial amount of the Bonds were sold to the public.

Computation Credit:

A computation credit is allowed on the last day of each bond year during which there are investments subject to the rebate requirement, and on the final maturity date of the issue.

TENTH ORDER OF BUSINESS

10A

MINUTES OF MEETING
MEADOW POINTE II
COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Meadow Pointe II Community Development District was held Wednesday, November 1, 2023 at 6:30 p.m. at the Meadow Pointe II Clubhouse, located at 30051 County Line Road, Wesley Chapel, Florida 33543.

Present and constituting a quorum were:

John Picarelli	Chairperson
Jamie Childers	Vice Chairperson
Nicole Darner	Assistant Secretary
Kyle Molder	Assistant Secretary
Robert Signoretti	Assistant Secretary

Also present were:

Justin Wright	Operations Manager
Kevin Ginsburg	ARC/DRC
Residents	

Following is a summary of the discussions and actions taken.

FIRST ORDER OF BUSINESS **Call to Order**

Mr. Picarelli called the meeting to order.

SECOND ORDER OF BUSINESS **Roll Call**

Supervisors and staff introduced themselves. A quorum was established.

THIRD ORDER OF BUSINESS **Pledge of Allegiance/Moment of Silence for our Fallen Service Members and First Responders**

The Pledge of Allegiance was recited, and a moment of silence was observed.

FOURTH ORDER OF BUSINESS **Additions or Corrections to the Agenda**

The following items were added to the Agenda:

Government/Community Updates

- *Discussion of Iverson Property.*

Approval/Disapproval/Discussion

- *Discussion of the New Waste Pails.*
- *Discussion of the Tree Letter.*
- *Discussion of the Welcome Letter.*

FIFTH ORDER OF BUSINESS **Audience Comments (Comments will be limited to three minutes.)**

- Ms. Kelly Wright of Iverson expressed gratitude for support from volunteers.
- Ms. Patricia Gray of Glenham requested clarification regarding enforcement of decoration restrictions for businesses. She requested clarification as she experienced a situation near her residence, which prompted her to believe that a neighboring resident was operating a grooming business/service outside of their home. Mr. Picarelli commented the Deed Restrictions do not allow businesses to be managed from any residence, and if someone has made someone from the Board aware of it, the Board would investigate and pursue the situation, and if it was determined the homeowner was not in compliance with the Deed Restrictions, the person would receive a violation. Mr. Ginsburg is not aware of a Deed Restriction in this regard. Mr. Picarelli informed Ms. Gray she will need to file a Deed Restriction violation request in order for the Board to investigate the matter.
- Mr. Tony G. of Tremont expressed concern about a resident possibly operating an automotive shop outside of their home, as he has heard and/or seen revving engines and multiple vehicles driving during the day. Mr. Picarelli responded it may be a difficult situation if the residence is part of Meadow Pointe III. Meadow Pointe II may not be able to investigate and file a Deed Restriction violation against this homeowner. However, he may be able to inform law enforcement in the District to investigate that area.
- Mr. Steven Berger of Glenham asked the Board who gives the authority to spend the funds for the community without the vote of the community. Mr. Picarelli stated that before acquiring the 2018 Bond, a Public Hearing was scheduled, and the Board sent put a notification in the newsletter of this Hearing, and the reason for it. All decisions of the community are based on necessity. He further stated the Board had several meetings with the community and took some of their suggestions. Mr. Picarelli supported the statement

with examples such as a pool and a dog park, the majority of the community wanting more space for meetings and other events.

- Mr. Berger asked if major spending would be put to a vote by the community again. Mr. Picarelli he is hoping to ensure the current Bond is the last one, as long as he is on the Board.
- Mr. Berger expressed concern about Meadow Pointe Boulevard being closed. Mr. Picarelli noted he cannot get the County to close that road, as he is already having difficulty with keeping Mansfield Road closed. Mr. Picarelli recommended Mr. Berger email the County Commissioners and attend their Board meetings. He stated if more residents address the County Commissioners, they may be more likely to addressing the problem and obtain a solution.
- Ms. Joan Caffarelli of Longleaf asked Coastal Waste to inquire about smaller waste pails. The representative was not aware there were smaller pails. Mr. Picarelli responded that as of October 27, 2023, the system to receive calls to request smaller pails was finalized. He informed her to request again.
- A resident, Melissa, inquired about the status of the trees for Longleaf. Mr. Picarelli commented the Board received a couple of bids which they are going to discuss later in the meeting.

SIXTH ORDER OF BUSINESS District Manager Report

Mr. Picarelli updated the Board on item A-C in the absence of District Manager, Robert Nanni.

A. Advertisement of Architectural Position for New Building

- Staff is finalizing the advertisement. It should be advertised before the next meeting.

B. Addendum to Coastal Waste Contract

- The addendum consisted of the availability to swap out the large garbage pail for a smaller 65-gallon pail. Although it has been free, there will be a charge after January 1, 2024. Residents also have the option of back door service for a charge of $49.95 per month.

C. Discussion of ROW Transfer from County

- The sidewalks and aprons in Deer Run and Morningside have been contracted to the District by the County for maintenance and liability, but no jurisdiction. The tree lawns are still County property. He reminded the Board of the discussion to take over maintenance of all the areas, including the roads.

- Mr. Picarelli was informed that any residents in Pasco County who live on County roads are going to have tax increases on the assessment of their property.

SEVENTH ORDER OF BUSINESS District Engineer Report

A. Update on RFP for Architect for New Building

- Mr. Jackson, from Mr. Cohen's office is finalizing the advertisement, and will inform the Board once it is complete. Mr. Jackson had to prepare a US Bond Banking Report how the bonds have been spent over the past five years, and what is remaining.

B. Update on Sidewalk Repairs

- The District Engineer prepared a punch list of the Villages which have been completed, and is waiting for an updated schedule from ACPLM regarding curbing, driveways and asphalt work to be done.
- Mr. Wright noted all the villages' sidewalks are complete.
- Mr. Wright and Mr. Whited will go through do punch list, verify, and grade them on what was done.
- Gutter work in Iverson has started. However, work on the gutters is going to be much slower than sidewalks, as they are approximately 4 times thicker than the sidewalks. There is no exact Village timeline, but if they stay on track, the work will continue into Morningside and Deer Run.

C. Update on Pond Repairs and Permits

- The permits needed by November 19, 2023 were submitted before the deadline, and the next two permits are due May 15, 2024, and he is confident they will be submitted ahead of time.
- The list of pond repairs is being reconciled with the upcoming inspection to include any additional defects, after which they will have them bid out.

D. Update on Emergency Gate Permit for Wrencrest Drive

- Mr. Whited requested a proposal for a land survey of the property, which will be required for the site plan and submission. A conceptual plan and an application for the pre-application meeting with the County have been submitted through the County portal. It is essential that a minimum of two BDI representatives attend meetings on behalf of the CDD in order to proceed with the process and avoid further comments by County, and staff, in conjunction with the application.

- Mr. Picarelli informed the Board they are working on the detailed site plan for the proposed warning gate, construction, and surrounding areas. Also included is the blueprint of the gates to appear to be the same as the gate on Mansfield.

EIGHTH ORDER OF BUSINESS District Counsel Report

A. Guidelines for Deed Restrictions of Rental Companies

- Mr. Picarelli noted that Deed Restrictions must be the same for everyone.
- Mr. Picarelli affirmed Ms. Fernandez would this item. Preliminary Deed Restrictions are set according to the State requirement. Ms. Fernandez will review the process for a Deed Restriction and whether they can be changed.

B. Morningside/Deer Run Sidewalk/Aprons/Tree Lawns Ownership and Jurisdiction

- Mr. Picarelli requested Board discussion on approaching the County to deed the sidewalks, tree lawns, the aprons, and roads in Deer Run and Morningside.
- Mr. Cohen suggested the Board may authorize the District Engineer to assess the roads and report the findings to the County, and for the County to consider some form of payment to the CDD to repave the roads they have not maintained.
- Mr. Picarelli asked the Board if they agreed to prepare a list of items for discussion on the next agenda to present to the residents of Morningside and Deer Run.
- The Board was in favor of notifying Mr. Nanni they would like to hold a Public Hearing for the CDD to take ownership of Deer Run and Morningside, with the expectation of the County giving some form of reimbursement to the CDD for maintenance of the property. The Board was also in concurrence to direct the Engineer to assess the roads.

NINTH ORDER OF BUSINESS Consent Agenda

A. Deed Restrictions/DRVC

- Ms. Childers noted there is no mention in the Deed Restrictions prohibiting management of a business if the primary purpose is residential. She stated it is an interpretation which must be determined internally and presented to District Counsel for review.
- Mr. Molder noted all but two Villages (Colehaven and Manor Isle) have the same 30 Deed Restrictions.

- Mr. Picarelli would like to meet with Ms. Fernandez to determine clarification on the Deed Restrictions verbiage before pursuing what Ms. Gray has brought to the Board's attention.

On MOTION by Ms. Childers, seconded by Mr. Signoretti, with all in favor, the Consent Agenda was approved. (5-0)

TENTH ORDER OF BUSINESS Architectural Review Discussion Items

The Board concurred with the amendment made to the report.

ELEVENTH ORDER OF BUSINESS Non-Staff Reports

A. Government/Community Updates

i. Wrencrest Emergency Gate

Mr. Signoretti updated the Board on the Wrencrest Emergency Gate.

- The Board has submitted the pre-application to the County planners for discussion. The County will be preparing a traffic study, which will include a final assessment of the area.
- Principals for the schools on Wrencrest were contacted and sent the approved broadcast communication to parents regarding parking.

ii. Sidewalks on Beardsley

- Mr. Signoretti spoke with several people in the County who agree departmentally that the County does not own the sidewalks on Beardsley. The CDD purchased the sidewalks, installed them, and is responsible for them.
- Mr. Signoretti directed the individuals to the County's involvement in a current pending litigation lawsuit, with someone who tripped on the sidewalk.
- Mr. Signoretti responded is seeking formal written notice/documentation regarding ownership of the Beardsley sidewalks, as approved by Mr. Cohen from an official in the County.
- Discussion ensued regarding Meadow Pointe I being able to repair their sidewalks and whether it was Meadow Point III or the County that cut their trees.
- Mr. Signoretti was directed to ask Meadow Pointe I how they were able to repair their sidewalks, Meadow Point III about the tree cutting, and their knowledge of the current pending lawsuit.

iii. RFFP Crosswalk Flashing Light Signs

- The first crosswalk will be installed between November and December, and the subsequent ones will be installed in the spring.

iv. Discussion of Iverson Property

- Mr. Picarelli informed the Board the property was purchased at the auction which took place on October 26, 2023.
- Mr. Cohen sent an email indicating the purchaser was a third party and they paid the taxes.
- Mr. Signoretti commented Mr. Cohen mentioned keeping an eye on the purchaser, so they may be fully aware of what maintenance can be done to the property.

B. Event Planning Committee

i. Results of the Halloween Event

- Ms. Thomas commented the event went well, and the committee was given positive feedback, and has started to mend relationships with local businesses as a result of the event.

ii. Update on the Holiday Event

Ms. Thomas informed the Board of upcoming events.

- Yard of the Month, which is featured in the newsletter begins in December. Ms. Thomas explained the yard will be chosen on December 15, 2023. There is a link on the website, Facebook, and through the newsletter for residents to register.
- The all-day holiday event times were discussed.

TWELFTH ORDER OF BUSINESS Operations Manager Report

Mr. Wright presented his report, a copy of which was included in the full agenda package.

A. Bids for Tree Planting in Longleaf

- Mr. Picarelli noted the bids he received were costly.
- Ms. Darner noted a watering schedule was not included.
- LMP will revise their bid.

THIRTEENTH ORDER OF BUSINESS Approval/ Disapproval/Discussion

A. Discussion of New Waste Pails

- Mr. Molder expressed concern about giving residents a 30-day pass allowing them to leave the pails out. Enforcement of the deed restriction should commence**.**

- Mr. Picarelli explained that before they enforcement may commence, the decision to clarify certain Deed Restrictions with regards to enforcement needs to be done first.
- Ms. Darner commented the Board needs to update the dimensions of the new garbage pails on the restriction guidelines, after which it may be enforced.
- Ms. Darner suggested the Board send a notice that effective November 18, 2023 the Deed Restriction shall be enforced. The interpretation needs to be updated to include the proper height.
- Mr. Picarelli asked Mr. Ginsburg to update the interpretation to ensure it meets the requirement of hiding the pail at the right height, and on November 18, 2023 the Deed Restriction may be enforced.

B. Discussion of the Tree Letter

- Mr. Picarelli asked the Board if there were any significant changes needed.
- Ms. Darner gave suggestions for verbiage that would help the reader have a better understanding of the letter. The letter should be put in a bullet point format so that it can be understood.

C. Discussion of the Welcome Letter

- No further changes were requested
- Mr. Molder requested that the welcome letter be sent by the second or third week of the month.

FOURTEENTH ORDER OF BUSINESS **Audience Comments (Comments will be limited to three minutes.)**

Hearing no comments from the audience, the next order of business followed.

FIFTEENTH ORDER OF BUSINESS **Supervisor Comments**

- Mr. Signoretti reminded the audience the only time the CDD may discuss items is at the meeting twice per month.
- Mr. Picarelli discussed the bid for the Iverson Property.
- Anand Vihar is preparing to build more homes on the Hillsborough side of the property. Mr. Picarelli explained the residents do not want that street open, but the developer does, so he can sell the homes on the Hillsborough side.

- Mr. Picarelli suggested the developer build a road behind the community that connects the two communities, which will allow the residents living in Hillsborough on the Anand Vihar side to come through the back of the community to the Pasco side.
- Mr. Picarelli thanked everyone for attending the meeting and he is happy with the progress of projects.

SIXTEENTH ORDER OF BUSINESS **Adjourn the Regular Meeting and Proceed to a Workshop**

On MOTION by Mr. Signoretti, seconded by Ms. Childers, with all in favor, the meeting was adjourned at 8:21 p.m., and the Board proceeded to a workshop. 5-0

MINUTES OF WORKSHOP
MEADOW POINTE II
COMMUNITY DEVELOPMENT DISTRICT

A workshop of the Board of Supervisors of the Meadow Pointe II Community Development District was held Wednesday, November 1, 2023, immediately following the regular meeting at the Meadow Pointe II Clubhouse, located at 30051 County Line Road, Wesley Chapel, Florida 33543.

Present were:

John Picarelli	Chairperson
Jamie Childers	Vice Chairperson
Nicole Darner	Assistant Secretary
Kyle Molder	Assistant Secretary
Robert Signoretti	Assistant Secretary
Justin Wright	Operations Manager
Kevin Ginsburg	ARC/DRC

The following items were discussed during the November 1, 2023 Meadow Pointe II Community Development District Workshop; no motions, votes or actions were taken. Any action to be taken on the items listed below will occur at a regular meeting of the Board of Supervisors.

FIRST ORDER OF BUSINESS **Call to Order**

Mr. Picarelli called the workshop to order.

SECOND ORDER OF BUSINESS **Items for Discussion**

A. Discussion of Non-Compliance Issues

- There was discussion regarding the next steps once a violator has reached the $1,000 maximum fine. There is a 40-day maximum if the fine is not paid, and Mr. Wright would create a file and send it to Ms. Fernandez, after which it will go to Small Claims Court. Mr. Wright indicated the violation can be reinstated, and the same process applies. He will confirm this with Ms. Fernandez.

- Ms. Fernandez will be asked to provide a process with regards to the point at which the violation goes to Small Claims Court.

D. Mailboxes

- Mr. Ginsburg discussed a resident who was uncooperative with regards to the poor condition of the mailbox.
- The Board will examine all photos of mailboxes in poor condition and determine whether it should be repaired or replaced.
- There are now two companies which provide PVC mailbox posts.

B. Investor-Owned Properties' Issues

- Ms. Darner suggested a standard that renters who get three Deed Restriction violations, should be told to leave the home permanently.
- Mr. Ginsburg compiled a list of the three investor companies. The investors communicate via email only.
- Mr. Molder suggested the CDD send a letter to the investors noting the violators and the CDD's desire to work with the investor in rectifying any issues. Mr. Picarelli does not believe doing this will alleviate the problems. Discussion ensued.
- Mr. Signoretti noted the renters may possibly file lawsuits indicating they were targeted.
- Ms. Childers believes Ms. Fernandez should determine how often they may be written up, continue to write them up and pass on the attorney fees.
- Mr. Ginsburg asked the investor companies to submit a signed acknowledgment form noting they gave the tenant a copy of the Deed Restrictions.

C. Grass

- The height of the grass is seven inches. Any grass over seven inches which is unkempt should receive a violation notice.
- Mr. Ginsburg was directed to give a violation regarding the height of the grass if he passes by the home, and notices this to be the case.

D. Mailboxes

- The Board concurred with the method in which the mailboxes are to be replaced.
- Deed Restriction 18 covers everything the Board discussed with regards to the mailboxes.

- Mr. Molder noted that Deed Restriction 18 includes no clotheslines, radio antennas, television and electronic antennas, or any apparatus attached to the outside of the home. Discussion ensued. Ms. Childers noted anything attached to the home which was not original should be considered an architectural review item. These items would be declined under the ARC.
- The home in which the apron was painted was discussed.
- Mr. Signoretti discussed items which may have been *grandfathered in*. Ms. Childers noted these items were likely approved by prior Boards.

Mr. Molder requested the following items for discussion at the next workshop:

- Deed Restriction Item 6 – obnoxious activity. Perhaps Ms. Fernandez can provide guidance.
- Deed Restriction Item 9 – no display of signs in public view, including commercial vehicles.
- Deed Restriction Item 10 – water softeners.
- Deed Restriction 17 – no boats, trailers, campers, etc., which must be stored out of public view.
- Deed Restriction 19 – stripped vehicles. Other items are associated with this Deed Restriction.

THIRD ORDER OF BUSINESS Adjournment

There being no further discussion, the workshop was adjourned.

Justin Wright	Operations Manager
Kelly Wright	Event Planning Committee
Kevin Ginsburg	ARC/DRC
Members of the Public	

Following is a summary of the discussions and actions taken.

FIRST ORDER OF BUSINESS **Call to Order**

Mr. Picarelli called the meeting to order.

SECOND ORDER OF BUSINESS **Roll Call**

Supervisors and staff introduced themselves, and a quorum was established.

THIRD ORDER OF BUSINESS **Pledge of Allegiance/Moment of Silence for our Fallen Service Members and First Responders**

The Pledge of Allegiance was recited, and a moment of silence was observed.

FOURTH ORDER OF BUSINESS **Additions or Corrections Agenda**

The following item was added to the agenda:

- *Requests for Agenda Packages* under *District Manager's Report*.

FIFTH ORDER OF BUSINESS **Audience Comments (Comments will be limited to three minutes.)**

- Mr. George Neuendorf of Longleaf noted the light is out on the right back gate in Longleaf.
- Ms. Cheryl Mader of Lettingwell discussed the bond process, and she requested a project cost for the lap pool. Mr. Picarelli noted there is a budget for the lap pool in the amount of $968,256, which was set aside from the bond. Ms. Childers noted approximately $35,000 has been spent to date. Additional funds may be needed from the budget for costs relating to restrooms, pool structure and pool equipment. Ms. Childers noted the Board is waiting for final pricing. Funds are available in the budget to avoid an assessment.
- Ms. Cindy McCrary of Wrencrest commented on the following items:
  - There is an echo on the zoom line.
  - She thanked the Board for all public records she requested.
  - She made a request regarding handling of DRVC violations.
- Ms. Crystal Lazar of Wrencrest commented on assessments.
- A resident commented on sidewalk repairs in Wrencrest. Mr. Picarelli noted all sidewalk repairs are complete. This resident found another issue with the sidewalk near her home. Mr. Picarelli will go to the resident's home with the District Engineer to investigate.

SIXTH ORDER OF BUSINESS **District Manager Report**

D. Requests for Agenda Packages

- Mr. Nanni noted residents may make public records requests, except for items not yet approved or discussed by the Board.
- Mr. Nanni commented the complete agenda package will replace the previous package sent by Inframark once the meeting has ended.
- The Operations Manager adds all his information the day before the meeting.
- Chapter 189 of the Florida Statutes requires the agenda only to be posted.

- Ms. Childers noted that some items do not have to be approved by the Board, as they may be within Mr. Wright's expense authority, and are not considered public records.

A. Presentation of 3rd Quarter Website Audit Report

- The webmaster provides this report on a quarterly basis.
- The report reflects the District is in compliance with the ADA for posting of information on the website.

C. Discussion of Public Advertisement for Architect

- Mr. Nanni indicated the advertisement will be submitted Thursday morning, November 16, 2023.
- Mr. Picarelli noted Mr. Cohen and Mr. Whited prepared the RFP.

B. Discussion of Public Hearing for Deer Run and Morningside

- The Public Hearing is only for residents of Deer Run and Morningside, as they are affected in terms of property consideration to have the County deed their property to the CDD.
- The Public Hearing will address ownership of the roads, tree lawns, sidewalks and aprons in the two Villages.
- Mr. Nanni noted specific parcels should be mentioned in the advertisement. Mr. Signoretti is concerned about use of funds for other residents.
- Mr. Picarelli indicated the public funds to be sent will be associated with the cost of the advertisement, time of the meeting and any fees to Mr. Cohen when he contacts the County. Any business associated with the CDD is considered public funds. There are no Reserves for the two properties.
- Ms. Childers noted the CDD will determine whether this is a good business move for the CDD, not necessarily for the benefit of those communities.
- Residents from other Villages may attend this Public Hearing and speak.

SEVENTH ORDER OF BUSINESS District Engineer Report

Mr. Whited's report was presented, a copy of which was included in the full agenda package. The Board determined it was not necessary for him to attend this meeting.

A. Update on Sidewalk Repairs

- No work will be done on weekends.

B. Update on Permits for Wrencrest Emergency Gate

- There is a County meeting in December to discuss permits for the gate.

C. Update on Bids for Retention Ponds' Repairs

- Staff is still working on the bids.

EIGHTH ORDER OF BUSINESS District Counsel Report

A. Deed Restriction on Grooming of Pets

- Mr. Picarelli read an interpretation sent by Ms. Fernandez which indicated a dog grooming business operating in a home would not constitute maintenance of animals for a commercial purpose.
- The Glenham Deed Restrictions note a business cannot be operated out of a home.
- Ms. Darner noted it appears there is no proof this is taking place.
- The process would start with someone making a formal complaint, the CDD investigating and sending results to Ms. Fernandez.

B. RFP for Building Architect

This item was addressed under the District Manager Report.

NINTH ORDER OF BUSINESS Consent Agenda

A. Minutes of the October 4, 2023 Meeting and October 18, 2023 Meeting

B. Financial Report as of October 31, 2023

C. Deed Restrictions

Mr. Picarelli requested any additions, corrections or deletions to the items under the Consent Agenda.

> Ms. Childers MOVED to approve the Consent Agenda, consisting of the Minutes of the October 4, 2023 and October 18, 2023 Meetings, Financial Report as of October 31, 2023 and Deed Restrictions, and Mr. Molder seconded the motion.

There being no comments or questions,

> On VOICE vote, with all in favor, the prior motion was approved (5-0)

TENTH ORDER OF BUSINESS Architectural Review Discussion Items

There being no comments or questions, the next order of business followed.

ELEVENTH ORDER OF BUSINESS Non-Staff Reports

A. Government/Community Updates

i. Permit Meeting with Pasco County

- Mr. Signoretti noted there will be a pre-meeting in December regarding the Wrencrest Gate.
- A topographic and tree location survey will be required in accordance with the County code.

ii. RFP for Crosswalk Lights

- The crosswalk is scheduled to be completed in Wrencrest at the end of December in Meadow Pointe I, after which next steps will be discussed with Meadow Pointe II.
- There will be one installed between Morningside and Deer Run at no charge to the District.
- A second crosswalk may be installed at the District's expense, subject to the success of the first and second one. A new permitting process would be required.

iii. Traffic Light at Wiregrass Ranch Elementary School

- The work is scheduled to be done in December.

i. Permit Meeting with Pasco County (Continued)

> Mr. Signoretti MOVED to approve payment to MRIC Spatial in the amount of $1,500 for topographic and tree location surveys for the Wrencrest Gate, and Ms. Childers seconded the motion.

- Mr. Picarelli noted the payment will come from that District's fees.

There being no further discussion,

> On VOICE vote, with all in favor, the prior motion was approved. (5-0)

B. MPII Event Planning Committee

i. Update on Holiday Event

- Ms. Wright noted the Breakfast with Santa will be held December 2, 2023 from 9:00 a.m. to 11:00 a.m., family pictures will be taken from 11:00 a.m. to 1:00 p.m. and Quiet Reading with Santa will be held from 2:00 p.m. to 4:00 p.m.

TWELFTH ORDER OF BUSINESS Operations Manager Report

Mr. Wright presented his report for discussion, a copy of which was included in the full agenda package.

- Anthony from LMP addressed the Board regarding landscaping. Ms. Childers noted there are weeds at the entrances and in the plant beds. Anthony indicated he will send a proposal for planting of the Perennials. LMP staff will have workers on Friday and Saturday to install the mulch.

A. Updated on the Welcome and Tree Letter

- Two welcome letters were sent to homes purchased in October.
- The revised tree letter was approved.

B. Update on Bids for Tree Installation in Longleaf

- The Board reviewed the three bids.
- The bids are for trees which were removed during the Bond Project for Oak Tree Removal.
- Replacement will come from the bond money.
- The difference between the lowest bid and the LMP's bid is $3,000. Mr. Picarelli is in favor of using the District's landscaper, LMP.
- Board discussion ensued regarding the bids.
- Mr. Picarelli noted that Mr. Wood from OLM will be monitoring the project.

Ms. Childers MOVED to accept the bid from LMP for installation of trees in Longleaf in the amount of $24,925, and Mr. Signoretti seconded the motion.

There being no further discussion,

On VOICE vote, with all in favor, the prior motion was approved. (5-0)

Board members discussed the Operations Manager Report.

THIRTEENTH ORDER OF BUSINESS Approval/Disapproval/Discussion

There being no report, the next order of business followed.

FOURTEENTH ORDER OF BUSINESS **Audience Comments (Comments will be limited to three minutes.)**

- Mr. Ross Albert of Longleaf noted a neighbor approached him that there is standing water at a curb near his neighbor's home. Gutters were repaired. The District Engineer will investigate.
- Ms. Cindy McCrary of Wrencrest commented on the following items:
  - The November 1, 2023 Agenda was not posted.
  - She requested there be more information available regarding budgeted items.
  - Contracts are considered public records.
  - DRVC meetings.
  - The Event Planning Committee agendas should be posted.
  - Consistency is necessary.
  - She is working on a Coffee with a Cop meeting for January.
  - The list of CDD vendors should be posted.
  - FHP issues.
  - Communications with the District Manager.
- Ms. Crystal Lazar of Wrencrest commented on the following items:
  - Sunshine Law.
  - The cost to place the rocks. Mr. Wright noted the rocks cost approximately $700 each.
  - Mr. Picarelli discussed future posting of agenda packages.
  - She noted the Event Committee should be under the Sunshine Law. Mr. Picarelli will confirm this with District Counsel.
- Mr. Kevin Rivers of Morningside commented his grass was dug up when the sidewalk repairs were being done. Mr. Picarelli noted they will have the lawn repaired.
- Ms. Cheryl Mader of Lettingwell discussed the following items:
  - The rocks.
  - Zoom issues.
- Ms. Christine Evelyn of Wrencrest confirmed location of the new stop light. Mr. Picarelli discussed the schedule. Mr. Signoretti commented on Wrencrest and

Mansfield. He has videos which have been submitted to the County for an emergency gate. The gate is kept open during school hours to ensure they do not ride their bicycles through this area. She commented the pedestrian gate has been open at all times. Mr. Picarelli noted this will be checked on.

FIFTEENTH ORDER OF BUSINESS Supervisor Comments

- Ms. Childers commented on public records. She suggested any receipts for purchases made by Mr. Wright for projects be included in the forwarding agenda package.
- Mr. Molder noted he formerly had issues obtaining public records, as a resident.
- Mr. Picarelli expressed appreciation to the Board and residents.

SIXTEENTH ORDER OF BUSINESS Adjournment

There being no further business,

On MOTION by Mr. Signoretti, seconded by Mr. Molder, with all in favor, the meeting was adjourned at 7:58 p.m. (5-0)

POLICY GUIDELINES FOR PAVING ASSESSMENT PROJECTS – 2/10/15

1. All unpaved County maintained roads receive a 25 percent reduction to the overall assessment of the project.

2. Board initiated assessments on County maintained paved roads in E, F, or G pavement rating condition (poor, very poor, and failing conditions, respectively), with assessments over $1,000.00, receive a 25 percent reduction on that portion of the individual assessment over $1,000.00.

3. All voluntary projects on County maintained paved roads in the E, F, or G pavement rating condition (poor, very poor, or failing condition, respectively), with assessments over $1,000.00, receive a 25 percent reduction on that portion of the individual assessment over $1,000.00.

4. Voluntary or Board initiated projects on County maintained paved roads in D pavement rating condition (Fair), with assessments over $1,000.00, receive a 10 percent reduction on that portion of the individual assessment over $1,000.00.

5. No discount be applied to assessment projects on non-County maintained roads, although repayment of the assessment will be extended to a 15 year amortization schedule.

6. To amortize projects on County-maintained roads with an assessment under $1,000.00 over a five year period, and projects with an assessment exceeding $1,000.00 over a ten year period. For non-County maintained roads, the costs would be amortized over a 15 year period.

7. To include all potential discounts, and County contributions applicable to a particular assessment project, in the individual assessment estimates provided to property owners included within the proposed assessment area, as part of the petition process for citizen initiated projects, or as part of the public hearing notice provided on Board initiated assessment projects.

8. To present to the Board for its consideration, all citizen initiated petitions that fail by 2 % or less (to meet the 50% or more of favorable votes required for passage under the Special Assessment Ordinance) for possible adoption as a Board initiated assessment.

SPECIAL ASSESSMENT METHODOLOGY
BASED ON EQUIVALENT RESIDENTIAL UNITS (ERUâ€™S)

All parcels of property benefited by the improvements forming the basis of a special assessment shall be assessed based on the number of Equivalent Residential Units (ERUs) assigned to such parcel. The number of ERUs assigned to each parcel is determined according to the following rules:

I. Parcels With a Legal Right[1] to Access the Improvements or Services Forming the Basis of the Special Assessment and that are Contiguous to the Improvements or Services Forming the Basis of the Special Assessment:

(a) Residential parcels:

(1) Improved residential parcels. Each parcel of property with an agricultural, residential or mobile home zoning district, single-family or multi-family, on which no additional residential units may be placed under applicable land development code requirements shall be assessed one (1) ERU for each existing single family detached residential unit (including mobile homes located on individual lots), and three/fifths (3/5) of an ERU for each existing multi-family residential unit (including, but not limited to, apartments, condominiums, townhouses, duplexes, and mobile homes located in mobile home parks).

(2) Partially improved residential parcels. Each parcel of property with an agricultural, residential or mobile home zoning district, single family or multi-family, on which one (1) or more dwelling units have been placed shall be assessed the greater of the number of ERUâ€™s determined according to subparagraph (a)(3) below, or the actual number of existing dwelling units on the parcel according to subparagraph (a)(1) above.

(3) Unimproved residential parcels. Each parcel of property with an agricultural, residential or mobile home zoning district, single family or multi-family, shall be assessed that number of ERUâ€™s determined by sixty-five percent (65%) of the maximum number of single family residential dwelling units allowed under applicable land development code requirements for that parcel.

(b) Nonresidential parcels: Each parcel of property zoned other than agricultural, residential or mobile home shall be assessed that number of ERUâ€™s determined by sixty-five percent (65%) of the maximum number of single family residential dwelling units allowed under the predominant residential zoning requirements for the assessment area.

II. Parcels with a Legal Right to Secondary or Alternative Access to the Improvements or Services forming the Basis of the Assessment, and that are Contiguous to the Improvements or Services forming the Basis of the Assessment:

Each parcel of property with secondary or alternative access to the improvements or services forming the basis of the assessment shall be assessed fifty percent (50%) of the ERUâ€™s determined according to paragraph I. above.

III. Parcels that are not Contiguous to the Improvements or Services forming the Basis of the Assessment, but Where At Least Fifty Percent (50%) of the Parcel Lies Within a 1,000 Foot Centerline of the Improvements or Services forming the Basis of the Assessment and the Parcel has Access to the Collector and Arterial Roadway Network through the Improvements or Services forming the Basis of the Assessment.

Such parcels shall be assessed twenty-five percent (25%) of the ERUâ€™s determined according to paragraph I. above.

IV. Parcels that are not Contiguous to the Improvements or Services forming the Basis of the Assessment, but Where the Parcelâ€™s Sole Means of Access to the Collector and Arterial Roadway Network is through the Improvements or Services forming the basis of the Assessment.

Such parcels shall be assessed twenty-five (25%) of the ERUâ€™s determined according to paragraph I. above.

VI. Exceptions:

(1) The following shall be assessed zero ERUâ€™s:

a. Any parcel of property determined to be unbuildable and which cannot be altered to become a buildable lot or combined with other parcels owned by the same owner to become part of a buildable lot;

b. Any parcel of property owned by the federal government, the State of Florida, its counties or its municipalities.

(2) The county administrator, or his designee, in response to the presentation of unique, exceptional or extraordinary circumstances, where strict application of the above method of determination would create a practical difficulty or an undue hardship, may recommend that the Board of County Commissioners approve an alternative method of determination on a case by case basis in the interest of fairness and administrative ease.

---

[1] â€œLegal Rightâ€ is defined as the legal right to connect to or access the improvements or services forming the basis of the special assessment under Florida statutory or common law, or pursuant to private agreement. For purposes of this section, the issuance of any state or local permit or approval as a precondition to connection or access shall not be construed as denying any parcel owner a â€œlegal rightâ€ to connect to or access the improvements or services forming the basis of the special assessment.

ARTICLE I. IN GENERAL*

*Editor's note: Ordinance No. 97-08, §§ I--XXIV, adopted June 10, 1997, was treated as superseding §§ 94-1--94-24 in their entirety. Formerly, §§ 94-1--94-24 contained similar provisions and derived from those ordinances as are listed in the Code Comparative Table.

Sec. 94-1. Applicability.
This article shall apply to special assessments and to all projects commenced under this article.
(Ord. No. 97-08, § XXIV, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-2. Authorization.
(a) The board of county commissioners is granted the authority to adopt this article pursuant to F.S. ch. 125. The board of county commissioners is authorized to establish services and improvements and fund such services and improvements through special assessments pursuant to F.S. § 125.01(r). Such services and improvements may include:
(1) Streets and roads.
(2) Traffic calming devices and measures.
(3) Water and sewage systems.
(4) Water and sewage treatment plants.
(5) Drainage.
(6) Sidewalks.
(7) Such other services or facilities as may be deemed essential.
The board is authorized to provide for the payment of the whole or part of the cost of said improvements by levying and collecting special assessments upon property deemed to benefit specially by the construction of such improvements. Special assessments must be reasonably apportioned among properties deemed improved. The board may adopt by resolution or otherwise any methodology it deems appropriate for reasonably apportioning the special assessments among the property owners deemed to specially benefit from such improvement.
(Ord. No. 97-08, § I, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-3. Petition--Submission by property owners.
Property owners may request that a petition be prepared for submission to the board of county commissioners to impose a special assessment upon specially benefited property. One property owner may act as petition leader. The petition shall be submitted to the county administrator or his designee for administrative evaluation and review, and for his recommendations to the county commission.
(Ord. No. 97-08, § II, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-4. Same--Form.

(a) The petition shall contain the following information:
(1) A specific designation of the boundaries of the area to be improved, including a description of the propertyinvolved;
(2) A specific designation of the improvements required;
(3) A specific statement of the total number and description of lots or parcels to be benefited by the improvements requested.
(4) Signatures of the owners of the land who respond to the petition and whose respective properties are located within the benefited area. The specific legal description of the lots or parcels shall be set forth opposite the name or names of the signer(s) of the petition.
(5) A project map.
(b) The county in its discretion may modify the designation of the boundaries of the area to be improved, the designation of the improvements required, the statement of the number and description of the lots or parcels to be benefited by the improvements demanded, and/or the project map prior to mailing notice of the petition to specially benefited property owners or presenting the petition to the county commission.
(Ord. No. 97-08, § III, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-5. Same--Response time and re-petition.
(a) The county shall furnish, via certified mail, return receipt requested, a letter to the owner(s) of each specially benefited property, notifying said owner(s) of the petition, and providing an estimate of the number of assessment units and estimated dollar value of the assessment against the property of the owner(s). Refusal or failure to acknowledge receipt of said notification letter shall be deemed adequate notice and receipt for purposes of this notification requirement. The owner(s) of each specially benefited property will be allowed 45 calendar days from the date the letter is mailed to respond favorably or unfavorably to the petition, and the owner(s) of each property shall be entitled to one favorable or unfavorable vote per assessment unit assigned to the owner(s) of said property. Those owners of benefited property who do not respond in writing, or whose responses have not been received within 45 calendar days from the date the letter was mailed, may not be considered in the findings of the commission or county staff.
(b) If the county staff determines that greater than 50 percent of the votes received are not favorable, the staff shall make a determination that the petition failed, and shall not be required to present the petition to the county commission. If, however, the county staff determines that 50 percent or more of the votes received in response to the petition are favorable, the staff must present the petition to the county commission for its consideration.
(c) Should the county staff determine that the petition failed under this section, the county administrator or his designee may present the petition to the county commission if he determines, in his sole discretion, that consideration of the petition by the board of county commissioners would address a specific need within the area of the proposed improvement.
(d) Should the staff determines that the petition failed under this section, and the county administrator or his designee has not presented the petition to the county commission pursuant to subsection (c) of this section within 60 days from submission, then the property owners shall not be entitled to initiate any petition to make such improvements

or provide the services designated within this article for one year subsequent to the date on which all votes are due to be received by the county.
(Ord. No. 97-08, § IV, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-6. Same--Initiation by property owners.
After public hearings, the county commission may adopt and enact, if it so desires, all appropriate and legally required ordinances or resolutions to make the improvements or provide the services designated in the written petition. The board, however, much first make a finding that:
(1) Fifty percent or more of the votes received in response to the petition were favorable, or the proposed improvements set forth in the petition are deemed by the county staff or the board of county commissioners to address specific need within the area of the proposed improvement;
(2) The improvements or services designated have an ascertainable special benefit to the properties to be assessed; and
(3) The special assessment is reasonably apportioned among the properties that are deemed to benefit specially from the improvements.
(Ord. No. 97-08, § V, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-7. Initiation by county commission.
The commission may initiate services, make improvements, or both, in its discretion, and without the necessity of a petition. The commission shall define the area to be included in such a special benefit area and shall have prepared a cost estimate of the project to be undertaken; however, the commission must first make a finding that:
(1) The improvements or services designated have an ascertainable special benefit to the properties to be assessed; and
(2) The special assessment is reasonably apportioned among the properties that are deemed to benefit specially from the improvements.
(Ord. No. 97-08, § VI, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-8. Notice for hearing on preliminary assessment roll.
(a) Upon completion of the preparation of the preliminary assessment roll, the commission shall cause to be published once, in a newspaper of general circulation, a resolution stating that a preliminary assessment roll has been completed; that the assessment roll is on file in the office of the county administrator or his designee; that the assessment roll is open to public inspection; that at a regular meeting of the board of county commissioners, on a certain day and hour to be specified in the resolution, and not earlier than 15 calendar days from such publication, the board of county commissioners will hear all interested persons regarding the proposed assessments contained in the preliminary assessment roll; and which shall state, in brief and general terms, a description of the improvement, together with the location thereof.
(b) At least 15 calendar days prior to the date of such hearing, notice by certified, first class mail shall be sent to each person whose name and address is either known, or may be reasonably ascertained, identified as the owner of record of any lot or parcel of land proposed for assessment or in whose name any such lot or parcel may otherwise be listed on the tax roll of the county tax appraiser, advising said person of:

(1) The nature of the proposed improvements;
(2) The estimated cost thereof;
(3) The specific amount of assessment to be made against each lot or parcel of land; and
(4) The place, date and time of the public hearing on the assessment.
Failure of the owner to receive such notice due to mistake or inadvertence shall not affect the validity of the preliminary assessment roll adopted by the board of county commissioners, nor release or discharge any obligation for payment of a special assessment imposed by the board of county commissioners pursuant to this article.
(Ord. No. 97-08, § VII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-9. Combined public hearings.
(a) In those instances in which estimated quantities and unit cost required to complete the proposed special assessment project have been previously estimated by the county administrator or his designee, the public hearings required for the adoption of the initial resolution declaring a special assessment and the resolution adopting the preliminary assessment roll may occur simultaneously at a single hearing and may be combined into a single resolution.
(b) All procedures respecting the issuance of notice for a hearing on a preliminary assessment roll under section 94-8 shall be followed.
(c) With respect to quantities, unit costs and award of bids:
(1) Quantities shall be deemed known by the county administrator or his designee only in those instances where appropriate departments have performed any required site inspection and field measurements to determine the quantities necessary to complete the project.
(2) Unit costs shall be deemed to be known by the county administrator or his designee only in those instances in which the county has established unit costs for the performance of the specified work or in which there exists a competitively bid annual contract which provides for specific unit costs or for the performance of the specified works, or both.
(3) Award of bid, in instances where a combined public hearing is held, shall be accomplished through provisions set forth in the purchasing ordinance, chapter 2, article IV, division 2, as amended.
(Ord. No. 97-08, § VIII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-10. Resolution--preparation.
When the board of county commissioners decides to make an improvement or provide a service, then it shall so declare by resolution, stating the nature of the proposed improvements, the total estimated cost, the method of payment of assessments, the number of annual installments, and the legal description of area specially benefited. The estimated cost of any services, and/or improvements, or both, shall include, to the extent applicable:
(1) An estimate of the cost of preliminary and other surveys;
(2) Acquisition of any real property;
(3) Engineering services associated with project;
(4) Inspection and superintendence of work;
(5) Preparation of the plans, specifications and estimate;
(6) Printing and publishing of notices and proceedings;

(7) Preparation and recording of a preliminary assessment roll;
(8) Preparation and issuance of certificates;
(9) Actual costs of providing the services; and
(10) Any other expenses attributable to the service or improvement.
(Ord. No. 97-08, § IX, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-11. Same--Publication.
The resolution to be adopted shall be published in any newspaper of general circulation in the county once at least 15 calendar days prior to its adoption at any regular or special meeting of the board of county commissioners.
(Ord. No. 97-08, § X, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-12. Same--Adoption.
At the time and place designated in the notice, the board of county commissioners shall conduct a public hearing on the proposed resolution and may adopt, modify, or reject the same. Any objections or comments to the resolution shall be made in writing and submitted to with the county administrator or his designee prior to adoption of the resolution or else may be deemed waived.
(Ord. No. 97-08, § XI, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-13. Implementation of services or improvements.
Upon passage of the resolution, the proposed project shall be specially designated for implementation. Funding shall be allocated for the project at the time the resolution is adopted based upon cost estimates prepared by the county administrator or his designee.
(Ord. No. 97-08, § XII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-14. Solicitation of bids and preparation of assessment roll.
The resolution approving the project shall authorize the county administrator or his designee to solicit bids for the construction of the improvement, utilize its own forces subject to F.S. ch. 125, or utilize any contractor who possesses an annual contract to perform such services for the county. Prior to award of contract or commencement of construction, the board of county commissioners shall cause to be prepared a preliminary assessment roll containing property descriptions and proposed assessments of cost against each lot or parcel of land benefiting from such improvement, based upon the estimated benefit received, as established in the original resolution.
(Ord. No. 97-08, § XIII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-15. Preliminary assessment roll and award of bid.
(a) At the public hearing the board of county commissioners shall annul, adopt or modify, in whole or in part, the assessments indicated on the preliminary assessment roll, either by confirming the assessment against any or all lots or parcels described therein, or by canceling, increasing or reducing the same, according to the special benefits which the board determines each lot or parcel will receive by virtue of the improvement, but shall not confirm any assessment in excess of the special benefit to the property or in excess of the flat rate approved and adopted for such projects. The board may elect to contribute up to 25 percent of the cost of any project for which special assessments may be imposed.

(b) Immediately after the determination by the board as to the special assessments to be imposed, the preliminary assessment roll as sustained or modified shall be approved (subject to subsection (c)(2) below), and the award of bid for construction made. Any necessary budget adjustments resulting from an increase or decrease in contract price with respect to the estimated price may be made upon approval of the preliminary roll and award of bid.
(c) Upon completion of the improvements for which the special assessments have been imposed, the board of county commissioners shall adopt a final assessment role, based on the actual cost of the improvements. Whenever the board determines that the actual cost of the improvements has exceeded the estimated cost it originally approved, the special assessment billed shall not exceed the original estimated cost of the improvements, and the preliminary assessment roll shall become final; however, whenever the actual cost is less than the estimated cost originally approved by the board, the following shall apply.
(1) If the actual unit cost for each assessed property proves to be less than the original estimated cost by an amount not exceeding $10.00, the original estimated cost shall be billed, and the preliminary assessment roll shall become final;
(2) If the actual unit cost for each assessed property proves to be less than the estimated unit cost by an amount greater than $10.00, a new resolution and revised assessment roll will be prepared for approval as a final assessment roll by the board of county commissioners, and the lesser cost shall be billed.
(Ord. No. 97-08, § XIV, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-16. Payment of assessment.
(a) Assessments made hereunder shall become due and payable to the board of county commissioners 33 calendar days after the date of the initial billing following the completion of the improvements for the property benefited by the special assessment project. All assessments not paid within such period shall thereupon become payable in equal annual installments in each of the ten succeeding years with interest not to exceed that authorized by law from the expiration of such 33 days, payable annually, unless the commission shall fix a shorter or longer period of time for the payment of annual installments or a lower rate of annual interest; but any assessment becoming so payable may be paid in full at any time, together with interest accrued thereon to the date of the payment. At a minimum of at least once a year, the board shall have the discretion to adopt by resolution an interest rate applicable to special assessment projects.
(b) The board of county commissioners is authorized by resolution, in its discretion, to reduce interest rates or waive interest otherwise payable on special assessments pursuant to paragraph (a) of this section, or otherwise to extend, up to a maximum of 20 years, the time for payment of special assessments in installments, with respect to owners of assessed property whose income meets or falls below the low-income or very low-income thresholds established by the United States Department of Housing and Urban Development (HUD) in effect at the time the final assessment roll is adopted. At a minimum of at least once a year, the board, by resolution may adjust rates of interest to a rate not to exceed that which would otherwise have been imposed under paragraph (a) of this section at the time of adoption of the final roll, may impose or re-impose interest, or may alter the time for payment to a period not to exceed that which would have otherwise been imposed under paragraph (a) of this section, in the event the board determines the

income of the owner has increased above the applicable threshold, or if the ownership of the property has changed.
(Ord. No. 97-08, § XV, 6-10-97; Ord. No. 02-17, § 1, 7-30-02; Ord. No. 06-34, § 1, 10-24-06)

Sec. 94-17. Lien on properties assessed.
(a) When final completion has been achieved on the project and the board of county commissioners has approved and directed the recording of a final assessment roll, the final assessment roll shall constitute a lien on each property assessed for any improvements or services under the provisions of this ordinance. Any delinquent or unpaid assessment for any improvements or services under the provisions of this ordinance shall remain a liens until paid in full and shall be equal in rank and dignity with the liens of county ad valorem taxes and all other liens resulting from special assessments by the county, and superior in rank and dignity to all other liens, prior recorded mortgages, encumbrances, titles and claims in, to or against the improved real property involved. Payments on any special assessment shall first be applied to interest, then to unpaid principal.
(b) The county may enforce any lien imposed under this ordinance in the same manner as is provided for the foreclosure of mortgages, and the county shall thereby be entitled to collect the special assessment as well as interest, costs, penalties, and reasonable attorneys' fees. Upon the failure of a property owner to pay any installment of principal or interest on any assessment lien within 33 calendar days of its due date, the county may thereafter elect either to seek recovery of any outstanding and unpaid installments, or to accelerate the due date of all outstanding installments of principal remaining unpaid and pursue immediate recovery thereof, together with interest due thereon from date of default, as well as any applicable costs, penalties, and attorneys' fees.
(Ord. No. 97-08, § XVI, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-18. Properties subject to assessment.
No property that has been deemed by the board of county commissioners to enjoy a special benefit from an improvement for which a special assessment is imposed under this article shall be exempted from payment of the principal amount of that special assessment.
(Ord. No. 97-08, § XVII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-19. Correction of errors or adjustments in final assessment roll.
In case of any omission, error or mistake in generating the final assessment roll, or in imposing liens on properties against which special assessments have been levied, board of county commissioners may, at any time, correct such omission, error or mistake by resolution upon the request of a property owner adversely affected thereby, upon the recommendation of county staff, or upon its own motion without notice to the affected parties.
(Ord. No. 97-08, § XVIII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-20. Acquisition of right-of-way required.

No such road or street improvement project under this ordinance shall be undertaken until all rights-of-way required for the project have been acquired.
(Ord. No. 97-08, § XIX, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-21. Alternative methods.
This article shall be deemed to authorize any additional and alternative method for the imposition of assessments for improvements to properties specially benefited thereby as may be authorized and directed by the board of county commissioners.
(Ord. No. 97-08, § XX, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-22. Abandonment of board-approved projects.
In the event a service or improvement is abandoned prior to completion because of issues relating to the cost of the project, or for other good cause as determined by the board of county commissioners, all costs incurred to the point of abandonment may be assessed against the properties in the project area.
Factors that may be utilized in determining whether the costs of an abandoned project should be assessed in full, reduced or eliminated include:
(1) Whether the county administrator or his designee has recommended the discontinuance of the project for lack of revenue, or manpower, or both, to complete the project;
(2) Whether the discontinuation of the project would be of convenience to the county;
(3) Whether actual or potential engineering, legal or fiscal problems developed, thereby making the continuance of the project unfeasible, impracticable, or undesirable due to no fault of the property owners;
(4) Whether collecting the assessments for the discontinued project would result in undue hardship to the subject property owners due to the high cost of the project;
(5) Whether there exist other circumstances, unique to the individual project, which would render an assessment unduly burdensome and oppressive to property owners;
(6) Whether the assessment appears to exceed the special benefits property owners will receive.
If any of the above factors are found to exist, the board of county commissioners may forgive the cost incurred to the date of abandonment.
(Ord. No. 97-08, § XXI, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-23. Invalid assessments.
If any special assessment made under the provisions of this chapter to defray the whole or any part of the expense of any such service or improvement shall, either in whole or in part, be annulled, vacated, or set aside by the judgment of any court, or if the board of county commissioners shall be satisfied that any such assessment is so irregular or defective that the same cannot be enforced or collected, or if the board shall have omitted to make such an assessment when it might have done so, the board may take all necessary steps to correct the invalidity, including, but not limited to, causing a new assessment to be made for the whole, or for any part of, any improvement, or against any property benefited, in whole or in part, by any improvement, following as nearly as possible the provisions of this article.
(Ord. No. 97-08, § XXII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Sec. 94-24. Procedural irregularities.

Any informality or irregularity in the proceedings in connection with the levy of special assessments under the provisions of this article shall not affect the validity of the same after the approval thereof, and any special assessment as finally approved shall be competent and sufficient evidence that such special assessment was duly levied, that the special assessment was duly made and adopted, and that all other proceedings adequate to such special assessment were duly had, taken, and performed as required by this article. No variance from the direction hereunder shall be held material unless it is clearly shown to the satisfaction of the board of county commissioners that the party objecting was materially injured thereby. Notwithstanding the provisions of this section, any party objecting to a special assessment imposed pursuant to this article must file a written objection with the board within 30 calendar days from the date of the adoption of the resolution under this article, or forever waive objection thereto.

(Ord. No. 97-08, § XXIII, 6-10-97; Ord. No. 02-17, § 1, 7-30-02)

Subject: Garbage cart exchange

CAUTION: This message was sent from outside the company

Good morning, Mitchell and JR

A resident informed the board at the last meeting that they called to exchange their large 95-gallon cart for the smaller 65-gallon cart and were told that coastal had to order more because they had run out of them. Do you know when you will have the smaller pails in stock for exchange? Also, even though you may not have the pails before the 1/1/2024 which is the cut off for a free exchange can you honor that agreement if the resident has called in prior to the cutoff date and requested an exchange?

Sincerely, John Picarelli.

MEADOW POINTE II CDD

ENGINEER'S REPORT FOR DECEMBER 20th, 2023 BOARD MEETING

Discussion items:

1. **SWFWMD (South West Florida Water Management District) Permit Work** – The inspection for Permit # 3010.045 field work was completed on 12/05/2023 and the area was free from any defects effecting the recertification of the permit, so the statement of inspection was completed and turned in to SWFWMD and was approved. Permit # 3010.053 has an extension granted through the first week of February and will be completed and submitted ahead of that deadline, we have asked SWFWMD for clarification on the ponds to be inspected in correlation with this permit. There are two permits that are due for recertification 05/15/2024.

2. **Pond Repairs** – A list of pond repairs is being reconciled with the upcoming inspections to add any additional defects then will be bid out.

3. **Construction Management for Sidewalk Repair Project** – BDi has conducted a site visit to measure and inspect pours for sidewalks, gutters and driveway aprons and has communicated issues to vendor for resolution in the form of a punch list on 12/04/2023. The punch list includes a handful of aprons and gutter work that was missed by the vendor and will require an additional mobilization to be scheduled by the vendor. Once the punch list work is completed it will be re-inspected for workmanship. All completed sidewalk, gutter and apron locations have been inspected and measured and a reconciliation of which will be compared to the amount billed before payment to the vendor is approved.

4. **Building Construction on County Line Rd & Mansfield Blvd –** The Meadow Pointe II CDD owns a 5.32 acre commercially zoned (0PUD) lot at the SE corner of the County Line Rd & Mansfield Blvd intersection. The CDD has advertised a formal RFP for architect services with the expectation that the architect fees will surpass the current required threshold needing to be advertised. The submittal deadline for RFQ submissions is due by 11:00 a.m. on Monday, January 8, 2024. Applicant's Qualifications Statement will be presented at the District's January 17, 2024, Board meeting to be held at 6:30 p.m.
