Revised approval memorandum Revision 3

Dear Mr. Fuxan:

Please be advised that on August 31, 2016, the Planning and Development Department, reviewed and **approved** the above-referenced project as noted on the enclosed agenda memorandum PDD16-1415 **REVISION 3**. This approval is issued under the provisions of Section 300, Development Review Procedures, of the Pasco County Land Development Code.

The owner/developer is hereby notified that no activity shall commence on-site until both the completed notarized acknowledgment portion of the above-referenced agenda memorandum and receipt for payment of Pasco County utility impact fees (if applicable) are received by the Planning and Development Department. Any site specific conditions listed as requiring completion prior to Site Development Permit issuance must also be completed.

The owner's/developer's acceptance of the enclosed conditions constitutes a notice of authorization to perform all related work as allowed by Section 300, Development Review Procedures, of the Land Development Code, but **shall not** include the structure, septic tanks, signs, construction within County/State right-of-way, and all other construction activities requiring separate governmental permits. Should the owner/developer object to any condition of approval as stated on the attached, a written notice of appeal shall be submitted within 30 days of this decision in accordance with Section 407.1, Appeals, of the Pasco County Land Development Code. The owner/developer may contact this office for information regarding corresponding application and fee requirements.

The Owner/developer shall obtain a hard-copy Site Development Permit prior to commencing any activity. **A stamped copy of the approved site plan shall be kept on the job site at all times.** No Certificate of Occupancy shall be issued until compliance with all requirements, including building and/or site inspection finals, are completed. **Deviations from the approved plan shall be approved by Pasco County prior to commencing construction.**

Any person failing to implement or carry out developments in accordance with all applicable requirements, conditions, or approved plans shall be subject to penalties as stated in the Development Review Procedures.

With regard to the Pasco County National Pollutant Discharge Elimination System program, the Applicant shall notify the Stormwater Management Division at least two days prior to commencing any site preparation for a pre-inspection of the sediment and erosion control devices. Information on Erosion and Sedimentation Control is available on the following web site: www.dep.state.fl.us/water/stormwater/erosion.

By issuance of this permit, Pasco County, its employees, and representatives, assume no responsibility and/or liability in regard to the design, construction, or performance of the permitted facilities.

Should you have any questions, please feel free to contact this office.

Sincerely,

Dorothy E. Masumian
