This white tailed doe and her fawn were spotted in Tullamore. The fawn's spotted coat helps it hide from dangers in brush and tall grass. It appears the mother is guiding the fawn into a safe area when this photo was snapped! This pic serves as a great reminder for parents this Halloween—keep those kids safe! *Photo courtesy of Penny Harvey*

MPII CDD Board of Supervisors

John Picarelli
Chairperson
johnpicarelli@mpiicdd.org

Rob Signoretti
Vice Chairperson
robertsignoretti@mpiicdd.org

Jamie Childers
Secretary
jchilders@mpiicdd.org

Chris Kluender
Secretary
chriskluender@mpiicdd.org

Kyle Molder
Secretary
kyle.molder@mpiicdd.org

The CDD Board of Supervisors holds public meetings twice each month. These are held on the 1st and 3rd Wednesdays at 6:30 pm in the Clubhouse.

All MPII residents are welcomed and encouraged to attend. This is your CDD and attending meetings is the best way to stay informed and share your input.

Halloween Safety

Halloween is almost upon us! This year Halloween falls – beautifully - on a Saturday. Additionally, late that night is the end of Daylight Saving Time, so we will set clocks back an hour, giving us an extra hour of Halloween fun (or an extra hour of sleep)! In a large community like ours, Halloween is always a pretty big deal and we should all expect a flurry of activity that night. This is especially true with the holiday falling on Saturday, so it's vital that we all do our part to ensure that it is a fantastic, but more importantly, a *safe*, evening.

Trick or treaters: be patient with houses that mistakenly leave their lights on and understand that many people are not participating for any number of reasons. Kids should be supervised by adults if they're young or should stay in groups if they're older. Remember to use crosswalks (wherever possible) and look both ways before crossing the street. Please be extra cautious if your costume restricts your peripheral vision! If you will be out past sunset, have a flashlight with you.

If you plan on giving out candy, please do several things. First, please use your porch light and try to decorate your home some, so you *appear* to be participating. Or even better, set up outside, wear costumes, and have a great evening interacting with your friends and neighbors. Please use prepackaged items as treats.

If you are able to offer non-consumable treats as an option, please put out a teal pumpkin. The Teal Pumpkin Project is for kids that can't eat most (or any) candy treats due to allergies or other reasons. For more information on the Teal Pumpkin Project, go to https://www.foodallergy.org/our-initiatives/awareness-campaigns/living-teal/teal-pumpkin-project.

Also, please remember that some kids may come to your door in underwhelming costumes. Smile, say "Happy Halloween!" and give them a treat anyway. There could be lots of reasons why they are not in a "proper costume" – they could have a...

CDD Projects Update

As part of the last CDD bond (included as a portion of your CDD fees), the MPII CDD Board of Supervisors endeavored to expand the current Clubhouse with additional property across the street in front of the Kids R Kids location. Unfortunately, there were numerous delays and issues getting this project started. The issues date back to COVID shutdowns, followed by related and unrelated supply chain issues, but there were other factors as well. By the time things looked promising to start moving forward with an additional building, costs had gone up and plans had to be re-evaluated, modified, and re-approved so that the original bond budget could be adhered to while still generating a valuable, useful property for MPII residents.

At long last, things are finally moving forward with this project. The new building will contain a lobby, a large multipurpose meeting/event room, a kitchenette, restrooms, storage, and a small office and small meeting space.

While the process for projects like this can seem to take forever, things ARE moving forward and once the designs are finalized and all the proper preparatory work and permitting is complete, the CDD Board is optimistic that construction will start well within the next 6-12 months. The result will be an expanded MPII Clubhouse with multiple buildings on two nearly adjacent plots. This will give MPII residents a brand-new location for everything from the CDD meetings to the parties and events that the EPC hosts for our entire community. What's more, residents will be able to reserve this new space just as we currently make available with the event rooms in our current space.

The expansion will enable us to make changes with the existing building which could include expanding the fitness center, expanding other spaces that residents as well as the office and maintenance staff utilize, or other options.

Additionally, progress continues toward adding the lap pool in the area behind (just north of) the existing pool. MPII's engineers are working through plans with the designers and hopefully we will have information about a groundbreaking date in a future issue of *MPII News*.

The CDD Board is also still working...

Halloween Safety

Continued from page 2

skin condition or allergy that only allows them to wear certain clothes; they could have any number of special needs that make masks, makeup, or face paint extremely uncomfortable or impossible. They could also have budgetary reasons.

If a trick-or-treater isn't able to successfully say "trick or treat", just wish them a Happy Halloween anyway and give them a treat. Some children have speech issues or might have autism and have a hard time speaking to people. Also, if you see a car drop kids off, please don't withhold candy or treats from them. First, they may still be one of your neighbors, from another village in Meadow Pointe and the parents are keeping them safe. And even if they're from another neighborhood altogether, take it as a point of pride that you are able to live in the kind of neighborhood that kids and families want to come to for their trick-or-treating.

For those who'll be driving on the evening of Halloween, the usual protocols are still in place. Please drive extra slowly and very cautiously all day on the 31st. Be prepared for children to dart across the street and not see you - many costumes restrict peripheral vision. Remember how exciting Halloween night was when we were children, and be patient with the kids whose mindfulness, safety, or behavior isn't perfect. Have a Happy – and *safe* – Halloween MPII!

For more information about having a safe 2026 Halloween, these are excellent resources:

Fall Community Garage Sale

Don't forget the semi-annual Garage Sale – it is *fast* approaching! On Saturday, October 3rd, from 8 am – 2 pm all gates at gated villages will be open. It's the perfect time to clear out the clutter and make a little cash at the same time. Hopefully you utilized the tips we provided last month and are ready to go. If not, there is still a little time left to gather and organize all your sellable possessions. Don't forget to keep small bills and change on hand. This event generates a lot of traffic through the neighborhoods so be set up and ready by 8am to take full advantage. The next community garage sale won't be until April of 2027, so don't let this opportunity pass you by. Also, if you have unsold items or don't want to deal with selling, but *are* cleaning, there will be a Goodwill truck at the Clubhouse parking lot accepting donations until full. Happy selling!

October Holidays

12th Columbus Day. Commemorating Columbus' famous 1492 voyage to "the New World", MPII wishes all who celebrate it, a very Happy Columbus Day!

12th Indigenous Peoples' Day. Many people use this day to celebrate and honor the various indigenous peoples that had settled and lived in North America long before Europeans arrived here. For those that celebrate this holiday – Happy Indigenous Peoples' Day!

31st – Halloween. Tonight is Halloween! Originating with the ancient Celtic festival of Samhain, where the people would light bonfires and dress up in costumes to ward off ghosts, Halloween has evolved to become a very popular modern holiday. MPII wishes all our residents a very Happy (and SAFE) Halloween!

CDD Projects Update

Continued from page 3

diligently to maintain progress toward adding a dog park within Iverson for all MPII residents to use. We had a setback recently with permitting and Pasco County, but we hope to re-submit for permitting addressing all concerns so that we will soon be able to move forward.

Lastly, at the first September CDD meeting, the Board reviewed the five bids for CDD landscaping. Due to the work Juniper has done during their current contract, combined with their bid being the lowest of the five, the CDD Board renewed the contract with Juniper and they will continue to handle the landscaping for the Clubhouse area, the three main roads through MPII (County Line, Mansfield, and Beardsley), as well as all other common areas (village entrances, etc.).

Juniper
DESIGN | BUILD | MAINTAIN

As always, the CDD Board of Supervisors have been working hard – largely behind the scenes – to maintain, grow, and improve MPII and the residents of MPII. You can learn a lot more by attending the CDD meetings – either in person or virtually. The meetings are held on the first and third Wednesdays of each month at 6:30 pm in the Clubhouse.

Election Day

The November General Election is very nearly here – it's Tuesday, November 3rd! If you're an MPII resident, then the MPII Clubhouse is your local polling place. If you still plan to vote early, locations can be found at www.pascovotes.gov.

If you plan to vote by mail, due to changes in the process, you MUST request a mail in ballot by 5pm on October 22nd. Also, mail-in ballots must be RECEIVED by 5pm on election day (11/3) not mailed or postmarked by election day. The USPS recommends mailing your ballot by Tuesday, 10/27. Voters can also turn in mail-in ballots in person by placing them in secure drop boxes at the Supervisor of Elections office or at designated early voting sites.

However, if you're voting in person on Election Day, the Clubhouse will be open as a polling location from 7 am – 7 pm. If you're coming out to vote, please be patient with the poll workers, your fellow voters, and any wait times you have.

Due to the election, the Clubhouse office and event rooms will be closed for the day. But the pool, fitness center, and courts will be open.

Whether you're voting on Election Day or not, please be aware that there will be a significant increase in traffic (vehicle and pedestrian) in the vicinity of the Clubhouse. Please be patient and extra cautious when driving anywhere near the intersection of Mansfield Boulevard and County Line Road.

High turnout is expected as this is a Florida gubernatorial election, plus critical mid-term national elections, as well as numerous state and local positions, and even several seats on the MPII CDD Board of Supervisors. Incumbent CDD Board member John Picarelli is running unopposed for seat 4. Incumbent Jamie Childers is running unopposed for seat 3, and no one registered to run for seat 2. This will likely result in the CDD Board seeking applicants for an appointment in November. All CDD Board seats are four-year terms.

We encourage all qualified MPII residents to exercise their right to vote, to be kind and patient with the poll workers, and to be respectful of your fellow community members. Let's have yet another great voter turnout within MPII!

Trivia Answer (from page 3): 35 million pounds!

Approximately 35 million pounds, or over 9 billion individual pieces of candy corn are produced and sold each year, with 70% of sales happening in the 8 weeks leading up to Halloween. It was originally called Chicken Feed, and if you stack pieces with the pointed ends touching in the center, it does indeed closely resemble corn! Sometimes, even people who hate Candy Corn enjoy it combined with peanuts, because the combination tastes a lot like the Payday candy bar. Try some this Halloween!

Upcoming MPII EPC Events

Last month's Cleanup in conjunction with Pasco County's Keep Pasco Beautiful was a phenomenal success! A great group of volunteers came together and cleaned up huge sections of County Line Road and Mansfield Boulevard. Lots of trash was collected and properly disposed of and our community looks better, and IS better, thanks to the hard work of those amazing volunteers – THANK YOU volunteers!

Next up, rapidly approaching, is the annual Halloween Festival! Hopefully you've already blocked off your calendars for Saturday, October 17th from 4 – 8pm. We will be having not one, but TWO haunted mazes! One fairly scary, and one gentler, but still creepy one for younger kids or anyone who doesn't want to be quite so scared! We will also be hosting the fantastic costume parade! So, have the kids wear their costumes for this great event. If your costume isn't ready, there will be face painting on site!

We still need more volunteers, so if you have any time to spare, please email epc@mpiicdd.org to join the effort and make this event special. Keep an eye on the MPII Clubhouse Facebook page for details in the coming days about this great traditional MPII event!

Santa photographed at the 2025 Breakfast with Santa event alongside Clubhouse Operations Manager Justin Wright and CDD Board Chair John Picarelli.

Also, more details will be coming soon about our Breakfast with Santa event which is set for Saturday, December 5th. There will be opportunities for free photos with the big man himself!

MPII Clubs & Opportunities

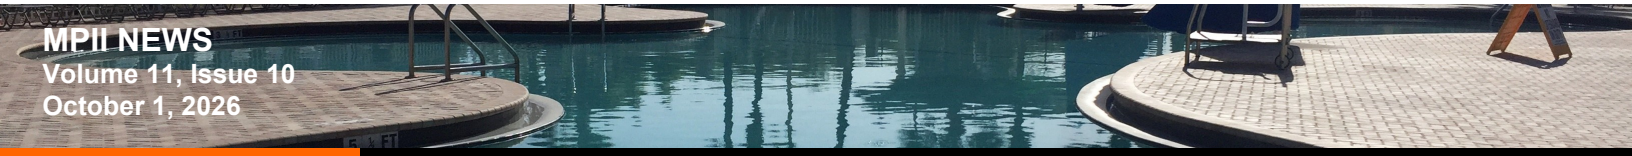

Teach Leaf

TEACH LEAF is enrolling for the 2026-2027 school year! The Kindergarten Learning Pod will meet on Mondays and Wednesdays and the Emerging Readers Pod will meet on Tuesdays. This is a great opportunity for the Homeschool families in our community! For more details or to enroll in the Pod, please contact Melissa Goebel at teacher.melissa827@gmail.com.

If you or your business offer classes, clubs, or activities that are open to all MPII residents and they take place at our Clubhouse (whether free or fee based), email newsletter@mpiicdd.org to be listed in our newsletter.

MPII News Needs Your Photos!

If you have taken a photo within MPII that you think would make a nice cover shot on a future issue, please email it to newsletter@mpiicdd.org. Submitting a photo gives us permission to use it in the newsletter. If there are people in the photo, please ensure that we have their permission to publish their photo.

Also, remember that the Clubhouse has an opt-in email list for receiving a link to the newsletter PDF each month! And, effective 6/1/26 this is the MAIN way to receive our community newsletter. To opt-in, just email newsletter@mpiicdd.org and tell us what email address or addresses you'd like us to include. As of now, the Clubhouse only uses this list for the newsletter, but we may include other time-sensitive announcements in the future.
